INSTALLATION.—On Thursday evening, the 16th inst., the little church in Caribou, was crowded, the occasion being the installation of the new pastor, Rev. A. C. Thompson. Rev. G. M. Park, of Presque Isle, presided. After an interesting praise service, led by Rev. C. H. McElhenney (Methodist), Rev. Father Bridges of Fort Fairfield, one of the old veterans (88 years of age) of the Free Baptists of Maine, read the Scriptures and offered a fervent prayer. This was followed by singing, after which Rev. G. E. Gosline, of Presque Isle preached an admirable sermon, from Mark 16:15. There was some disappointment at the failure of Rev. C. T. Phillips to be present, as the committee had arranged for him to preach the sermon. But upon very short notice, Bro. Gosline filled the place well. Deacon Johnson, who was unable to be present sent a letter, cordially welcoming Bro. Thompson, on behalf of the church, to the pastorate. Hon. L. R. King made an address of welcome, on behalf of the congregation. Rev. G. M. Park addressed the church at some length as to their duty to their pastor; it was a practical and eloquent address. Rev. C. H. McElhenney, pastor of the Methodist church in Caribou, then made an address of welcome to the town; it was an earnest, loving welcome; Rev. Mr. Jinks, Baptist minister of Caribou, had been assigned a place in the services, but a few days before he had left the place on a three weeks vacation. Rev. G. E. Gosline Sec. of the Free Baptist ministers Conference of the state of Maine, extended a cordial welcome to the State. Bro. Thompson appropriately replied to the several welcomes, and in closing, on behalf of the church, thanked the ministers for responding to the invitation of the church. Bro. Gosline for his excellent sermon, and Bro. McElhenney for presiding at the organ. The committee having the matter in charge:—Deacon N. W. Johnson, Deacon Bert. Crockett, C. W. Scott, Mrs. L. R. King, Mrs. George Witham and Miss Kate Nelson, deserved commendation.

A MEMBER.

MIDLAND, K. Co.—Rev. D. Long, pastor, is holding some special meetings in Midland.

ST. JOHN.—A very enjoyable concert was given Monday evening, 20th, in the Waterloo street F. C. Baptist church under the auspices of the Christian Endeavor Society. A splendid programme was carried out and light refreshments were served.—*Globe*.

DUTCH VALLEY, K. Co.—I have been holding some special meetings at Dutch Valley. Some have manifested a desire to become Christians. I expected to hold meetings there this week, but my health is not good and I had to recall my appointments, I hope to be around again soon.

B. H. NOBLES.

NEWTOWN, K. Co.—Baptism was administered at Newtown, on Sunday, 19th inst., to two influential members of the community. They, with others, will be received into the church the first Sunday in December. We are expecting more to follow soon. There seems to be a good outlook for our church at Newtown now.

B. H. NOBLES.

WOODSTOCK.—Two events of importance to the F. C. B. church of this town have just occurred. One is that all the indebtedness on the church has been wiped out, and the other that a fine pipe organ has been ordered from Mr. Peters of St. John, and will in a few weeks at most, be placed in the church.—*The Sentinel*.

GEARY, S. Co.—Rev. S. J. Perry is holding special meetings at Geary. The Lord has blessed the work and last Sabbath afternoon four were baptized. Bro. Perry is an earnest worker. All are praying that the work may go on, and that many more may be converted.

Com.

We are fairly settled in our new field. Last Sunday was a good day; the Lord's presence was manifest. In the morning the Lord's Supper was administered at the altar; it was a blessed season. In the afternoon four converts were baptized at Geary. We expect to have baptism again to-morrow, 26th inst.

S. J. PERRY.

CAMPO BELLO.—Our work at Wilson's Beach is going on steadily. The congregations are large and attentive. I have undertaken to visit Northern Road once a month, and was there a week ago. There is a large congregation there, though we have but few families. The condition spiritually is not good. I intend (D. V.) holding special meetings as soon as the vessels tie up for the winter. Rev. F. Babcock left for his home, in Lewiston, Me., to day. Rev.

T. W. Carpenter came last week to visit us, and preached here last Sunday.

HOME MISSIONS.—At the recent meeting of the Home Mission Executive, arrangements were made by which Rev. T. O. DeWitt is to labour under direction of the Mission Executive this present year. He will spend part of the time with the church at Beaver Harbour and is there at present. Any church desiring the help of this brother will please write the Secretary stating the time most convenient or needful. Any information as to needy fields or promising openings will be gladly received.

The Home Mission ought to be on the hearts of the people. Brethren give us a good support this year, and then pray God for His blessing upon the work.

F. C. HARTLEY.

Sect. H. M. Ex. Fredericton, N. B.

ACKNOWLEDGEMENT.—I wish to express my thanks to members of the congregation at Victoria Corner, C. Co. for the gift of a fine Oxford Bible. During the three years that I laboured with that good people they made my family and myself a number of valuable presents. We can never forget them and their kindness. The Lord reward them.

GIDEON SWIM.

Hartland, Nov. 25th.

Hood's Sarsaparilla has cured many afflicted with rheumatism, and we urge all who suffer from this disease to give this medicine a trial.

Condolence.

GORDON DIVISION, S. of T., has passed the following resolutions:

Whereas, It has pleased Almighty God in His wisdom to remove from amongst us our lamented brother and beloved Worthy Patriarch, Charles E. Black:

Therefore Resolved, That we extend our heartfelt and sincere sympathy to his surviving widow and family in this their time of affliction and sorrow, and would in all humility remind them that "He who doeth all things well," and bears upon us with afflictions and sorrows, can at the same time lighten our burden and cheer us upon our way, and to Him would we most humbly recommend them for that relief from their sorrow which it is not the power of mortal man to give. While we tender our sympathy to his bereaved family, we cannot but realize the great void that his departure has made in our Division, and the loss that the cause of temperance generally has sustained; but the one great consoling thought remains, that what is our loss is our departed brother's gain;

Therefore, We pray that the Great Patriarch above, who has promised to be a father to the fatherless and the widow's God, may sustain you and family in your deep affliction and sorrow, and, after serving the Great Master here, may we all meet in that celestial home, where love and harmony shall reign forever.

The Advertising

Of Hood's Sarsaparilla is always within the bounds of reason because it is true; it always appeals to the sober, common sense of thinking people because it is true; and it is always fully substantiated by endorsements which, in the financial world would be accepted without a moment's hesitation.

Hood's Pills cure liver ills, constipation, biliousness, jaundice, sick headache, indigestion.

A POPULAR PASTOR.—Rev. C. F. Penney D. D., known to many of our ministers by his visits to the Province, and known to our readers by his occasional contributions to the INTELLIGENCER, has moved from Augusta, Me. to Auburn, Me. The esteem in which Dr. Penney, is held in the city where he has lived and laboured for more than a generation, may be judged from the following from the *Augusta Journal* of the 21st inst:

To day Rev. C. F. Penney D. D. of this city leaves for Auburn to take up his duties as pastor for the Free Baptist church in that city. He will carry with him in an unusual degree, the cordial good wishes of the people of Augusta of all religious denominations.

Mr. Penney was installed as pastor of the Free Baptist church of this city thirty-one years ago, and since that time has occupied its pulpit for nearly twenty-seven years. There is in the community no man for whom all the citizens feel a greater love and respect than for this able, earnest Christian minister whose whole lifetime has been devoted to good works and who has been a power for the upbuilding of the morals of this community.

A gratifying tribute was paid to Mr. Penney last Sabbath in the very large attendance upon his services. The church was crowded at all the services held during the day, representatives being present from every congregation in the city. In the afternoon, at three o'clock, four candidates were baptized and were, with three others received into the church at the evening service. This service was of special interest, both in the very large attendance and in the character of the services. Between sixty and seventy testified of their loyalty to Christ and to the church.

Resolutions expressive of the love and esteem in which the pastor and his estimable wife were held and the work they have done, and the regrets entertained at their departure, were passed by the Free Baptist church and Sabbath school.

It is certainly to be hoped that Mr. Penney's new pastorate may be as pleasant to all concerned and as fruitful in good results as has his long pastorate here.

Constipation is the parent of innumerable diseases, and should, therefore, be promptly remedied by the use of Ayer's Cathartic Pills. These pills do not gripe, are perfectly safe to take, and remove all tendency to liver and bowel complaints.

COLOURED MEN'S CONVENTION.—A call has been issued by Bishop Turner of the African Methodist Episcopal Church, for a national convention of coloured men, to be held in Chicago, Nov. 28, to consider the lynching of Negroes in the South.

THE PLEBISCITE.—As the time draws near for the vote on Prohibition in Ontario, the interest in the question waxes warmer. The friends of prohibition are pushing their work with zeal. And friends of the liquor traffic are not idle. They have not held many public meetings yet, and perhaps will not do so; but they are busy in the ways peculiar to the traffic and its friends. The vote will be taken on January 2nd next.

CONVICTED.—Thos. McGreevy and N. K. Connolly, two of the men charged with conspiracy to defraud the Government, in contracts, &c., have been found guilty and sentenced to one year's imprisonment each. This is well, so far as it goes. Now, let the other parties to the booting transactions be brought to trial. The convicted men were not the only guilty ones—nor even the chief wrong-doers.

MAKE A NOTE OF THIS.—We would ask of our subscribers in arrears both at home and abroad to kindly forward the amount due as early as possible. Business is best done on business principles, and a good business principle is that all accounts should be settled at least once a year. Many of our subscribers honor themselves by the way they keep their subscriptions paid ahead. But there are others who, through thoughtlessness perhaps, never think of the inconvenience their neglect may cause the publisher. The individual sum is small, but it is on these small sums in a large measure depend the successful management of a newspaper. We hope, therefore, all our subscribers will make note of this fact.

AFTER MANY YEARS.—An astounding story of a miscarriage of justice comes from Germany. Twelve years ago a cashier in the offices of the Ministry of Finance at Dresden was accused of having embezzled the sum of 5000 marks. The cashier energetically protested that he was innocent, but was convicted and sentenced to one year's imprisonment. After serving his year's imprisonment the unhappy man set himself to work to obtain proofs of his innocence. At length, after eleven years' unwearying efforts, he has succeeded in proving that the money was never stolen either by himself or by any one else. It now appears to be established that the supposed deficit arose from a mistake of the auditors. It is believed that the victim, now in his seventy-fifth year, will receive substantial 'compensation.'

THE CHICAGO MEETINGS.—Mr. Moody has sent the following note to the papers:

During my six months' labor in the World's Fair evangelistic movement in Chicago, I have been greatly cheered by the sympathy and co-operation of the christian churches. As the work enlarged upon our hands, and new doors opened I felt constrained to call upon the churches for financial help to meet the increasing expenses which it involved. I desire herewith gratefully to acknowledge the receipt of an aggregate of \$1204.90 from all the churches that responded, and would assure the givers that the money has been well invested in a work which God has greatly blessed with immediate results, and which gives promise of an hundred-fold increase as the days go by.

C. T. A. NOTES.—The Northumberland Co. violators of the Scott Act are being prosecuted sharply. The *Newcastle Advocate* reports; John Fitzpatrick, of Nelson, was on Wednesday last convicted of a first offence against the Canada Temperance act and fined \$50 and costs. He sold tonic and made the drinkers drunk. James Hickey, licensed vender, Chatham, charged with illegally selling liquor, was on Friday fined \$50 and costs. Mrs. Mackay, charged with selling liquor, was on Wednesday fined \$50 and costs. In default of payment she is now serving out two months in jail. James Thompson is also serving out a term of sixty days in jail for nonpayment of a fine of \$100 and costs in-

posed upon him. On Monday, the 20th, a verdict for second offence was recorded against Michael Hickey, Chatham, for violating the Canada Temperance act, and he was fined \$100 and \$11.45 costs. He paid up at once. Other cases are down for trial.

TWENTIETH ANNIVERSARY.—On Monday evening 20th inst., there was a very pleasant surprise party at A. W. Case's 244 City road, it being the twentieth anniversary of the marriage of Mr. and Mrs. Case. A large number of the members of Waterloo street F. C. B. church, with several other friends, assembled to offer their congratulations and express in a tangible form the esteem in which Mr. and Mrs. Case are held by their many friends. Rev. J. W. Clarke, pastor of the church, on behalf of many friends, in a very neat speech, presented Mr. and Mrs. Case with an elegant china tea set. Mr. Case, who was taken completely by surprise, replied in very feeling terms, thanking their many friends for their expression of kindness and good-will. A very pleasant evening was spent, and after partaking of refreshments, which were bountifully supplied by the ladies, the happy company broke up, all wishing Mr. and Mrs. Case many more happy years of married life.—*Sun*.

REGRET HIS GOING.—At the last meeting of Court Sanbury, I. O. F., Blissville, S. Co., the members having learned of the intended departure of their chaplain, the Rev. W. H. Perry, passed the following resolutions:

Whereas we have been informed that our worthy chaplain, the Rev. W. H. Perry, is about to remove from among us, and feeling that he will not only be greatly missed from this, our forest home, but our order in this district will lose the influence of one of our most able and loyal advocates.

Therefore resolved, that we, the members of Court Sanbury, here assembled, desire to express our sincere regret for the loss we shall sustain. We shall always be pleased to hear of his prosperity in his new home and assure him of our brotherly sympathy should adversity ever cross his path. We also wish to extend to him, his estimable wife and family the best wishes of our court, trusting that wherever duty may call them they may under the guiding star of liberty, benevolence and concord, enjoy the richest blessings of Heaven.

PERSONALS.—Mr. D. P. Wetmore, ex-Inspector of schools for Kings Co., died at Clifton last week.

Sir John Allen's condition improved for some days after he was brought home, but he had a relapse on Sunday and is not now so well as he had been.

Sir John Thompson has been made an imperial privy councillor for his services as Behring Sea arbitrator. It gives him the title of right honorable. Mr. Christopher Robinson, a Toronto lawyer, has been knighted for his services in connection with the arbitration.

POLITICAL NEWS AND NOTES.—It is said that Rev. Dr. Grant, Principle of Queen's College, will be a candidate for Parliament, in Kingston, Ont. Rev. Dr. Wild has, it is stated been offered nomination in three Ontario constituencies, and is likely to accept one of them. Sir John Thompson and Sir C. H. Tupper are making a visit to Nova Scotia. It is expected that Parliament will meet in January, perhaps about the middle of the month. In the Winnipeg elections on Wednesday, Martin, Liberal, was elected by a majority of 438 over Campbell, Conservative. Sir James Grant M. D. has been nominated as the conservative candidate for the vacant seat for Ottawa. The McCarthyites are preparing for an active campaign in Ontario. It is said that arrangements have already been made to put thirty candidates in the field in that Province, for the next Dominion election.

Hall's Vegetable Sicilian Hair Renewer is unquestionably the best preservative of the hair. It is also curative of dandruff, tetter, and all scalp affections.

SUNDRIES.—The Japanese are said to be the cleanest people in the world. The walls of Babylon are said by Herodotus to have been 350 feet high and 100 feet thick at the base. Jerusalem is still supplied with water from Solomon's Pools through an aqueduct built by the Crusaders. The making of cod-liver oil is an important industry at Christiana. The quantity exported last year was 70,000 barrels. Place 500 like ours side and Saturn's outermost ring would inclose them. Fire-flies give so much light in some parts of South America as to illuminate a room. Twenty-five years ago electricity as a mechanical power was unknown. Now over \$900,000,000 are invested in various kinds of electrical machinery.

It is strange that some people will suffer for years from rheumatism rather than try such an approved standard remedy as Ayer's Sarsaparilla and that, too, in spite of the assurance that it has cured so many others who were similarly afflicted. Give it a trial.

Marriages.

O'NEIL-BRANSCOME.—At the residence of officiating minister, October 19, by Rev. Abram Perry, Clifford O'Neil of Lewis Mountain and Minnie Branscombe of Lewis Settlement, West Co.

Deaths.

McKINNON.—At Norton Station, K. Co. Nov. 16th, of consumption, Georgie B. McKinnon aged 25 years, leaving a sorrowing husband, two children, her father, two brothers, one sister, besides a large circle of friends, to mourn their sad loss. Our sister professed religion and died with the church last winter. How soon to be called up to the church triumphant! By her death the church and community sustain a great loss as she was highly esteemed by all who knew her; those who knew her best, loved her most; She was perfectly resigned to the Master's call, and it was not dying but falling asleep in Jesus.

LONG.—At Case Settlement, Kings Co., Nov. 17, of convulsions, Lucilia A. Long, 24 years, beloved wife of Walter A. Long, leaving a husband, an aged mother, two sisters, five brothers, and many friends to mourn their loss. Only a few months ago our sister sought the Saviour; her christian experience was short but bright. Her illness was painful, but brief, only thirty hours. She passed away in full resignation to the will of God. She was buried at Snider Mountain. Funeral services conducted by the writer, Rev. A. H. McLeod assisting. Text Rev. 14:13.
