His arms and hands were badly should have made a cast of the lead; burned and his forehead was consider- | that the fog horn was not heard by ably injured.

The man Rawdon, charged with poisoning cows at Canterbury, is out on bail, \$1000.

A meeting of the provincial board of health was held in this city, last week. Dr. Wm. Bayard in the chair. The other members present were Judge Watters, Judge Steadman, Dr. G. E. Coulthard, and Dr. J. Z. Currie, the on Lake Winnipeg. It is thought all secretary. The principal question discussed was the new regulations for the Northwest police were lost. plumbing, and the result will be sever al amendments to the present rules. Moncton requested to have an inspector of plumbing appointed, which was granted. Several matters of minor importance were also considered.

NOVA SCOTIA.

street lights.

A gentleman from Weymouth says mackerel have again struck in and the bay is full of bluenose fishermen. The Dream is there, keeping off the Yankee

There is a serious outbreak of diphtheria in Halifax. The newspapers of that city report that in the first week of September seven new cases were reported, in the second week 30 cases, and for the third week 34 cases. In the three weeks 31 deaths from the dread disease were reported. As is usual there is reason to believe that mot all the cases of infection or of death came to public notice.

The Windsor Cotton Co. have empowered the directors to sell or enlarge the capital stock as they deem ex-

Co. are negotiating for a steamer to stock, Ont. place on the route from Barrington towards Halifax.

Additional reports of damages by the freshet in Cumberland Co., N. S. Parties from Shinimicas and vicinity report the damage to bridges and mill property as serious. The bridge near Daniel Somers' mill was carried out. Somers' carding mill was started from the foundation; all the movable machinery was taken out. McPherson's dam and bridge on the Shinimicas were both forced out. The grain is also badly damaged.

The Witness dominion prize in the Canada competition was won by Maud Saunders, of Annapolis, N. S. The prize was a \$500 piano.

Windsor, N. S. has several cases of diphtheria, which is also prevalent in

ties of the bluebird and English spar- Brooklyn 804,374 row, boards containing the cocoons and larvæ of codlin moths and with wheat screenings were placed out doors and the English sparrows came and devoured all the grain, but did not lations of more than 100,000; now touch the insects. A pair of bluebirds there are thirty-two. descending upon them, greedily devoured the insects but paid no atten-'tion to the grain.

Building operations are lively in Truro, tifty new residences going up, valued at \$70,000.

frequent.

A fatal accident happened at Cambridge station on the W. & A. railway a plague of fleas. So numerous did Friday afternoon. Nathan Condon, the little pests become even in the belonging to Cambridge, was walking most fashionable quarters that the on the top of some apple barrels on Board of Health had to be called to by the Potter Drug and Chemical Corthe edge of the platform as the west- fumigate houses. bound freight train from Halifax came along. He tripped and fell beneath the car wheels. Both of his legs were ut off and he died in a few minutes.

On the Annapolis and Digby Railway, everything is being done by the contractors to push the work along line will be opened this fall.

The first three weeks of September thirty-one deaths ascribed to diphtherna have been registered in Halifax.

The Governor General will arrive in Halifax about the 15th inst.

Silver is reported to have been discovered near Brookfield, Colchester county. It is said that a rich gold lead also exists near the same place, in connection with which, it is said

A discovery of silver and also of gold is reported from Pleasant Valley, Colchester. The find was made on to Richibucto has commenced with the Hogan property near Short's lake. The mine is within the limits of the old township of Truro, where minerals are said to be exempt from royalty.

PIM PLES, black heads, red, rough, chap ped and oily skin cured by CUTICUE.

MUSCULAR STRAIN and pains, back ache, weak kie neys, rheumatism, and ches pains relieved in ONE MINUTE !

-It is announced that a jail-keeper in Peoria, Ill., has discovered that a good remedy for delirium tremens is to smear the patient over with a decoction of red pepper, which produces so much irritation and so smart a tingling that the victim of horrors" is kept busy rubbing himself, and forgets all about the beasts that are haunting him. As Peoria is headquarters for whiskey distilleries, its Jail keeper is doubtless an expert in dealing with the victims of delirium tremens. But if the unfortunates will let the whiskey entirely alone, they will probably not need the irritating application of red pepper.

-The Republican State Convention of Kansas last week adopted the following plank with reference to Prohibition:

"Ten years' exemption from the evil effects of the traffic in intoxicating liquors, secured by a faithful observance of the constitutional amendment and the statutes supplemental thereto. by which vice has been lessened, crime decreased, leads us to express a determined opposition to any changes in the prohibitory legislation of our State except such as will make the laws stronger and more efficient and increase the good order, sobriety and welfare of the people."

The United States is by far the largest consumer of stamped envelopes of any nation in the world, upwards of 500,000,000 having been used during the past year. In England, Germany, Up to the present time 10,000 per- | France, Russia and Austria combined sons have left the city by the railroad | the number furnished in 1888 was only a little more than 70,000,000, or about the trains out of town as rapidly as the one seventh of the quantity used in

Charming people, these exceptional people! Here's a medicine - Dr. estimated, to 3,000, the remains of a Pierce's Golden Medical Discovery for city of 15,000 population. There has instance, and it's cured hundreds, Sold everywhere at 50 cents per bottle \$5.50 been no severe shock for nearly 30 thousands that're known, thousands per dozen hours, and confidence is being restored. | that're unknown, and yet yours is an Ample provision will be made by exceptional case! Do you think that know my case." Good friend, in ninety-nine out of a hundred cases; the Dillon and William O'Brien have causes are the same-impure bloodbeen arrested for breach of the Crimes and that's why "Golden Medical Dis-Act. It seems a pity to be making covery" cures ninety-nine out of every heroes of these worthy gentlemen, hunared. You may be the exception. who now pose as martyrs and declare And you may not. But would you rather be the exception, or would you rather be well? If you're the exception it costs you nothing, you get your money back---but suppose it cures you? Let the "Golden Medical Discovery" take the risk.

FOR OVER FIFTY YEARS.

MRS. WINSLOW'S SOOTHING SYRUP has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is ed the lawyer, in his indignation, "if | the best remedy for Diarrhoea. It will that decision is law, I will burn every book in my library." "Better read them," was the laconic comment. relieve the poor little sufferer immediately. Sold by Druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

How Can I Get Rid

of my tormenting corns; get rid of them without pain; get rid of them quickly and effectually, without possibility of return? The answer is, use Putnam's Painless Corn and Wart Cure, the great corn cure. Always sure, safe and painless. Putnam's Extractor. Use it and no other .-Frauds are in the market. Don't run the risk of ruining your feet with such applications.
