COFFEE DRINKERS. - The United States is without doubt a nation of coffee drinkers. The imports from South America amount to over 525,-000,000 pounds annually, of which sixty-nine per cent. comes from try averages ten cents and a fraction a begins with 1870, when 180,000,000 pounds were shipped to the United States. High water mark was reached in 1885, with 400,000,000 pounds of shipments. One large item of expense in Brazil is to get the coffee to market. Freight charges as high as fourteen cents a ton a mile have been oaid, which from a distant plantation to Rio Janeiro means from \$1.75 to \$2.50 a sack. The highest charge from Rio to New York is sixty-five \$2.50 a sack. The highest charge from Rio to New York is sixty-five cents a bag.

THE PASTOR'S HELP. - The pastor rejoices over those members that can be depended upon. We suppose the Lord delights in such too. Some most excellent persons count for little one dollar per barrel for bait, and no in church work because they are not reliable. They are usually present. They are frequently excellent help in the Sunday school or prayer meeting. But one cannot depend upon him. Novelties. They are afraid of snow or rain; they must sometimes visit with their friends; they have moods and do not always feel like being faithful, and so they are not. Goodness is not fidelity. "Be thou faithful."-Free Baptist.
