the funds, papers, &c. of the Foreign Mission Society to the Treasurer of the F. M. Society.

The Committee on General Resolutions presented this report which was adopted:

1 That we tender our thanks to the Railway and Steamship companies for favors shown in reduced rates.

2. That the practical sermon of Rev. C. F. Cooper is much appreciated by us, and we tender him our sincere thanks.

3. That we tender our heartfelt thanks to the pastor and church, organist and choir and people of this community for their kind entertainment.

4. That we appreciate the presence and helpfulness of the corresponding delegates and visitors from other bodies.

5. That we thank the Moderator and Clerk, Cor. Secretary and Treasurer for their efficient services.

6. That there be 1500 copies of the minutes published by the clerk.

7. That an adjourned session of Conference be held in Canning beginning the morning of the second Friday in June next, and that the next yearly meeting be held in Port Latour, Shelb. Co.

Resolved, that this General Conference give to the Elders' Conference the right and authority to receive Elders into our denomination or dismiss them; also to exercise discipline over Elders, and in general to decide in everything affecting a minister's character and standing.

Rev. C. F. Cooper laid on the table a notice of motion to amend Art. 2 of constitution, so as to read as follows: "This conference shall consist of its own Elders and Licentiates, and S. School Superintendents, and delegates from the several churches of which it is composed. Each church shall have one delegate for every 50 resident members, or a major fractional part thereof; but any church shall have one delegate, though its membership be not fifty.

Rev. D. T. Porter said that $16.50 had been collected by the committee for the Advocate church and asked that $50 be appropriated also from Home Missions and Conference funds.

Resolved, that we recommend the H. M. Board to give $35 to the Advocate Church, and that this conference give $15 also.

The account of the Treasurer, relating to Foreign Mission funds, was read.

Rev. E. Crowell gave notice of motion to abolish the Home Mission Society.

The Cor. Secretary read his statistical report which was adopted.

Resolved, to renew the licenses of brethren E. S. Parker and J. S. Durkee.

Rev. J. K. West spoke of the spiritual benefit received by the Barrington Church in the three days meetings of last November, and it was moved and seconded that we recommend our churches to unite in that line of work whenever possible. Passed.

The report on Temperance was read by Rev. Edwin Crowell, as follows:

We commend the statement in our annual sermon of Free Baptist attitude toward total abstinence and prohibition, to which we as a people are fully committed. The past year has been marked by an appeal to the people, in several provinces of Canada, including N. Scotia, to register their wishes for or against Prohibition. No communities, we believe, were more favorable to Prohibitory legislation than those in which our churches were; and this year the agitation of this question has been on as large and thorough a plan as ever before in our history. As a result the liquor interest has felt the need of closer organization, and the larger agency of the press for its defence; for which intimation of the coming victory to our cause we should thank God and take ecurage.

We would notice a new danger to temperance in the increase of tourists and other visitors amongst us and the corresponding temptation to introduce hotel bars for their convenience and the seller's gain. Against this evil, too frequently connived at by non drinking citizens for an apparent benefit to trade, we heartily protest; and especially would we warn our people to use every effort to prevent the foreign element, now spreading along our shores in connection with railway operations, from obtaining access to intoxicants. These newcomers may be expected to reinforce a party which has already been beaten in the greater part of our constituency. We would recommend the general introduction of the Temperance Pledge into all Sunday schools, and that pastors and superintendents of all pastorless S. S. should, before next yearly session address letters to the Corresponding Secretary respecting the actual and comparative state of temperance and prohibitory sentiment in their respective fields of work, for the information of this Conference.

From the difficulty experienced in enforcing the Scott Act in some towns, owing to local apthy or selfish interest, we urge continued efforts to obtain a better enforcement of our laws, especially by securing Provincial or Dominion officers whose conduct shall be less amenable to the local public opinion and that the fruit of temperance, against which there is no law, may abound in all our fair land we pray the Holy Spirit to direct and bless our endeavour.

EDWIN CROWELL
for Committee.

Resolved, to adopt and print in the minutes.

Resolved to change the programme from a Temperance to an Evangelistic meeting this evening.

Resolved, to divide the Sunday collections ($36) equally between Foreign mission, Home mission, Education and Ministerial Aid Societies.

Resolved, that we recommend the Ministerial Aid Society to appropriate to Rev. S. K. West, the sum of Fifty dollars on the occasion of his golden wedding, Oct. 14th, 1894.

The report on the state of the denomination was taken from the table and adopted.

Resolved to adjourn, to meet in June with Canning church.

EDWIN CROWELL,
Clerk.

—The committe of the Maritime Province Baptist Convention met in St. John last week and resolved to suggest to the New Brunswick Convention the formation of a provincial board composed of an equal number from the New Brunswick Convention and from the committee of the Maritime Convention to care for home missions in the province for the present year. This proposal was rejected, as was the counter proposal of the directors of the New Brunswick Convention for the cordial co-operation of the Maritime committee, but deprecating further organization. The committee then organized to carry on the work itself.

—The Presbyterian Synod held its annual session at New Glasgow, N. S last week. Among the questions considered was the advisability of the appointment of Synodical evangelists. A committee was appointed to gather information and report next year on the best methods of conducting evangelical services throughout the bounds of the Synod.

—Rev. Mr. Mellick, Superintendent of Baptist missions in the Northwest has been visiting points in the Maritime Provinces, awakening interest in the Northwest work. He says the work there is progressing hopefully. The Scandinavian Captist missionary is at present at work in a community of a hundred families, who up to the time of his arrival, had no preaching or religious services among them, not even a Lutheran service. Within a few days a church has been organized of Cree Indians, with only two white persons. This is the first Indian Baptist church in the Northwest. Further south a half-breed missionary is preaching and teaching as well as he can in a colony of Indians and Metis.

REV. T. O. DEWITT called at the INTELLIGENCER office last week. He had just come from Beaver Harbour, to spend a few days at home before going to Conference. His health has not been very good for two or three weeks, but is now better.

REV. A. M. MCNINTCH spent Sabbath, 30th ult. in this city, preaching morning and evening. He was enroute to Conference. The INTELLIGENCER office had a pleasant call from him.

Rev. J. A. ROBERTSON writes that his health is not good as he could desire, and he is likely to remain where he is another year. His present address is 48 Springfield St. Somerville, Mass.

SOUTHAMPTON.—The Secretary of Home Mission Board recently paid a visit to Southampton where Bro. W. Keirstead has been labouring, and baptized five candidates. Bro. Keirstead has been doing most excellent work at this place; we also organized a society of Christian Endeavour.

FROM REV. E. CROWELL.—We have had, with the assistance of Revs. H. Lowden and H. Lockhart, ordination of deacons L. Cox and D. Lockhart of Canning, and of Z. West and Sydney Roscoe of Hall's Harbour. I baptized three on Sunday (Sept. 23rd) at Hall's Harbour. Revival interest continues. I expect to remain on this pastorate.

EDWIN CROWELL.

KEMPTVILLE, N. S.—The revival here has gone on gloriously since I last wrote. Sixteen were baptized yesterday, and we look cheeringly for others next Sunday. Many are deeply convicted of sin, and are awakened to their need of salvation, while some are anxiously inquiring the way to the Saviour. Quite a few are rejoicing in the new life, and our hearts are gladened by the return of wanderers. Cheering testimonies are heard from all. Meetings all this week.

G. M. WILSON.

Oct. 1st.

FROM REV. J. NOBLE.—As mentioned in my last, I spent the Sabbath with brother Crowell, and was taken by him to his appointments and saw a good number old friends. Was with him at Black Rock on Saturday at conference, and Sunday morning I spoke to the people; in the afternoon at a new hall on the West Hall's Harbour road, in the evening he (B. C.) went to Canning, and I was at the East road Hall, there we had a powerful meeting. Monday morning I was taken to the station at Centerville. This place has built up very much since I was last there. I got to my daughter's to dinner. The next day I spent visiting an old friend, and the following day left for St. John. On our way to Annapolis I fell in with brother Crowell and a brother Cox and others on their way to the yearly meeting at Kemptville, Yarmouth Co. I spent one day in St. John, and Friday morning left for the Fourth District meeting. I was met at F'ton Junction by brother W. Reud and taken to Rusiagornish; remained there until after Sunday, and on Monday morning brother Reud took me back to the Junction in time to take the train for Woodstock. No doubt a report of that meeting has reached you brother editor, but this I will say, we h d a good meeting, though brother Erb was not there to preach the annual sermon. There I met many old friends whose names I had almost forgotten, until some circumstances occurred which revived them in my recollection; some would say "don't you remember b pazing me fifty years ago?" which led me back to my first visit there about fifty five years ago, and another visit of more recent date, attending a District meeting there with brethren Mersereau, Flanders, Gunter, Kinghorn and Merritt, all of whom have got home while I am yet left. Entering the pulpit Sunday morning, although surrounded by brethren in the ministry, good men too, men I love as servants of Jesus Christ, whose labours have been blessed, yet I felt lonely, but the Lord helped me speak. I got home on Monday, went and got my team to be ready for the Third District meeting in Temperance Vale. There we were disappointed in not meeting brother Long, but the Lord was there to bless his people. The meeting was good all through. This was the fifth District Meeting I have attended this year and I neve realized the presence of the Lord more in our meetings than this year. All aimed to walk in the old path and retain our original standing and contend for our first faith and practice.

SUNBURY COUNTY SUNDAY SCHOOLS. The Sunbury County Sunday School Convention was held in the Free Baptist church at Fredericton Junction, on Oct. 2nd. The morning session was opened with impressive devotional service. Committees were appointed and words of counsel as to the benefit we should seek in these sessions. Bro. Smith was in the chair.

The afternoon witnessed a most earnest discussion of S. S. work through this County. Very few schools in this County work for God and souls all the year, and in other ways the County work is below what is desirable.

The Field Secretary strove to impress upon those present that as so large a majority was of the Free Baptist church how much their church must suffer if this work was not done at its best. This discussion was shared in by S. D. Alexander, C. L. Tracy, the pastor, and others.

The following were elected officer, for the ensuing year: T. L. Alexanders President; Ernest Tracy, Secretary; A central committee with the above officers, also a Vice President for each parish.

The president regretted that so many of their schools were not represented The superintendents of Bissville, Tracy, Three Tree Creek and the Junction, took a deep interest. The pastor Rev W. R. Reud, welcomed them and mad several short addresses. The field secretary gave useful Normal Lessons, Bible, and Business talks on better Sunday-School work. All present realized much profit.

A Wonderful Conqueror.

No disease is more common among the people than scrofula. Handed down from generation to generation, it is found in nearly every family, in some form. It may make its appearance in dreadful running sores, in swellings in the neck or goitre, or in eruptions of varied forms. Attacking the mucous membrane it may be known as catarrh, or developing in the lungs it may be, and often is, the prime cause of consumption.

In whatever form scrofula may manifest itself, Hood's Sarsaparilla is its inveterate foe and conqueror. This medicine has such powerful alterative and vitalizing effects upon the blood that every trace of impurity is expelled, and the blood is made rich, pure and healthy.
