U. S. Vice Consul.—Capt. Whittier has been appointed United States Vice Consul in this city. He takes the place held for several years by F. B. Coleman. It is about time the United States Government released itself of the disgrace of being represented by a hum-seller. Capt. Whittier's appointment gives general satisfaction.

SUNDRIES.—Boston consumed a ton of quinine pills during the ten days of the influenza epidemic. . . . The Empress of Austria is said to be the best royal housekeeper in Europe. She superintends the household affairs of the big palace at Vienna with the greatest care. . . . In London nine mothers while intoxicated during one week, smothered their infants in bed.

FINE.—Last Thursday Edwards, of the Queen Hotel, was fined \$50, and on Friday Grieves, of the Waverly Hotel, was fined a like amount, for violation of the C. T. Act. Fines are well enough so far as they go; but these fellows deserve imprisonment.

How LICENSE WORKS.—Halifax has what is regarded as a stringent Liquor License system. And yet this, according to the *Witness* of that city, is the state of things there: Drunkenness and drinking continue to be common in Halifax. Bar-rooms appear to be open without let or hindrance. The victims of the cruel appetite for rum are drinking their way to perdition without check. There is something desperately wrong.

WRITING ADVERTISEMENTS.—Alden & Faxon Newspaper Advertising Agents, Cincinnati, Ohio, have just issued a very neat List of the leading newspapers of the United States. The first 10 or 12 pages are devoted to advertisements, which they have written for various firms and which have been successful; also hints and suggestions to new advertisers. They make a specialty of writing advertisements, and of devising methods by which money can be made out of newspaper advertising. This Newspaper List will be sent free on application.

**Deaths.**  
CLARK.—At Corn Hill, K. Co., Feb. 20, Eveline A., beloved wife of W. J. Clark in the 29th year of her age, leaving four children (the eldest five years of age) a husband, two sisters, one brother, and a large circle of friends to mourn their loss. Our deceased sister experienced religion 14 years ago and was baptized and united to the Havelock Baptist Church by the Rev. John Hughes. She was a daughter of the late Deacon Gray of that Church. One 6 years ago, having settled permanently at Corn Hill, she transferred her membership to the Corn Hill F. C. B. Church, of which her husband was a member. She continued a devoted Christian up to her death, and her death was a triumph, rejoicing victory over the King of Terrors. The funeral on the 23rd inst. was largely attended. Services by the Writer. A. C. S.  
BENJAMIN.—At Fox River Can. Co., N. S. Mrs. J. K. Benjamin in the fifty-third year of her age, after health as good as usual, died Monday, Feb. 10th when she was stricken with apoplexy, and died on Thursday the 13th. Mrs. Benjamin and her husband were baptized in May 1889, and united with the Port Greville Free Baptist church. She was an earnest Christian and worked faithfully to promote the interest of the church to which she belonged. She was regular in her attendance at the preaching service and prayer meeting, and in the social service her prayer and testimony were always heard. She was exceedingly pleasant and cordial in her home. She leaves a husband and large family to mourn their loss. The bereaved have the sympathy of the church and entire community.  
STEELE.—At Halifax, N. S., Nov. 26 1889, Ella, aged 29 years, wife of Mr. Gordon Steele, leaving a husband and three children. Her remains were conveyed to Hall's Harbor by home and interred there. The departed suffered for months, and all that medical skill could do, was done for her, she had made a profession of religion a few years ago. May the Lord comfort the bereaved ones.

HARRIS.—At Magazadavie, York Co., on the 24th inst., Howard Harris, aged 43 years. A wife, six children, two brothers and two sisters with many friends mourn his death. Funeral services conducted by the writer at Tracy Station, Sarnaby Co. on the 25th ult.—George W. Foster.

**Marriages.**  
BRANNEN-URQUHART.—At the residence of the bride's father, on the 25th ult., by Rev. J. A. Robertson, Henry A. Brannen and Miss Elizabeth Urquhart, both of Kingston, K. Co. The bride received many valuable presents.  
(Telegraph please copy.)

CLARK-LONGILL.—At Woodstock, on the 27th Feb., by Rev. C. T. Phillips, George T. Clark, and Laura Longill of Houlton, Maine.

# An Important Matter.

MR. EDITOR.—It is a well known fact that the majority of people are inclined to look upon a cold in the head as a matter of little importance—involving at the most only a temporary inconvenience. No more disastrous mistake was ever made. The neglected cold in the head is the source of the catarrhal affections with which about seven-tenths of the people of this country are afflicted, and catarrh itself is too often the preliminary stages to consumption and death. The symptoms of catarrh are manifold, but among them may be mentioned, offensive breath; dull, oppressive headache; offensive droppings from the nostrils into the throat and bronchial tubes; deafness or partial deafness; constant hawking and spitting; weak and watery eyes; a hacking cough and feeling of general debility; ringing in the ears and frequent dizziness. These are but a few of the more general symptoms, and those who experience them should lose no time in applying a remedy—delays are proverbially dangerous, and in the case of this too prevalent disease may lead to death. We offer Nasal Balm to the public as a POSITIVE CURE for cold in the head and for catarrh in all its forms and stages. Nasal Balm has been tested in thousands of cases, and the testimonials in our possession prove that it is all we claim for it. It has cured other sufferers—it will cure you. It is easy to use, pleasant and agreeable and does not require a douche, or any torturing instrument to apply it. Give it a trial and be convinced of its great efficacy. Sold by all dealers or sent post free on receipt of price—50c for small or \$1 for large size bottles, by addressing FULFORD & CO., Brockville, Ont.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

**Hospital Remedies.**  
There is a new departure in the treatment of disease. It consists in the collection of the specifics used by noted specialists of Europe, and America, and bringing them within the reach of all. For instance the treatment pursued by special physicians who treat indigestion, stomach and liver troubles only, was obtained and prepared. The treatment of other physicians, celebrated for curing catarrh were procured, and so on till these incomparable cures now include disease of the lungs, kidneys, female weakness, rheumatism and nervous debility. Ask your druggist for them. Those who cannot procure these remedies from their druggist may remit the price to Hospital Remedy Co., 303½ West King St., Toronto, and the remedy will be shipped to them direct. (The price is one dollar each.) Descriptive catalogue sent on receipt of stamp to pay postage.

**To Our Subscribers.**  
The SPECIAL ANNOUNCEMENT which appeared in our columns some time since, announcing a special arrangement with Dr. B. J. KENDALL CO., of Enosburgh Falls, Vt., publishers of "A Treatise on the Horse and his Diseases," whereby our subscribers were enabled to obtain a copy of that valuable work FREE by sending their address to B. J. KENDALL CO. (and enclosing a two-cent stamp for mailing same) is renewed for a limited period. We trust all will avail themselves of the opportunity of obtaining this valuable work. To every lover of the Horse it is indispensable, as it treats in a simple manner all the diseases which afflict this noble animal. Its phenomenal sale throughout the United States and Canada, make it standard authority. Mention this paper when sending for "Treatise."  
J. E. HOPPER, Principal.

C. C. RICHARDS & Co.  
Gents.—My horse was so afflicted with distemper that he could not drink for four days, and refused all food. Simply applying MINARD'S LINIMENT outwardly cured him.  
CAPT. HERBERT CANN.

C. C. RICHARDS & Co.  
Gents.—I have used your MINARD'S LINIMENT for bronchitis and asthma, and it has cured me. I believe it the best.

**How to Gain Flesh and Strength.**  
Use after each meal Scott's Emulsion; it is as palatable as milk. Delicate people improve rapidly from its use. For Consumption, throat affections and Bronchitis it is unequalled.  
Dr. Thos. Prim, Ala., says: "I used Scott's Emulsion on a child eight months old; he gained four pounds in a month." Put up in 50c. and \$1 size.

Perfectly charming is what the ladies say about "Lotus of the Nile" Perfume.  
If you wish to please your family, flavour your Puddings, Pies, Jellies, &c., with the "Royal" Extracts.

Free and easy expectoration immediately relieves and frees the throat and lungs from viscid phlegm, and a medicine that promotes this is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Bickle's Anti-Consumptive Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

Jabesh Snow, Gunning Cove, N. S., writes:—"I was completely prostrated with the asthma, but hearing of Dr. Thomas' Electric Oil, I procured a bottle, and it did me so much good that I got another, and before it was used, I was well. My son was cured of a bad cold by the use of half a bottle. It goes like wild-fire, and makes cures wherever it is used."

Baird's Balsam of Horehound promptly relieves and cures obstinate coughs, croup, hoarseness, and all affections of the throat and lungs. It gives immediate relief.

Any child will take McLean's Vegetable Worm Syrup; it is not only exceedingly pleasant but is a sure remedy for all kinds of these pests. Look out for imitations. Get McLean's the original and only genuine.

If you had taken two of Carter's Little Liver Pills before retiring you would not have had that coated tongue or bad taste in the mouth this morning. Keep a vial with you for occasional uses.

Are you free from all crude and irritating matter. Concentrated medicine only. Carter's Little Liver Pills. Very small; very easy to take; no pain; no griping; no purging. Try them.

Smart Weed and Belladonna combined with the other ingredients used in the best porous plasters, make Carter's S. W. & B. Backache Plasters the best in the market. Price 25 cents.

Coughs, Colds, Croup.

Allen's Lung Balsam was introduced to the public after its merits for the positive cure of such diseases had been fully tested. It excites expectoration and causes the Lungs to throw off the phlegm or mucus; changes the secretions and purifies the blood; heals the irritated parts; gives strength to the digestive organs; brings the liver to its proper action, and imparts strength to the whole system. Such is the immediate and satisfactory effect that it is warranted to break up the most distressing cough in a few hours' time, if not of too long standing. It contains no opium in any form and is warranted to be perfectly harmless to the most delicate child. There is no real necessity for so many deaths by consumption when Allen's Lung Balsam will prevent it if only taken in time. For Consumption, and all diseases that lead to it, such as Coughs, neglected Colds, Bronchitis, Asthma and all diseases of the Lungs, ALLEN'S LUNG BALSAM is the Great Modern Remedy. For Croup and Whooping Cough it is almost a specific. It is an old standard remedy, and sold universally at 50 cents and \$1.00 per bottle. The 25-cent bottles are put out to answer the constant call for a Good and Low-Priced COUGH CURE. If you have not tried the Balsam, call for a 25-cent bottle to test it.
