

A little later, at table, I was pleased and surprised to notice sitting opposite me, two brethren who had on different occasions preached in N. S. on the same ground where I was at that time teaching. We talked of the work there. They had many good things to say of many good people. Bro. Bowie said, Bro. Ring is one of the very best S. S. workers I ever knew.

I must tell you dear INTELLIGENCER that you were not forgotten. A Bro. who sat near said, "It is the sweetest one of all my religious papers. I always read it." And many other kind things he had to say about you. But I did not mean that this should be a long letter—just a few words that seem to come to me this evening because—well, perhaps, I have lived so much in the past to-day, that I feel a pride more than usual like talking with the dear friends at home.

R. AMELIA PORTER.
Lewiston, Me., Mar. 3rd.

Revival Notes.

—At Mount Vernon, N. Y. evangelistic meetings, conducted by Rev. Mr. Munhall, have been greatly blessed. Four hundred have publicly professed faith in Christ, and many others have expressed desire to begin the christian life.

—In Bolingbroke, Ont., a marked revival is in progress. One report says that many who have been enemies for years have been reconciled, and others, with awakened conscience, have returned money and other things dishonestly obtained. Making restitution is a sign of grace.

—In Brooklyn, Conn., and other places in that state, evangelist Headley has held successful meetings. There has been much quickening of spiritual life, and a large number of conversions.

Rev. F. D. Crawley, pastor of the Baptist church, this city, baptized four converts last Sabbath.

Denominational News.

BOUNDARY LINE, C. Co.—Rev. A. C. Thompson has been suffering from influenza, but has kept at work. The meetings at Boundary Line are continued, and the interest is good.

REV. JOS. NOBLE, we are sorry to hear, is sick. A Post Card, dated St. John, March 11th, says:

"I have been here a week, ill with LaGrippe. I have a good home with kind friends and a good doctor to attend me, but am not improving much. I am hoping, though, to get well enough to go home next week. I am not now suffering any pain, but am exceedingly weak."

Many prayers will be offered that this venerable servant of God may be restored to health.

GIBSON.—Rev. J. T. Parsons is holding special meetings at Gibson. There is a good and increasing interest.

REV. EDWIN CROWELL and wife wish to express thanks to the Free Baptist S. School of Port LaTour for their handsome and timely gifts some time since.

ADVOCATE, N. S.—The Free Baptist church at Advocate is ready for plastering. The ceiling of the church is in the form of a half dome, the upper side being oak, the adjacent sides mahogany, and the lower sides walnut. Ash pews have been procured from St. John for the church.—Cor. Sun.

HALL'S HARBOR, N. S.—Special meetings were continued at Hall's Harbor during six weeks in spite of bad weather and roads, sickness, and a singing school running four nights in the week. The number attending was, of course, usually small, but we enjoyed many unusually good meetings. Five persons gave evidence of conversion, and four were added to the church by baptism on the last Sabbath in February. Praise the Lord, for "increase."

Last evening, March 8th, quite a number of friends assembled in the Division Room, in Canning and after sandwiches and coffee, served by the ladies, Bro. Leander Cox, in behalf of the friends present, presented me with \$31.25 in cash and sufficient groceries to make up about \$45. For this very generous, genuine donation, I heartily thank the people and Him from whom comes "every good gift and every perfect gift."

GEO. A. DOWNEY.
Canning, Mar. 9th, '92.

FROM REV. J. W. FREEMAN.—After closing special meetings at Brooklyn, I held some at Little River, until compelled by sickness in the community to give them up. For years there had not been so many sick in the place. I am glad to say nearly all are better now. I was sorry to close the meetings, as a number of new ones had started in christian life. It is hoped, however, they will continue and go forward in all our Lord's commands. We again take pleasure in thanking the friends of Plymouth for their gen-

erous acts of kindness. On the first of this month, a number of the male members of the congregation came, one afternoon and cut our firewood, which had previously been hauled by kind friends. The ladies also came towards the close of the afternoon, with a bountiful supply and provided a good tea. After all had partaken, we found we had much more than when they came. Music, vocal and instrumental, filled up the time until Deacon Robert Sims, in behalf of the F. B. Church of Plymouth and congregation, in a few well-chosen remarks presented to Mrs. Freeman a handsome music rack, and to myself a very suitable fur cap. To all of them, we tendered our warmest thanks.

J. W. FREEMAN.

PERSONAL.—The many friends of Mrs. Taylor, widow of the late Rev. A. Taylor, will learn with sadness and with sympathy for her, of the bereavement she has recently suffered in the death of her daughter, as recorded in another column.

The University of Edinburgh has conferred the degree of L. L. D. on Sir Chas. Tupper.

Hon. Alex. McKenzie, who was thought to be improving, is again seriously ill.

OF MINISTERS.—Rev. G. W. Schurman (Baptist), Petitediac, has resigned.

Rev. S. Howard (Methodist) of Centerville, C. Co., has been invited to succeed Rev. C. H. Paisley, whose term at Hampton expires this year.

C. T. A. NOTES.—E. M. Nichols, proprietor of Queen Hotel, Yarmouth, N. S., has been sent to jail for two months for rumselling.

POULTRY TRADE.—Few people have any idea of the value of the poultry trade. It is stated that the poultry and poultry products of the United States exceed in value the wheat crop and the cotton crop by several millions of dollars.

ONTARIO SCHOOLS.—The report of the Education Department of Ontario shows that there are 5,768 school-houses in the province. Sixty-six per cent. of the schools use the authorized scripture readings, and 97 per cent. are opened and closed with prayer. The number of separate schools has increased from 175 to 259 in the past fourteen years. Of the entire teaching staff throughout the province 67 per cent. are women. The highest average of salaries to male teachers in any county is \$447 and the lowest \$200. Women teachers receive on an average \$334 each in Essex, and \$204 in Haliburton, these being the highest and lowest county averages. Attendance last year 496,000.

W. C. T. U.—Mrs. Mary H. Hunt, National and World's Superintendent of Scientific Temperance Instruction, is about to make a tour of the Maritime Provinces in the interests of this important department of temperance work. Mrs. Hunt is expected to arrive in Fredericton on the 24th inst. Dates of lectures will be given next week. Any Unions desiring a lecture from Mrs. Hunt not having already arranged for it, will please communicate at once with Mrs. R. A. B. Phillips, Maritime Supt. S. T. I., Fredericton, N. B.

SUNDRIES.—The moon moves 333 feet per second. . . . The longest railway bridge span in America is that at Poughkeepsie, N. Y., which is 548 feet. . . . It costs \$1,500 to cover the Egyptian obelisk with paraffine every time it is found to be yielding to the destructive effects of our climate. . . . The human heart in a lifetime of eighty years beats 300,000,000 times. Careful measurement has developed the fact that the pouch of the pelican will hold six gallons. . . . Georgia has a law that if a doctor is once convicted of being drunk he cannot practice medicine any more in that State. . . . 850,000 tons of Coffee are consumed annually over the world. . . . The annual production of sawed lumber in the United States would load a train of cars 25,000 miles long. . . . Dr. Peters, the German explorer, is said to have discovered a vast field of saltpetre at Mt. Kilmandjaro, Eastern Africa. . . . Twenty-nine acres of glass are to be used in the roofs of the exhibition buildings at Chicago. The thickness of the glass is to be uniform.—viz.; three-sixteenths of an inch.

FOR OVER FIFTY YEARS.

MRS. WINSLOW'S SOOTHING SYRUP has been used for over fifty years by millions of mothers for their children while teething, with perfect success. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for Diarrhoea. It will relieve the poor little sufferer immediately. Sold by druggists in every part of the world. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

A Saratoga Co. Miracle.

Helpless for years and excluded from Hospitals as incurable.

THE REMARKABLE EXPERIENCE OF CHAS. QUANT AS INVESTIGATED BY AN ALBANY (N. Y.) JOURNAL REPORTER—A STORY OF SURPASSING INTEREST.

Albany, N. Y., Journal, March 4th.

SARATOGA, March 4th.—For some time past there have been reports here and elsewhere in Saratoga county of a most remarkable—indeed, so remarkable as to be miraculous—cure of a most severe case of locomotor ataxia, or creeping paralysis, simply by the use of a popular remedy known as "Pink Pills for Pale People," prepared and put up by the Dr. Williams Medicine Company, Morristown, N. Y. and Brooklyn, Ont. The story was to the effect that Mr. Chas. A. Quant, of Galway, who for the last six or eight years has been a great sufferer from creeping paralysis and its attendant ills, and who had become utterly powerless of all self-help, had, by the use of a few boxes of the Pink Pills for Pale People, been so fully restored to health as to be able to walk about the street without the aid of crutches. The fame of this wonderful, miraculous cure was so great that the Evening Journal reporter thought it worth his while to go to Galway to call on Mr. Quant, to learn from his lips, and from the observation and testimony of his neighbors, if his alleged cure was a fact or only an unfounded rumor. And so, he drove to Galway and spent a day and a night there in visiting Mr. Quant, getting his story and interviewing his neighbors and fellow-townsmen. It may be proper to say that Galway is a pretty little village of about 400 people, delightfully located near the centre of the town of Galway, in Saratoga county, and about 17 miles from Saratoga Springs. Upon inquiry, the residence of Mr. Charles A. Quant was easily found, for everybody seemed to know him, speak well of him and to be overflowing with surprise and satisfaction at his wonderful cure and restoration to the activities of enterprising citizenship, for Mr. Quant was born in Galway and had spent most of his life there. Mr. Quant was found at his pretty home, on a pleasant street nearly opposite the academy. In response to a knock at the door it was opened by a man who, in reply to an inquiry if Mr. Quant lived there and was at home, said: "I am Mr. Quant. Will you come in?" After a little general and preliminary conversation, and after he had been apprised of the object for which the Journal reporter had called upon him, he, at request, told the story of himself and of his sickness, and terrible sufferings and of the ineffectual treatment he had had, and of his final cure by the use of Dr. Williams' Pink Pills for Pale People, and cheerfully gave assent to its use for publication. He said: "My name is Charles A. Quant. I am 37 years old. I was born in the village of Galway, and, excepting, while travelling on business and a little while in Amsterdam, have spent my whole life here. My wife is a native of Ontario. Up to about eight years ago I had never been sick and was then in perfect health. I was fully six feet tall, weighed 180 pounds and was very strong. For twelve years I was a traveling salesman for a piano and organ company and had to do, or at least did, a great deal of heavy lifting, got my meals very irregularly and slept in enough 'spare beds' in country houses to freeze any ordinary man to death, or at least give him the rheumatism. About eight years ago I began to feel distress in my stomach and consulted several doctors about it. They all said it was dyspepsia, and for dyspepsia I was treated by various doctors in different places and took all the patient medicines I could hear of that claimed to be a cure for dyspepsia. But I continued to grow gradually worse for four years. Then I began to have pain in my back and legs and became conscious that my legs were getting weak and my step unsteady, and then I staggered when I walked. Having received no benefit from the use of patient medicines, and feeling that I was constantly growing worse, I then, upon advice, began the use of electric belts, pads and all the many different kinds of electric appliances I could hear of, and spent hundreds of dollars for them, but they did me no good. (Here Mr. Quant showed the Journal reporter an electric suit of underwear for which he paid \$124.) In the fall of 1888 the doctors advised a change of climate, so I went to Atlantic, Ga., and acted as agent for the Esley Organ Company. While there I took a thorough electric treatment, but it only seemed to aggravate my disease, and the only relief I could get from the sharp and distressing pains was to take morphine. The pain was so intense at times that it seemed as though I could not stand it, and I almost longed for death as the only certain relief. In September of 1888 my legs gave out entirely and my left eye was drawn to one side, so that I had double sight and was dizzy. My trouble so affected my whole nervous system that I had to give up business. Then I returned to New York and went to the Roosevelt hospital, where for four months I was treated by specialists and they pronounced my case locomotor ataxia and incurable. After I had been under treatment by Pro. Starr and Dr. Ware for four months, they told me they had done all they could for me. Then I went to the New York hospital on Fifteenth street, where, upon examination, they said I was incurable and would not take me in. At the Presbyterian hospital they examined me and told me the same thing. In March, 1890, I was taken to St. Peter's hospital in Albany, where Prof. H. H. Hunt frankly told my wife my case was hopeless; that he could do nothing for me and that she had better take me back home and save my money. But I wanted to make a trial of Prof. Hunt's

famous skill and I remained under his treatment, for nine weeks, but secured no benefit. All this time I had been growing worse. I had become entirely paralyzed from my waist down and had partly lost control of my hands. The pain was terrible; my legs felt as though they were freezing and my stomach would not retain food, and I fell away to 120 pounds. In the Albany hospital they put 17 big burns on my back one day with red hot irons and after a few days they put 14 more burns on and treated me with electricity, but I got worse rather than better; lost control of my bowels and water, and upon advice from the doctor, who said there was no hope for me, I was brought home, where it was thought that death would soon come to relieve me of my sufferings. Last September, while in this helpless and suffering condition, a friend of mine in Hamilton, Ont., called my attention to the statement of one John Marshall, whose case had been similar to my own, and who had been cured by the use of Dr. Williams' Pink Pills for Pale People.

In this case Mr. Marshall, who is a prominent member of the Royal Templars of Temperance, had after four years of constant treatment by the most eminent Canadian physicians been pronounced incurable, and was paid the \$1000 total disability claim allowed by the order in such cases. Some months after Mr. Marshall began a course of treatment with Dr. Williams' Pink Pills, and after taking some 15 boxes was fully restored to health.

I thought I would try them and my wife sent for two boxes of the pills and I took them according to the directions given on the wrapper on each box. For the first few days the cold baths were pretty severe, as I was so very weak, but I continued to follow instructions as to taking the pills and treatment, and even before I had used up the two boxes of pills I began to feel beneficial effects from them. My pains were not so bad; I felt warmer; my head felt better; my food began to relish and agree with me; I could straighten up; the feeling began to come back into my limbs; I began to be able to get about on crutches; my eye came back again as good as ever, and now after the use of eight boxes of the pills—at a cost of only \$4.00—see—I can walk the help of a cane and walk all about the house and yard can saw wood, and on pleasant days I walk down town. My stomach trouble is gone; I have gained ten pounds; I feel like a new man, and when the spring opens I expect to be able to renew my organ and piano agency. I cannot speak in too high terms of Dr. Williams' Pink Pills for Pale People, as I know they saved my life after all the doctors had given me up as incurable."

Other citizens of Galway, seeing the wonderful cure of Mr. Quant by the Pink Pills for Pale People, are using them. Frederick Sexton, a sufferer from rheumatism, said he was finding great benefit from their use, and Mr. Schultz, who had suffered from chronic dysentery for years, said he had taken two boxes of the pills and was already cured.

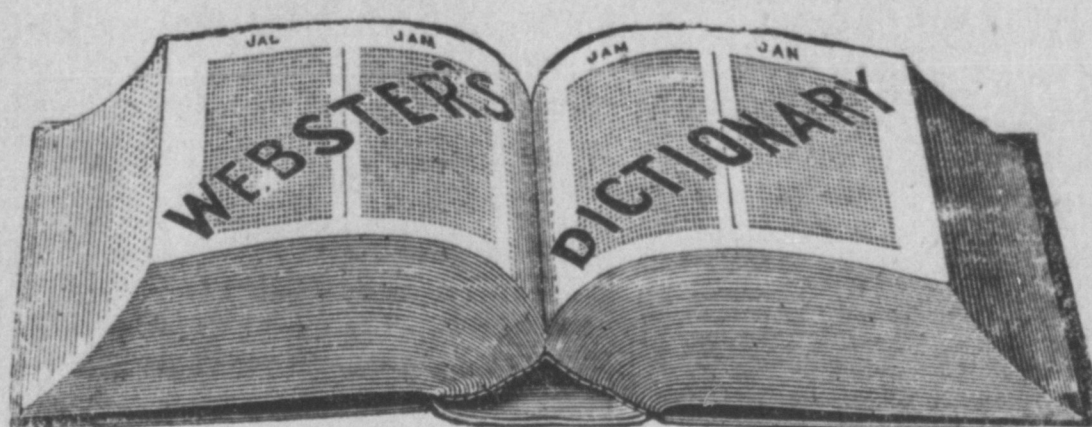

Mr. Quant had also tried Faith cure, with experts of that treatment in Albany and Greenville, S. C., but with no beneficial results. A number of the more prominent citizens of Galway, as Rev. C. E. Herbert, of the Presbyterian church; Prof. James E. Kelly, principal of the academy; John P. and Harvey Crouch, and Frank and Edward Willard, merchants, and many others to whom Mr. Quant and his wife's cure by the use of Dr. Williams' Pink Pills for Pale People, are well known, were pleased to have the opportunity of bearing testimony to the high character of Mr. Quant, and of verifying the story of his recovery from the terrible affliction from which he had for so long a time been a sufferer.

Truly, the duty of the physician is not to save life, but to heal disease. The remarkable result from the use of Dr. Williams' Pink Pills in the case of Mr. Quant, induced the reporter to make further enquiries concerning them, and he ascertained that they are not a patent medicine in the sense in which that term is generally used, but a highly scientific preparation, the result of years of study and careful experiment. They have no rival as a blood builder and nerve restorer and have met with unparalleled success in the treatment of such diseases as paralysis, rheumatism, sciatica, St. Vitus' dance, palpitation of the heart, that tired feeling which affects so many, and all diseases depending upon a watery condition of the blood or shattered nerves.

Dr. Williams' Pink Pills are also a specific for troubles peculiar to females, such as suppressions, irregularities, and all forms of weakness. They build up the blood and restore the glow of health to pale or sallow cheeks. In the case of men they affect a radical cure in all cases arising from mental worry, over-work, or excesses of whatever nature. On further inquiry the writer found that these pills are manufactured by The Dr. Williams' Medicine Co., Brookville, Ont., and Morristown, N. Y., and are sold in boxes (never in bulk by the hundred) at 50 cents a box, or six boxes for \$2.50, and may be had of all druggists or direct by mail from Dr. Williams' Medicine Co., from either addresses. The price at which these pills are sold makes a course of treatment comparatively inexpensive as compared with other remedies, or medical treatment.

No other remedy for Pulmonary troubles combines so many good qualities, nor proves so generally efficacious as Pattnr's Emulsion. For sale by all medicine dealers, only 50 cts. for a large bottle. K. D. C. is "worth its weight in gold," "sells like hot cakes," "is all it is recommended," "an excellent remedy," and the "best dyspepsia cure ever offered to the public." See testimonials.

A GREAT BARGAIN!

THE GREAT 16 PAGE PAPER will be sent for one year with WEBSTER'S UNABRIDGED DICTIONARY, handsomely bound in sheep, complete, 1625 pages, over 1340 illustrations, for \$3.75. Over 500 sold already in combination with PROGRESS. Everyone delighted with the book. Address: EDWARD S. CARTER, Publisher, St. John, N. B.

The proof of the pudding is in the eating. K. D. C. has been tried and tested and has proved itself to be King of Medicines, the Greatest Cure of the Age, and the only Perfect Dyspepsia Cure in the market.

Marriages.

LAKE-BOSTWICK.—On the 7th inst., by Rev. J. W. Clarke, Mr. C. Cardwell Lake, of St. John, to Miss Winifred Bostwick of Wickham, Queens Co.

SHERWOOD SAUNDERS.—At the officiating minister's residence, St. John, on the 10th inst., by Rev. J. W. Clarke, Mr. Charles H. Sherwood to Miss Carrie Saunders, both of Pothessy, King's Co.

Deaths.

LAWSON.—At Grand Manan, Mary A., beloved wife of Mr. James Lawson, departed this life, Feb. 13th inst., trusting in the merits of Jesus, whom she loved, aged 47. La Grippe.

ROBERTSON.—Wm. Robertson died Feb. 26th, at his residence, aged 80. He was formerly of Lubec, Me., and by his own request conveyed to Lubec, Me., for interment. La Grippe.

BOONE.—At Tracey Station, S. Co., on the 7th inst., of consumption, Herbert P. Boone, aged 31 years and 3 mos. During his illness he earnestly sought the Saviour, and experienced the joy of pardoning love the peace that fills the soul through believing in the Son of God. He patiently waited for his change to come, anxiously listening for that voice which would bid him "Come up higher." Peaceful and quiet, he passed away to his eternal rest. He leaves a widowed mother, three brothers two sisters and a host of friends to mourn their loss. His funeral services were conducted by the writer, on the 9th inst.—G. W. FOSTER.

BURFEE.—At his residence, Florenceville, Feb. 25th, of paralysis, Stephen G. Burpee, Postmaster of Florenceville, aged 80 years and 4 months.

WEBB.—At Blissville, S. Co., March 7th, of consumption, Thoma Odour Webb, aged 65 years, leaving a wife and one daughter, together with a large circle of relatives and friends, to mourn their loss. Brother Webb was a member of Blissville Free Baptist Church and was respected by all who knew him. His life was one of suffering and was spent in his own home. He was a very quiet man and never meddled with other people's business. In his last sickness he spoke to the writer with confidence of his hope in Christ. May the Lord bless the lonely widow and daughter.—W. H. P.

WILSON.—At Barrington, N. S., Jan. 29th, of pneumonia, Capt. Israel Wilson, aged 64 years, leaving a wife, three sons, two daughters and other relatives to mourn their loss. He was a member of the 1st Barrington F. B. church.

HOPKINS.—At Lynn, Mass., March 6th Mary J., wife of Lewis Porter Esq., lately of Barrington, of diptheria in the year of her age. The deceased was daughter of Bro. John Hopkins of Barrington and a member of the First Barrington F. B. Church. She had been married but a few months, and the tidings, have caused wide spread sorrow.

COX.—At Canning, on the first inst., of consumption, Renwick E., son of Dea. Leander Cox, aged 32 yrs. This brother was beloved by all who knew him and the heartfelt sympathy of all acquainted with the sad event. Renwick came to Christ while in the United States last year and became a member of the Baptist church. He trusted fully in the Saviour and during his sickness was wonderfully sustained. He was entirely submissive and his confidence firm to the end. He was a young man of promise and the family feel the loss deeply, yet realize that for him it was gain. May the hope of reunion ever comfort them.

G. A. D.

WRIGHT.—At Mouth of Keswick, York Co., on the 26th ult., of heart failure, Mrs. Lucy Ann Wright, beloved wife of Mr. James Wright, and eldest daughter of Deacon Moses Yerxa, in the 41st year of her age. She leaves a husband, eight children, aged parents and a very large circle of friends, to mourn her early death. Sister Wright professed religion when quite young, and was baptized by the Rev. G. A. Hartly and united with the F. C. B. church at Keswick, of which she continued a consistent and worthy member until her death. She was an amiable wife, and affectionate mother, a kind neighbour and a faithful friend. She was especially ready and active in every good work that contributed to the support of her pastor and the church, and the pastor and church have by her death, lost one of their very best friends. Her funeral was attended by a very large concourse of people, all of whom seemed to deeply sympathize with the bereft. The services were conducted by the Rev. Wm. Downey assisted by Rev. Mr. Irvine (Baptist)—CON.

STEEL SINKS.
