THE PRAYER OF THE PEN ITENT.-Pe. 51:1-13. GOLDEN TEXT. - Create in me a cleun heart O God, and renew within

me a right spirit -Ps. 51:10. THE SIN AND CRIME. David had committed the two greatest sins against God, and crimes against man which one can commit against another, adultery and murder. It was a sudden and unexpected assault of temptation, contrary to the whole trend of David's life and common root. Is ever before me. That is, my sin plagues me, gives character. The sin was so black because of its contrast with the preme no rest, no peace. Against thee, thee only, have I sinned. The word vious life and character of David. It is the story of a fall, swift and horrible, from the "holy hill of God into the very swallowed up in that. Face to face abyss of Satan." Moreover, it was the sin of one who was living amid special advantages and peculiar light and blessings from God. The sin of one who was living amid special advantages and peculiar light and blessings from God. The great sin of David is not to be excused.

For a year David made no public acknowledgment of his sin. But we learn from the 32d Psalm that all was not peace within. "When I kept silence my bones waxed old through my roaring all the day ong

David was brought to realize his guilt, to repent, and confess his sin by the prophet Nathan and his parable. The world often considers those blest who are shrewd enough not to be found out in their sin But the Lord knows that often discovery is the best possible thing for the sinner. THE FRUITS OF FORGIVEN SIN AND Harsh purgative remedies are fast giving way to the gentle action and mild effects of Carter's Little Liver Pills. If you try them, they will certainly please you.

> Many rise in the morning with a headache and no inclination for breakfast. This is due to torpidity of the liver and a deranged condition of the stomach. To restore healthy action to these organs, nothing is so efficacious as an occasional dose of Ayer's Pills.

Dollars, which might otherwise be thrown away by resorting to ineffectual medicines, are saved by purchasing that inexpensive specific for bodily pain and remedy for affections of the throat, lungs, stomach, liver and bowels, Dr. Thomas' Eclectric Oil, which does not deteriorate, and is thorough and pure.

As the name indicates, Hall's Vegetable Sicilian Hair Renewer is a renewer of the hair, including its growth, health, youthful color, and beauty. It will please you.

Mrs. Jane Vansickle, Alberton Ont. was cured of liver complaint, after years of suffering, by using five bottles of B. B. B. She recommends it.
