The Department of Missionary Literature for January Alex. Cadoret, Mayor of St. Simon, consists of the following articles: "Our Quebec, was rolling saw logs down the World: A General Glance at Some river bank when he missed his footing Great Facts," "The Ninetcenth Cenand fell. An immense log rolled over tury One of Propagation," "A Century him and crushed his lody into a shape of Missions," "Dr. Pentecost at North field," "Missionary Progress in China. "Industrial Elucation of Women in Are you troubled with head-ache, Foreign Fields," "Pastor-Teachers" heart-burn, acidity? Take K. D. C., Training," "South America and the the King of Dyspepsia Cures. It is Papacy." The other departments are full of interesting news and discussions. Published by Funk & Wag When the brain is weak, the nerves | nalls Company, 18 and 20 Astor Place, The piquant title of Mark Twain's

new sketch in the January Century, "The \$1,000,000 Bank-Note," is borne out by the not less piquant motive of the story, which is a wager between two Londoners that a man with nothing but a £1,000,000 banknote could not live thirty days and keep out of jul. The story records the unique adventures of the man who tried the experiment. The fiction of this number has much variety of scene and style. In subjects of public interest are the "Cosmopolis City Club" and "the kindergarten movement." as an auxiliary to the public schools brother, Pierre Millet, sets forth the atmosphere in which the great French painter was nourished. The American Artists Series is continued with an il lustration of a painting entitled "The Mother." This number of The Century is also strong in papers of out-of-the way adventure or travel, told from personal experience. Of these there are three: (1) the concluding paper of Incoming steamships at New York adventures among the Austrian gipsies, illustrated; (2) "Personal Studies of which the public knows very little in Thomas Griffiths, living six miles detail. In the series of "Notable Women" there is a sketch (with portrait) of Dorothea Dix. Among the poets of the number are Thomas Bailey Aldrich, Louise Imogen Guiney Louise Chandler Moulton, and Chas. W. Coleman. Editorial articles discuss "The Proposed Recession of the Yosemite Valley," "New York and numbers in the combination of impor-

tance, timeliness, and entertainment. The December Wite Awake is Christmas number.
