

strong to support the cause of God, for He has given them a goodly heritage. The farms are broad and well cultivated and there is unmistakable evidences of thrift and progress. As soon as Bro. McNinch closed his special meetings at Mount Pleasant he commenced work at Rockland, and again I was called to baptize. I spent a week with him and baptized six, and others will likely be baptized soon. Our young brother has done good work on his pasture, and my heart was made glad at his success, and I thanked God many times in those meetings, as I do now, that He has called him to the work of the ministry. The number baptized in those two churches gives but little idea of the depths and strength of the work. Many who had been wanderers for years were brought back, many, I have no doubt, to wander no more who shall be faithful to the end.

I have no doubt that Bro. Read would have seen revival but he has not been able to engage in special work, and is now unable to fill his appointments. Let the brethren who read this pray that God may spare him to labour for Him many years to come. He gives promise of proving an efficient workman, and God wants him, for the labourers are all too few for the work to be done. Help these young men and all the young men in the ministry, members of churches, by your sympathy, prayers and counsel, and, by the blessing of God, you will make strong men of those who are with you in "trembling and weakness." I shall never forget how brothers Noble and Weyman and others, some of whom are now in heaven, helped me, and I want to repay them by helping these young men whom I love as brothers.

I was made glad a few weeks ago on a hurried visit to Sussex to see a new sainted brother, to hear of the success of Bro. F. C. Hartley in my old field. I was sorry not to meet him as he was away, but everywhere I heard words that would cheer him could he hear them, and I thanked God for his success. God bless the young men, and may He give us others before the year shall close, is my earnest prayer.

Last Sabbath I exchanged with Bro. Foster of Presque Isle, Me. The congregations enjoyed his sermons very much, and I enjoyed my visit. Under Bro. Foster's labours the church there is prospering. They have a beautiful church building and the congregations are the largest in town. As a Provincialist, I received a hearty welcome as there are nearly as many provincialists there, as there are Yankees. My host was a former resident of Lower Brighton, a son of the late Gilbert Brown, and my stay there was a very pleasant one. Sabbath evening I went to tea with Bro. Parks, who has a beautiful home just on the edge of the town. He and Bro. Young (Baptist) of Cariboo assisted me in the services.

Just as I was going into church I was handed a telegram telling me of the death of Mr. Z. I. Currie. I do not know when I received such a shock as I had travelled with him on the train the day before, and had talked with him until I left the train. Of what did we talk? How I asked myself the question as I realized that I had talked with him for the last time on earth at least. God grant that our conversation may be in Him, since life is so uncertain.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhoea, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's SOOTHING SYRUP," and take no other kind.

For nearly half a century Ayer's Cherry Pectoral has been the most popular cough remedy in the world. The constantly increasing demand for this remedy proves it to be the very best specific for colds, coughs, and all diseases of the throat and lungs.

After suffering horribly for years from scrofula in its worst form, a young son of Mr. R. L. King, 706 Franklin St., Richmond, Va., was recently cured by the use of Ayer's Sarsaparilla. No other medicine can approach this preparation as a cleanser of the blood.

Rev. J. B. Huff, Florence, writes: "I have good pleasure in testifying to the good effects which I have experienced from the use of Northrop & Lyman's Vegetable Discovery for Dyspepsia. For several years nearly all kinds of foods fermented on my stomach, so that after eating I had very distressing sensations, but from the time I commenced the use of the Vegetable Discovery I obtained relief."

COMING EVENTS.
Coming consumption is foreshadowed by a hacking cough, night sweats, pain in the chest, etc. Arrest its progress at once by taking Hagar's Pectoral Balm, which never fails to cure coughs, colds, bronchitis, hoarseness, etc., and even in confirmed consumption affords grateful relief.

HOW DYSPEPSIA IS CURED.

I suffered from dyspepsia, and was weak and miserable with what the doctor said was nervous debility. Seeing Burdock Blood Bitters advertised I tried it, and after taking three bottles feel perfectly restored to health.

Mrs. J. H. SNIDER, Kleinburg, Ont.

C. C. Jacobs, Buffalo, an employee of the U. S. Express Co., says:—Dr. Thomas' Electric Oil cured him of a bad case of Piles of 8 years standing, having tried almost every known remedy, "besides two Buffalo Physicians," without relief; but the Oil cured him; he thinks it cannot be recommended too highly.

A BOUQUET of enchanting sweetness—"Lotus of the Nile" perfume.

WORTH TRYING.

Do not be discouraged because other remedies have failed you. Mr. Hugh Ryan says:—For Cold in the Head and Catarrh, Nasal Balm is the best remedy I ever tried, and I have tried many.

LEFT A LEGACY.

LAST winter left a legacy of impure blood to many people causing tired feelings, lack of energy, indigestion, constipation, biliousness, etc. From 1 to 4 bottles of Burdock Blood Bitters never fails to cure any of the foregoing diseases by unlocking the secretions and removing all impurities from the system.

"MAUD'S" CONDITION POWDER is a capital thing to mix in food for Poultry.
