The total number of subscribers is about one million, an increase of nearly one hundred per cent. in ten years. Thus, there is one Catholic paper published for every 65,000 Catholics of the country. In Austria the Catholic press is almost a failure. On the other hand, Switzerland, with a Catholic population of 1,200,000, has 34 Catholic periodicals, or one for every 350,000, while in Austro-Hungary there is one for every 650,000.

—Bishop Taylor, who has recently returned to the United States from Africa, says: "The thirty-five mission stations I have already planted and manned in the midst of purely heathen tribes furnish but a specimen and an earnest of what can be done on a scale commensurate in breadth with the stupendous work to be done. With funds coming to hand as required, I can yet, in the afternoon of my day, by the will of my Father and Saviour, plant and develop to a self-supporting basis, a thousand stations in Africa before I quit the field; and no station shall be the ultimatum of its own existence, but a centre of evangelizing light—a beacon amid the dark mountains and a base of evangelizing agency, extending the work in all directions."

DENOMINATIONAL NEWS.

REV. WM. DEWARE was the recipient of a donation at Norton, on the 10th inst..

REV. J. W. FREEMAN, who has been pastor of the Argyle, N. S. pastorate, is to take charge of the Plymouth, N. S. pastorate the 1st of December.

FREDERICTON.—REV. F. C. HARTLEY who has accepted the pastorate of the church in this city, entered upon his new duties last Sabbath. We hope he may be blessed in his labours.

REV. A. C. THOMPSON has been given four weeks leave of absence by his churches. He will spend the time among friends in New England, starting next Tuesday. We hope he may have an enjoyable vacation.

REV. JOHN PERRY spent several days and tarried over Sabbath at Washade-moak, after Conference. Washade-moak was his home for many years, and, of course he has a host of friends there, whom he was glad to see, and who were glad to see and hear him. He went home last week. The INTELLIGENCER office was pleased to have a call from him.

FIRST CHURCH, WESTFIELD, K. CO.,—Rev. J. N. Barnes, after nearly two years hard and faithful toil for God and his cause in this place, delivered his closing remarks to a full hall on Sunday evening the 28 ult. The words of his text were, "Keep thy heart with all diligence, for out of it are the issues of life." Clearly he set forth that man is in possession of a rational, thinking soul, the keeping of which depends upon his ever looking to Jesus; he suggested to his hearers that it was not the intention of God that man should do evil that in fulness of time he might rescue him from evil, for it repented the Lord that He had made man, and he grieved him. We feel glad that God ever directed the steps of brother Barnes this way, and during the short time he has been among us, he has done a good work and made ready the field for some other faithful labourer for Christ. As he may shortly enter upon some other field of labour, we pray that God may ever be with him. While among us he was faithful to God and loyal to the denomination of which he is a member. We hope that God may direct the steps of some other this way, equally equipped with all the requirements of a faithful christian labourer, for much remains yet to be done. Who will come and help us?

HOME MISSION REPORT.—My year's work on the Tobique River is ended. I cannot say I am glad, for it has been the brightest and most prosperous year of my life. I shall not soon forget the kindness and consideration shown me by the people on the Tobique. Apparently it was a pleasure to them to show me kindness and, by all means in their power, to make my stay among them a pleasant one. The circuit is not an easy one, as can be inferred from the fact that I have had nine regular preaching stations, and preached occasionally at five other places. Although the labour has not been blessed by any very special outpouring of the Spirit, the work has been systematized and the foundation laid for better things in the future. I have a growing interest in the Tobique mission. When the Conference asked me last year if I would go to that field I was impressed to say I would. I believe it was of God.

Highest of all in Leavening Power.—U. S. Gov't Report, Aug. 17, 1884.

ABSOLUTELY PURE

I am now at the Union Baptist Seminary preparing myself for more efficient work, and would like if it is the will of the Conference, to spend my vacation next summer on the Tobique River.

For the year I wish to report that I have made 663 christian calls, have preached 122 sermons, have attended 57 social and prayer meetings, and collected \$160.20 for Home Missions. God bless the kind people on the Tobique

FRANK A. CURRIER.

FROM REV. J. E. GOSLINE.—Conference is in session while I write, and I am absent. Not that my rule has been to be there; nor do I think that I shall be much missed. But I am missing the blessings of such a gathering of Christian people. I have learned that the influence of such gatherings is far reaching upon life. The thought of one, the personal contact with another may produce results far-reaching in our lives. The best life is that which gathers the most honey for his own and others use. While you were busy in one field, I, with Mrs. G. was present in another gathering. The F. Baptists of Maine met in Annual Convention at Bangor on Sept 30, and Oct 1st and 2nd. It was indeed, a glad occasion. The veterans of Free Baptist interests in Maine have seen the desire of their hearts. The yearly meetings of Maine are a thing of the past. Just as the Jewish ritual gave place to something better and higher—Christianity, so the yearly meetings are now merged into an annual Association embracing the whole State. Many of the young men knew but little what such a union meant, but how many offered thanksgiving and praise when the Yearly meetings mutually accepted each other. We then sang "Praise God &c." and "Blest be the tie &c."

This union betokens of progress, and speaks of larger effort; less machinery but greater power. A Ministers' Convention was formed which, in its work, nearly corresponds to the Ministers' Conference of New Brunswick. It was indeed full of pleasure and spiritual blessing to myself to meet for the first time with the Free Baptists in this state in their yearly gathering. Many of the young men, who went from the Divinity school, were present, one of whom, Bro. Porter of the Nova Scotia Conference, was the Corresponding delegate from our people in that province. "Old times were lived again." How true it is that we "live in deeds not years." Time flies, but deeds remain. Since writing last, I have for three weeks been engaged in special service in the 1st Hodgdon church. Seven professed conversion. My prayer is that God will help them to stand, and that many others may be led to Him. Work on the field is looking much better. But what we need is a great outpouring of the Holy Spirit, leading sinners to Christ and helping his people to rise and shine; to shine not only brightly but steadily. The church that has steady, patient, loyal Christians is certain of doing much. Spasmodic effort ought to be a thing of the past in this christian age.

THE LIFE AND TIMES OF SIR LEONARD TILLEY is the title of a work upon which Mr. Jas. Hanney, author of the History of Acadia, is now engaged. The book will be, practically, a history of the Province for the last 70 years. It will contain chapters on,—

1. Industrial and Commercial state of the Province in 1818.
2. Form of government under the old regime, the family compact.
3. First agitation for responsible government.
4. Political condition of New Brunswick when S. L. Tilley entered public life.
5. Ancestry, birth, education and early life of S. L. Tilley.
6. His removal to St. John, business enterprises and connection with the temperance movement.
7. His entrance into public life, and appointment to the government.

The remaining chapters will cover the progress of events up to the present day.

S. S. CONVENTION. The N. B. S. S. Association held its annual meeting in Chatham last week. There was a large attendance. The receipts last year were \$532, and the expenditure \$526. The work of organizing in all parts of

the Province is to be "pushed" with increased vigour this year. A fund has been subscribed. The officers for the year are:

President, S. J. Parsons, Benton; vice-presidents, J. S. Steeves, Albert; J. T. Fletcher, Carleton Co.; W. S. Robinson, Charlotte; Thos. Armstrong, Gloucester. Gideon McLeod, Kings; Rev. Neil McKay, Northumberland; S. L. Peters, Queens; John Galbraith, Restigouche; Solomon Smith, Sunbury; Rev. T. F. Fotheringham, St. John; Robt. Watson, Victoria; Alex. Girvan, Westmorland; W. G. Clark, York; corresponding secretary, Rev. A. Lucas, Sussex; recording secretary, Jas. Watts, Woodstock; treasurer, Geo. Haddow, Dalhousie; additional members of executive, J. H. Wetmore, Moncton; A. S. White, Sussex; J. E. Marsters, St. John; W. H. Stevens, St. Stephen; W. C. Whittaker, St. John; H. S. Miller, Chatham.

A CASE OF SUTTER, which is unusual in China, although it is regarded as a great virtue, is reported from the neighborhood of Foochow. The victim was a young woman, 24 years of age, whose husband died of leprosy. She was childless, and had none except distant relatives to depend upon for support. She had, therefore, she said, no alternative but commit this act of self-sacrifice. As soon as her intention became known she received several invitations to grand banquets, all of which she accepted and enjoyed as if there were to be no sequel. After a special feast of this character she ascended a stage constructed for the purpose, where the village elders came to make their obeisances, each three times, as if she were already a canonized saint. The signal having been given by firing off a gun, she ascended a scaffold with her hands unpinioned, and there, in the sight of all, strangled herself.

SOCIAL.—On Friday eve, 10th inst., the members and friends of the Midland F. D. Baptist church assembled at the residence of Mr. Wm. Ellison, Midland, to a pie social for the purpose of raising funds to pay for the organ now in their church. Mr. S. H. Johnson was chosen chairman of the gathering. J. W. Sharp, Treasurer; E. W. Case, Secy., and B. W. Sherwood, Audit Dept., Ottawa, auctioneer. A most enjoyable meeting was had, and there were lots of excellent pies and other good things. The pies sold realized \$43. Quite a number have also subscribed funds towards paying for the organ, which is valued at \$110.

SECY.

WEDDING ANNIVERSARY.—Rev. Charles F. Rideout and wife intend to celebrate the thirty-eight anniversary of their married life on the eleventh of November. They will be glad to have their friends meet with them at their home in Bath, C. Co., on the afternoon and evening of that day.

THE POPE AND HIERARCHY are shrewd enough to see that it is important to put forward the Roman Catholic Church as the special friend of the laboring classes and arbitrator of their disputes. He is soon to issue an encyclical letter on the labor question. It is to be addressed to all bishops, and will contain directions in regard to their interposition in labor strikes. It is also believed that the Pope will call an international conference of the high dignitaries of the Church on the labor question. Catholic dignitaries ought to interest themselves in labor questions, for Catholic countries always swarm with beggars. Rome has been as much the home of beggars under the Pope as it was in the days when the people cared only for cheap corn and gladiatorial combats.

C. T. A. NOTES. The Queen Hotel man has been paying another fine for rumselling. He should have been sent to jail again. At Victoria, P. E. I., on the 8th inst., before Henry Wadman and D. W. Palmer, J. P.'s, Emily Partell was fined \$50 or two months' imprisonment for a first violation of the Canada Temperance Act, and Daniel Murphy was fined \$50 or one month for a similar offence. At the same place, on the following day, Thomas M. Doyle was fined \$50 or one month's imprisonment for a first offence.

P. O. ADDRESS.—Rev. Gideon Swin's P. O. address is Victoria Corner, C. Co.

OF MINISTERS.—Rev. Dr. Penney is supplying the Auburn, Me., Free Baptist church, in the absence of the pastor, Rev. T. H. Stacey. Bro. Stacey has gone to Europe, and will be absent six months.

Rev. Mr. Embree (Methodist) died of diphtheria at Albert, Alberta Co., last week. Five of his children were sick of the same disease at the same time, and since his death one of them has died.

SUNDRIES.—"What does a man know about woman's clothes, any way?" Husband: "The price."..... The exodus of Jews from Russia has commenced. Thousands are leaving the Government at Vilna with the intention of emigrating to Brazil, and others are flocking to Algeria..... The new baby hippopotamus born in the Central Park in New York city has a mouth seventeen inches wide..... The revenue from the consumption of tobacco in France now reaches \$80,000,000 annually..... Emigration from Ireland, though greatly diminished, still continues at the rate of more than 70,000 persons a year.

TAYLOR.—At Taylor Village, W. Co., on the 13th inst., Anna, beloved wife of Capt. Alfred Taylor, aged 50 years. Sister Taylor was born in Coveville, A. Co., and was the daughter of A. Reed Chapman. She was baptised by Rev. G. F. Miles, a few years before she was married, which was Jan. 17th, 1864, by the same minister who baptized her. She was a member of the Baptist church up to her death, and died trusting in the Lord. She was a woman of exceptional abilities. These she displayed in the training of her family and in great kindness to her visitors. She leaves a sorrowing husband, sisters and six children to mourn their loss. May the Lord sustain them in their deep affliction. The funeral was conducted by Rev. Wm. Weeks and A. H. McLeod.

MERSEREAU.—At Patterson Settlement, Sunbury County, October 3rd, of consumption, Fidelia, aged 25 years, beloved daughter of Elizabeth and the late Andrew Mersereau, leaving a widowed mother, two brothers and three sisters, together with a large circle of relatives and friends to mourn their loss. Sister Fidelia professed religion eight years ago, under the labours of Elder J. G. McKenzie and united with the Patterson Settlement Free Baptist Church, of which she remained a worthy member until death. It was my privilege to visit her frequently during her protracted illness, extending over nine months; at times she suffered intensely, yet I never heard a murmur; she lived, suffered and died like a christian. Funeral sermon by the pastor. Text I Samuel, 20 Chap., last clause of the 18th verse. "And thou shalt be missed, because thy seat will be empty." J. W. H. PERRY.

JAIMACA EXHIBITION, 1890

AN EXHIBITION will be held in Kingston, Jamaica, in January, 1891, of Island products, manufactures and works of art, together with exhibits of works of art, machinery and industrial and agricultural products from Great Britain, other countries and colonies. In view of the geographical relation of the Island of Jamaica with the sea port of Canada, and the nature and extent of the imports of Jamaica, as well as the products of the Island, the Government of Canada accepted an invitation of the Government of Jamaica to participate in such exhibition, with a view of obtaining an extension of markets for the products and manufactures of Canada.

The Canadian Government will undertake to pay freight of all approved exhibits. Entries must be made not later than September 30th next; and the latest date at which exhibits can be sent forward from Halifax, N. S. or St. John, N. B., is the middle of December.

Mr. Adam Brown, M. P., has been appointed Honorary Commissioner to represent Canada at the exhibition. Forms of application and general information can be obtained on application to the Honorary Commissioner. Address: Department of Agriculture, Ottawa; or to the undersigned.
