ABSOLUTELY PURE

News of the Week.

New Brunswick.

George Hatt an aged and much respected citizen of Fredericton died Thursday morning. He had been ill for some time and his advanced age made his death not unexpected. He was the founder of the large grocery business now carried on in this city by his sons.

Monday morning a fire caught on the roof of a house owned and occupied by W. Woodbury Wells, M. P. P. Port Elgin Albert Co. The furniture, windows, doors, etc., were saved, but the house was totally destroyed. The house was insured for about \$600, which does not cover half of Mr. Wells'

An accident occurred at Rothesay station Thursday morning on the arriwal of the Sussex express. As the train rolled up to the station George Mahoney, the station master's assistant, While so engaged the steps of the baggage car struck him on the left leg, breaking it just below the knee. Mr. Mahoney was brought to the city on the Quebec express and was taken to the General Public Hospital. He suffered a great deal of pain. his leg will not have to be amputated.

Myles Burnett, about 30 years of age, a resident of Blcomfield, K. C. left his home on Sunday afternoon and was not again seen alive. On Wedmesday his hat was found on the bank of the river opposite Bloomfield station and the river was then dragged and his body found in deep water. Whether he was accidentally drowned or committed suicide is not known. He was of unsound mind.

A railway man running up north reports splendid crops in that district, the yield of potatoes especially being great. A farmer named Bernard Cormier of Petit Roche raised 123 barrels from the planting of 3 barrels and another in the same district, D LePlante, 100 barrels from 3 barrels. distinguished himself by swindling -Moncton Times.

Newcastle had its shooting accident on Tuesday afternoon. While Mr. John Brooks agent for the Singer sewing machine Co., was waiting at the station for the freight train, he held his gun in his right hand, at full cock. It was raining a little and while attempting to wipe the moisture from the muzzle of the gun with his coat sleeve the charge went off. The ball passed through the left fore arm.

New Brunswick cheesemen to whom awards have been made, at the World's Fair, in the October competition, with the number of points scored, are as follows: C. L. Tilley & Son, Richamond factory, N. B., 97; C. L. Tilley & Son, Waterville, N. B., 92; C. L Tilley & Son, Woodstock, 96.

During the past week there has been splendid sardine fishing at the mouth of the Magaguadavic river. Thousands of the fish were taken in the weirs, and on Monday last they sold at \$10 to \$12 per hogshead. One weir made about \$600 in a week.

The Boom Company expect to finish their operations for the year about the middle of next week. The rafting at the Douglas boom has been finished. All that now remains to be done is at the Mitchell boom. A summary of the season's operations will show that there have been more logs rafted this year than in any other one year in the history of the Boom Company.

Potatoes are selling in Calais at 75 cents a barrel; in St. Stephen at \$1.25.

The Moss Glen Manufacturing Company, Hampton, is doing a large busimess and is preparing to do more next year. The firm makes all kinds of sent out by this firm are of superior the sale or use of tobacco or opium by government of the Imperial Parliawith a large experience in match-making they will soon make room for them selves in the market. This summer the mill has cut over 1,000,000 feet besides 500,000 shingles. The mill building proper is 147 feet long, 47 feet wide and two stories high. The engine house which is of brick, is 42x R., was found dead in his car at Pt. Irish. 30. The dip house, which is a fire. Levis. He was all right and at his proof structure, is 28x62 feet. The work up to within a short time before water supply is first class, and is his death was discovered and was supbrought to the mill by well laid pipes posed to be sleeping. 1,000 feet long. Without the aid of an engine the pressure is sufficient to throw a steam of water over the mill.

Diphtheria is reported prevalent in

The new bridge over Turtle creek on the Salisbury and Harvey railway is completed, and the railway is once more open for through traffic.

Harry Gibbons, aged 23 years, of Belyea's Point, attempted suicide on Wednesday by hacking his throat with a razor. He worked for Jesse Belyea and expected to inherit the farm. When the farm was sold recently he became morose and weak in spirit.

John Conrey of St. Andrews was found guilty of poisoning cattle owned by John Lamy and was sentenced to Messrs. Thompson & Kirk, returns framing. This is an easy way to decorimprisonment for fourteen years in August 1433 ozs. gold from 15 tons ate your home. The scap is the best the Dorchester penitentiary. The quartz crushed, and for September in the market, and it will only cost le about \$5,600 from 26 tons quarts.

A. P. Miller, one of the oldest resi dents of the city, is very low and not departments viz: Evangelistic, narexpected to survive long. He was cotics, scientific, temperance instrucstricken with paralysis.

Do you realize the importance of healthy stomach, now that cholera threatens? K. D. C. acts as a cholera preventive, by restoring the stomach to healthy action.

"I remember Johnson's Anodyne Liniment," said an old man, "when I was a boy." Same now.

Nova Scotia.

Harvey Moss, employed at Bradford's mills, Tremont, N. S., met with a terrible accident at that place on Wednesday. While working at one of the edging tables he slipped and fell against a saw, his right arm coming in contact with it severing the arm just below the elbow. Before the lower portion of the arm fell it came in contact again with the saw, and two of handed some papers to the engineer. | the fingers were cut completely off and two others were left barely hanging on.

> On a tree in the orchard of C. C. Porter, Lakeville, two kinds of apples are growing on one limb. They are Baldwins and Russets. The tree was a York scions. The two kinds of apples may now be seen on the single limb. - Canning Gazette.

Mr. Andrew H. Spicer, of Welshford, tells us that he has put up fourteen barrels of shipping apples from one tree of the Baldwin variety, besides some three barrels of windfalls. The 14 bbls. have realized to Mr. Spicer \$31,00, making this a profitable tree. -Berwick Register.

Judge Morse has sentenced Samuel Moore to two years in the Dorchester penitentiary for burglarizing Moran & Bent's store at Amherst, on Monday SIN ESTATE STATE OF THE BOUNES

Geo. A. Mason, formerly of Tangier, and later of New Glasgow, who recently served two years in a Springfield, Mass., jail for blackmail, has again Mrs. Ruggles, a Beston widow, out of \$1,200. Mrs. Ruggles and Mr. Mason are both spiritualists.

Thousands of bottles of Puttner's Emulsion are annually sold in the Maritime Provinces, where it is best known. None but an article of sterling worth could stand this test.

Physicians in cholera districts state that where there is no indigestion there will be no cholera. K. D. C. will cure your indigestion and make you cholera

To avoid a cold and lameness from wetting, rub the chest with Johnson's Anodyne Liniment.

Other Provinces.

Canadian coal oil is now retailing in most of the country places in Cntario and Quebec at ten to fifteen cents per a journey northward and will endeavor imperial gallon. This is partly caused to bring to an end the present warlike by the Canadian refineries establishing agencies to prevent the retailers from charging exhorbitant profits and partly by the competition of American oil Rhodes' arrangements. This is con-

A very sad accident took place Thursday afternoon by which a well known the Matabeland government will be Methodist divine lost his life. Just before dark Rev. Mr. Botterill, a retired minister, was crossing St. Catherine street west, Montreal, and being deaf and not seen by the motor man, an electric car ran over the old gentleman, inflicting such serious injury that he died soon after.

Mr. Robson then told the of all druggists or direct by mail from story of his illness and recovery about Dr. Williams' Medicine Company,

for three months hung between life comparatively inexpensive as compared and death in a perfectly unconscious with other remedies or medical treatcondition. Recovering from this I ment. ventured out to work too soon, the Between the hours of 8.15 p. m. result being that I was taken down A HAPPY MAN. The Michigan Supreme Court has tinued to doctor with specialists and given a decision on the woman suffrage experts from all parts of the States, mitting women to vote at municipal the disease, which they said was each of whom promised to cure me of paralysis, but in every case they left me as bad and sometimes worse than they found me physically, and certainpleaded guilty of selling a bottle of ly worse financially. After suffering beer, was sentenced to sixty days in in this manner for two years my famjail, to pay a fine of \$200 and costs of lly concluded that a change of climate the trial, and to give a bond of \$2,500 might do me good, and so we removed to Canada. settling, where we now reside. This hope however, proved a delusion, and each year found me worse and if possible added to my misery. Life itself became a burden to me and I knew that I was worse than useless to my friends. I was unable to feed myself as my head and hands shook so that I have frequently 'e't stabs in my chin when trying to crutches. I lost almost entire control of my power of speech and got so bad that members of my own family could not understand what I was saying. My whole nervous system seemed undermined, and I abandoned all hope of ever again being of any use to my family. Last fall I was induced to try Dr. Williams' Pink Pills, and from that date my condition has steadily improved until to-day I am able to farm, and while my hand shakes a trifle, I am able to do a good day's work every day in the week. I am now able to walk a considerable distance, and my nervous system seems fully restored. There is not the slightest doubt that these results are

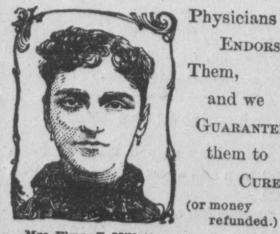

> wonderful remedy when I was first taken with the disease, I would never have been where I was. The absolute truthfulness of the facts as I have given them to you can be verified by hundreds of my friends and neighbors, or by any member of my own family.' As to much of the evidence contained in Mr. Robson's statement the writer can himself bear evidence. His speech, which one year ago could scarcely be understood, is now perfectly distinct; his head then dropped on his chest, whereas now it is held quite firm and erect; then he could not walk across a room without holding to a chair or table, while now he can walk
