### News of the Week.

#### New Brunswick

The post offices at Abouggoggin road, Westmorland county, and at Green point station, York county, have been closed.

Mr. Peter Davis, of St. George, occupied most of his time Christmas day in ploughing, and found the ground almost as easy as in summer.

At the semi-annual meeting of Sunbury county council, Geo. A. Perley was elected warden, and Jas. S. White, ex-sheriff, secretary-treasurer defeated Chas. E. Duffy, formerly secretary-treasurer.

There is an agitation in favour of the erection of a combined railway and foot bridge across the Petitcodiac river at Moncton, instead of rebuilding the structure blown down in the recent gale. The scheme has not assumed definite shape as yet, no company or persons having offered to construct the proposed bridge or make the connection with the Albert railway, which would be necessary. The Albert railway is six or seven miles distant at the nearest point, and the construction of a branch line would be necessary.

The proof of the pudding is in the eating. K. D. C. has been tried and tested and has proved itself to be King of Medicines, the Greatest Cure of the Age, and the only Perfect Dyspepsia Cure in the market.

During the month of December the deposits in the Savings Bank, New Brunswick branch, exceeded the withdrawals \$3,954.40. The deposits were \$69,737.00, and the withdrawals \$65,782.60.

Joseph Ferris, fireman of the river tug Wellman, while attempting to board the tug at Eastport fell from the wharf to the deck of the Wellman, a distance of thirty feet. His collar bone was broken and he sustained other injuries.

Mr. J. B. Belyea was assaulted in Hampton, a few nights ago, by several men. He was quite badly beaten. The windows of his house were broken with stones and besmeared with bad eggs the same night.

Mr. E. Hutchinson has presented the school trustees of Douglastown with a piece of land for school purposes and \$1,500 to build a school house on it.

A new office, that of stenographer and typewriter to the Post Office Inspector, has been created. It is understood that Miss Ervin of Carleton, has received the appointment.

A nine year old boy named Walter Quinn of Fort Howe, while driving along Acadia street on a load of wood had his leg broken above the knee.

Emmolient means softening. This is the action Dr. Kendrick's White Liniment has on swellings of all kinds on man or beast. Try it.

Mrs. John Howie of Hanwell Settlement, dropped dead Sunday morning, from congestion of the brain, while attending service there.

The last Royal Gazette contains a list of the registered dentists of this province, showing 35 members in this profession authorized to practice.

Ralph Lewis, son of James Lewis, was drowned while skating on Long Marsh Creek, Albert Co., New Year's day.

The American bobbin, spool and shuttle company have purchased the Miramichi and Piccadilly and are fitting them up. This company owns upwards of twenty-five miles in the United States.

Springfield, Kings Co., has lost its oldest resident, Mr. Andrew Somerville. The deceased was born in Perthshire, Scotland, July 13th, 1787. He lived there 29 years, then in 1816 with his family came to America and lived four years on Grand Manan Island. In 1820 he moved to West Scotch Settlement, Kings Co. He purchased a farm and lived there the remaining 71 years of his life. He died on December 26 at the advanced age of 104 years, 5 months and 13 days.

Geo. Hatt & Sons of Fredericton shipped two tons of turkeys for Calgary on a special order.

A young man named Wilson, belonging to Woodland, employed at Mr. Saunders' lumber camp on Little Dugan, dropped dead while walking across the floor of the camp on Wednesday night.

A telegram received from Grand Manan yesterday stated that the ferrying had struck in there and that a ferry had been made.

#### Look Here.

Do you feel blue and despondent? Do pains rack and tear away at nerve and muscle, and have you been disappointed in finding a remedy that will afford certain and speedy relief? If so, go at once to any drug store and buy a bottle of Polson's Nerviline. Polson's Nerviline never fails to relieve neuralgia, cramps, headache, rheumatism, and all internal or external pains. J. B. Carman, druggist, Morrisburg, writes: "All the parties I supply speak very favorably of N. riline, and always purchase a second lot." Polson's Nerviline is sold in bottles at 25 cents—by all druggists and country dealers everywhere.

#### Nova Scotia.

A. B. Morine has been nominated as the Government candidate in Queens Co.

In Amherst, Thursday, John McKenna was sentenced to five years in the Penitentiary for stealing a horse and carriage; and to two years for stealing jewelry. He is the same man who was charged with stealing a horse in Fredericton a few weeks ago.

The writ for a new election in Victoria county, N. S., has been issued. Nomination takes place on the 19th January, and polling on 26th.

Alexander Nelson, lumber dealer of Bridgewater, N. S., has assigned with liabilities at \$60,000.

Halifax retail grocers are going in for what they call an early closing movement. They propose to shut up every evening in the week, except Friday and Saturday, at eight o'clock.

A man named Henry Ross was discovered on Saturday night last week lying in a drunken sleep across the track on the I. C. R., near Amherst. He has been rescued from the same position several times.

The shipments of coal from Cape Breton in 1891 reached one million tons, the largest in the history of the island.

John W. McDonald, while chopping in the woods near Pictou, was killed by a falling tree.

The insurance policies of the Meteghan Lumber company expired at midnight on the 1st and were not renewed. Four hours later the mills were destroyed by fire.

An aged couple named Edward Lawrence and wife, residing at Manchester, Guysboro county, died within an hour of each other.

Can Dyspepsia be cured? Yes! K. D. C. is a positive cure. "A safe cure," "a complete cure," "a marvelous cure," "the best cure," and a guaranteed cure.

George E. Forsyth & Co., Halifax, commission merchants, have suspended payment. Liabilities are said to be heavy.

The will of the late J. W. Turner, Dartmouth, leaves \$400 to the dispensary; \$400 to the Sailors' Home; \$1,000 to beautifying Dartmouth common; \$1,500 to Christ Church, Dartmouth.

Amherst is to have a new academy building costing \$25,000. It will contain eleven departments, a laboratory, a library room, museums, and an assembly hall.

John Robb, one of the firm of the Oxford Manufacturing Co., and manager of their mills, dropped dead of heart disease, Thursday, while engaged in the mill.

At Halifax, the steamer Inchgarvie arrived from London Wednesday afternoon, after a very rough passage of 17 days, strong head gales and high seas being encountered the entire voyage. The steamer at one time was one hour on her beam ends, and while in that position part of her cargo shifted. The steamer Alcides, which sailed from Halifax for Glasgow, took about 4,000 tons of cargo, consisting of peas, barley, beans and hay. The cargo was valued at about \$74,000.

The Halifax Chronicle prints tabular statements showing the shipping tonnage. Last year 13 Nova Scotia ports showed an increase, and in the whole province there was an aggregate increase of 234 tons, while this year but 6 ports show an increase, viz: Barrington, Lunenburg, Maitland, Hantsboro, Sydney and Windsor, giving a total increase of 11,817 tons, as against a total shrinkage 12,558 tons in the other ports. Windsor still retains the lead in total tonnage in Nova Scotia ports, 134,695; and besides shows a substantial increase, 4,633; Yarmouth comes next with 98,956, notwithstanding it lost 4,783 tons during the year; Halifax stands third on the list with 56,975—it lost 3,593 tons. Halifax is ahead in the number of vessels registered, 818, Yarmouth coming next with 317, closely followed by Lunenburg, with 312.

Captain John R. Hire, of schooner "Lillian," says: "I was suffering with inflammation of the chest, brought on by exposure at sea. Took a good supply of Putner's Emulsion, which perfectly cured me. It has given me new set of lungs."

A large number of cases of la grippe are reported in Halifax, and the number suffering from coughs and colds is very large.

THEY MADE A MISTAKE. At Halifax the other day, a car of brick was loaded for Eureka, Pictou, and a car of whiskey for Toronto, Ont. By some mistake the cars were wrongly ticketed, and the Eureka iron company were surprised to receive a car of whiskey, while the other consignee at Toronto was equally surprised and much disgusted in receiving a car of dry brick.

Grip is very prevalent in Yarmouth. In some cases whole families are suffering from it. On Forest street, which numbers about 20 houses, nearly every family has been invaded by the disease, and Cliff and Parade streets have numerous cases.

There is some talk of forming a stock company in Hantsport, N. S., for the purpose of building a dry dock at that place. Hantsport offers splendid facilities for a work of this kind, and it would be of immense benefit to the ship owners if the scheme were consummated.—[Kentville Star.]

Frederick Renauld, an employee of the I. C. R., has been arrested, charged with wrecking a train on the Dartmouth Branch on Jan. 2. Renauld was some time ago foreman of the Dartmouth Branch, but was removed on account of careless work. He was given a position as section-man. He had been heard to threaten that the Dartmouth train would meet with an accident. A hammer used by him as a section-man was found by the detectives hidden in the rear of his house. A man answering Renauld's description was seen the night of the accident hammering at the switch where the train was thrown from the track. His examination will commence Jan. 12th.

Is your dyspepsia chronic? Is it severe? Is it mild form? Try K. D. C. It is guaranteed to cure any form or money refunded.

#### Other Provinces.

Premier Haultain, of the Northwest Assembly, said in the Assembly, regarding dual language, that French would not be used as an official language. The Assembly records will be printed only in English.

#### United States.

La grippe is causing a large number of deaths throughout Illinois. Bloomington, Vandalia and various other points report a great many cases, a number having resulted fatally.

Dr. and Mrs. J. M. Barrett, an aged couple, living near Griffin, Ill., were found in their home terribly mutilated. Mrs. Barrett was dead. The doctor was so badly injured he cannot live. They had been brained with a coupling pin.

A fire in Waverly hotel, Chicago, caused a panic among the 200 guests. Two of the guests were suffocated, and six injured, one of them fatally.

In Philadelphia, Joseph Garrison shot his wife during a fit of jealousy and then shot himself. The condition of both is very serious.

The Clarksville woolen mills Clarksville, Ga., were burned Jan. 8. Loss \$100,000. Two hundred people are thrown out of work.

Confirmation has been received of the reported explosion in the coal mine at Krebs, near Kansas City. Over 200 men were killed, and a large number fatally injured. Ten bodies thus far have been taken out the shaft.

The explosion was caused by the firing of a shot when gas was in the mine.

At the time of the explosion (5 10 p. m.) 350 men were in the shaft, most of them waiting for the cage which was to take them out. Eighty-five men came out by an old entry and 42 were saved by the shaft, but most of them were more or less burned and bruised, and half of them probably died.

The stage coach between Booner Ferry and Kestania Station, Montana, was held up by three masked men. They robbed the passengers, four men and two women, and secured a large amount of jewelry and money.

This has been an immense fruit year in California. Of oranges no less than 30,000,000 pounds have been shipped, while the total shipments of other green fruits amounted to 78,000,000 pounds. Dried fruit shipments reached the enormous figures of 72,000,000 pounds. Raisins furnished 47,000,000 pounds, against 37,000,000 last year. Of canned goods, this year's shipments were 78,000,000 pounds, against 49,000,000 last year. In everything except wine and salmon there has been a great increase in shipments, showing that the year is one of the most plentiful ever known for farmer and fruit grower.

At exhibition 1891, K. D. C. has been awarded a Silver Medal and five Diplomas—the highest awards for any medicine.

#### British and Foreign.

The majority of the Welsh colliers are idle. Both employers and employees refuse to yield in the dispute existing between them.

Severe snow storms, accompanied by intensely cold weather, are prevailing in many parts of the United Kingdom. The snowfall has been so heavy that railway traffic is greatly impeded by the blocking of rails, and telegraphic communication by the breaking of wires and poles.

Guy de Maupassant, well-known litterateur, attempted suicide at Cannes, France, Friday night. He tried to shoot himself during an attack of delirium, but his servant had taken the precaution to unload the revolver. He then cut his throat with a razor, inflicting a serious but not fatal wound.

The number of cases of influenza in London, is increasing daily, and this result is due, it is thought, to the recent fogs. The number of deaths is also rapidly increasing.

Several deaths have occurred in Berlin, from the excessive use of antipyrine in cases of influenza.

Influenza is raging all over Belgium. Many fatal cases have occurred among the members of the model colony for lunatics at Ghent. All the schools at Malines have been closed. One-tenth of the arsenal workmen there are confined to their beds.

There are about 1,000 men employed in the Bank of England, and their united salaries, including pensions, amount to about \$1,500,000 per annum.

A correspondent who accompanied the government inspector through the famine districts of Toula, Russia, reports a pitiable state of affairs in that country. In many huts whole families are huddled together in their efforts to keep warm. Barns and out-houses have been torn down and the roofs of many huts removed to be used for fuel. In many cases unprotected children have been found in a starving condition, their parents having gone to look for work. The area of "pauperized Russia" is ten times that of England. Industrial and productive work are entirely suspended. The country is swarming with itinerant beggars.

Advices have been received from Kingston, Jamaica, to the effect that yellow fever has broken out there and that the troops have been removed in consequence from Port Royal to Newcastle.

The death of the khedive of Egypt Thursday, was entirely unexpected. Mohammed Tewfik will be succeeded by Prince Abbas Pacha, his eldest son, who was born July 14, 1874.

There is no longer any doubt that the British steamer "Cavalier" has been lost with all hands. The bodies of two officers of that vessel have been washed ashore on the Cornish coast and a boat marked "Cavalier" has been picked up off Scilly Islands. The "Cavalier" left Gibraltar Dec. 8 for Falmouth.

A despatch from Tangier says the revolt of the peasantry in Tangier against the exactions of the Bashaw has assumed great proportions, threatening the lives and property of Europeans. Seventeen of the Khalyef districts, containing thousands of fighting men, have revolted. Two British warships have arrived and are prepared to land men at any moment.

K. D. C. is "worth its weight in gold," "sells like hot cakes," "is all it is recommended," "an excellent remedy," and the "best dyspepsia cure ever offered to the public." See testimonials.

#### Literary Notes.

"Grip" offers prizes of \$30, \$20 and \$10 for the best short humorous article, story, poem, narrative or character sketch sent in before March 1, 1892. The prizes will be awarded not so much on literary merit, as upon the humor and aptness of the concept. Professional writers being debarred, there is a fair field for all of a literary turn. Here is a chance for young writers to test their abilities. See announcement in "Grip."

The Missionary Review of the World begins with the New Year a new volume that has ever promise of surpassing in interest any that has preceded. The leading article in the January number is No. XXI. of the series on "The Miracles of Missions," by Dr. A. T. Pierson, the subject being "The Beginning of Modern Wonders." The Rev. Robert McAll, D. D., reviews, in an article on "The Gospel Afloat," the new enterprise of a Mission Boat for the canals of France. The International Department, Editorial Notes, Monthly Concert of Missions, and General Missionary Intelligence departments are good. Published by Funk & Wagnalls Company, 18 and 20 Astor Place, New York. \$2 per year; 25 cents for single numbers. In clubs of ten, \$1.50.

The Dominion Illustrated announces an important departure, and one that will mark a new era in the high class journalism of Canada. The publishers of that splendid weekly have decided to convert it into a monthly with the beginning of the year. It will be a 64 page magazine, differing in shape from the present one, handsomely illustrated throughout, and its pages will be graced with the writings of the most gifted Canadian authors. It will be called the Dominion Illustrated Monthly, and the subscription, \$1.50 per annum, will place it within the reach of all. Address the Sabiston Litho. & Pub. Co., Montreal.
