may not cure "right off" a complaint of

years; persist until a cure is effected. As a

general rule, improvement follows shortly

after beginning the use of this medicine.

With many people, the effect is immediately

noticeable; but some constitutions are less

susceptible to medicinal influences than others, and the curative process may, there-

fore, in such cases, be less prompt. Perse-

verance in using this remedy is sure of its

reward at last. Sooner or later, the most
