Neglected then, and courted now. elf-respect leaves Jones but one course—to look elsewhere for the reigion whose base counterfeit he so easily detects and so wholly despises. Jones' case is particularly aggravated by the fact of his former notable iberality. Did he not put fifty thousand dollars into the "Church of the Golden Lilies?" Give large sums to

the college? Make up the deficiency in the current expenses? And give the pastor a fat vacation-purse year by Lands for September says : Since darkness came, only when the dead required his services had his

pastor crossed his threshold. The hurch had forgotten him. Those who took interest in him were outsiders. Is it any wonder that Jones grew sad and thoughtful ?

Brother pastor, brother Christian, it is manhood, not wealth, you are to cultivate. It is the poor to whom the gospel is to be preached. It is the one alent you are to trade with and be ustified by, or by its burial and neglect to be judged and condemned.

Mission News and Notes.

DURING the last four years seventynine English university men have ecome missionaries.

THE BIBLE has now been translated into sixty-six of the languages and dialects of Africa.

THE CHRISTIAN Post-office Association of England has undertaken to support a native evangelist at Lucknow, India, to work among the Hindu and Mohammedan letter carries of that

ONE OF THE most remarkable works of grace known in foreign missions is that among the Coreans. Without piles. having heard or seen a missionary, thousands have become believers in Christ. This is the fruit of the circulation of copies of the New Testament by a Scottish Missionary in Manchuria.

A KIND OF INFLUENZA typhoid has broken out in the Moravian mission veteran Redslok and the medical missionary have died. The third, a young Englishman who went out last year is recovering, but he is ignorant of the language, and has the whole care of the families of his associates as well as the work of the station.

THE ENTERPRISING Swedish Missionfrontier. The deputation made a prolonged journey in Central Asia, and on their return home advised the society to extend its operations into that interesting and hitherto neglected territory. A party of missionaries is now being equipped for work in Kashgar, Yarkend, and Aksu, cities of Chinese Turkestan.

IN SOUTH INDIA the native Christians are only a fortieth of the populaempire. Even the Hindu newspaper | remarks : acknowledges that this community "in politics, industry, and the domestic to the educational progress of the and civic virtues, has special advant- native Christian community. There can ages enabling it to set an example to the Hindus." The conclusion is that pursues with steadiness the present Christianity has already made a firm immense advantage it possesses in the lodgment among the natives of India, way of educational institutions in the and that it both possesses inherent course of a generation it will have strength, and is favoured by outward all the great professions, and possibly, circumstances for making a much too, in the industrial enterprise of the has hitherto done in the past.

across Central Africa has been fitted native Christians." out under the direction of Dr. Johnston, of Huntly, Scotland, who was a medical missionary for sixteen years in Jamaica, where he established a successful mission. Among its fruits is a band of well-trained negro evangelists, who will accompany him. These he Africa, thirteen. will station at different points on his help the white missionaries of various organized. denominations already in the field. committee in Canada, who will defray | Oregon. all the expenses except Dr. Johnston's outlays, which he will provide for himself.

to Persia," says a correspondent, "and out seeing flour, subsisting on shell Mr. La Costa, who has been appointed you will find the splendid court at fish and similar food.

his pastor's and brethren's presence Tabriz extending its rich and dainty describe the condition of women in tions. Oriental countries: "Unwelcome at birth; untaught in childhood; uncherished in widowhood; unprotected! in old age; unlamented when dead.'

consecration to mission work are not | the society, and have not been reckonpast. Five day's travel into the interior of the Himalaya Mountains ed among the 17,000 societies that now brings you to the home of Miss Annie | exist. Budden, of the Woman's Missionary Society, who at present has large responsibility for the work of the parent Board in the same place. She is alone with her helpers a five day's the Church of Scotland, and 1,575 in hard journey away from other Europeans. Here she has her "Women's Home" for secured mountain women, her girl's boarding school with a roll of or more than one church for each 1, sixty Christian girls, and her busy 000 of the population. farm work for raising a good part of the food used by her people. In the surrounding villages ten schools are siastic reception at Cape Town. He is kept up, and Miss Budden often visits | the guest of Sir J. Gordon Sprigg, them. A central school of one hundred and fifty boys is kept up, the mountain church is crowded each Sabbath, the Sunday school is large, boy's boarding school now growing up, and soon these lads, grown up and married to the girl's of the boarding school, will be the Gospel workers of this part of the mountain. These secluded mountain people love Miss Budden. Her mission home is a demore abundantly on the mission home away in the depths of these mountain

More THAN ANY other cause, the influence of Christian missions in India is telling powerfully against the power of caste. Christianity and caste are diametrically opposed, and in the rapid decay of the root principle of the Hindu social state we may look for an station at Leh, in the Himalayas, and immediate increased spread of the two of the three missionaries, the Gospel. It is all right to acknowledge the beneficent power of English governmental influence and example; but influence felt. The way in which the Hindu priests and journalists are acting shows how genuine is their alarm. Caste feels itself to be undermined. It is bracing itself up now against Chrisary Society are to be congratulated on | tian effort, founding Hindu high having broken new ground in the mis- schools, denouncing zenana missions, sion-field. About four months ago forming Hindu tract societies of a they deputed two of their staff to visit, singular virulence. It is common Central Asia to report on the possibil- enough for caste Hindus to be found ity of beginning mission work in the canvassing the possibilities of a general Chinese territory from the western movement from Hinduism over to Christianity.

Progress.—The Presbyterian Messenger thus indicates progress in India: English opinion is powerfully affecting Hindu views. Hindus now submit to the abolition of widow burning, female infanticide, and child-marriage. Special eminent Brahmin gentlemen. Fifty educated Brahmins at Poona met and ate food prepared by a Christiantion as yet; but more than 8 per cent. doing this as a protest against caste of the students attending college and exclusiveness. The communal system of the undergraduates of the university | is gradually giving way. Lord Lansare native Christians. The political downe has intimated that where Hindu bearing of this from the Government religion plainly transgresses morality point of view is evident. The next the religion must give way. In ten generation of ruling men in India will | years the increase of Hindus and Mohave a supply of highly loyal and hammedans was 101 per cent: the trained native Christians from which increase of Christians was 86 per cent. to draw for the ordinary ranks of the Native Christians are anxious to belocal services, as well as for help in come educated. The Director of any crisis which may come upon the Public Instruction in his latest report

"I have frequently drawn attention be no question that if this community policy of its teachers, that with the secured a preponderating position in greater progress in the future than it country-in the latter because no section of the community has entered
