Helen came swollen and drawn, and my eyes Keller, the blind deaf-mute went to almost closed. The doctors could do the World's Fair, and she now writes nothing for me. I suffered terribly, what she "saw" than could be given actually longed for death, which all Christmas Sleigh ride"; A Santa Claus | Cape Breton came to my notice. He Messenger Boy, and other features be- a tributed his cure to Dr. Williams' where good things jostle one another of Dr. Williams' Pink. Pills and soon found that they were helping me, and their continued use put me on my feet again, and I went to work after months astonishment of my acquaintances, again. I feel it my duty to advise the use of Pink Pills by people who are run d wn or suffer from the effects of any chronic ailment. They saved my life, and you may be sure I am grate-

John W. Boothe, Newcombe Mills, Ont., says:-Words cannot express the gratitude I feel for the great good I have received from the use of your Pink Pills. I had my full share of la grippe and it left me in a weak and debilitated condition. My nerves were unstrung and I was unable to hold anything, such as a saucer of tea in my hands without spilling it. I had terrible pains in my head and stomach, and although I consulted a good physician I derived no benefit. I made up my mind to use your Dr. Williams Pink Pills, and I now look upon the decision as an inspiration, so great is the benefit I have derived from the use of this marvelous remedy. My pains have vanished, my nerves, are strengthened, and I am feeling better than I have done before in years.

Mr. W. A. Marshall, principal of the Clementsport, N. S., Academy, says: I had a bad attack of la grippe It is stated on high medical author- which left me weak, nervous and bad-
