DENOMINATIONAL NEWS
LOWER PERTH, V. Co.—On the 24th Sept. a birthday social was held at the residence of bro. F. C. Bloodworth. The proceeds amounted to \$20.00, which was presented to the pastor, Rev. M. L. Gregg. An address was presented to him at the same time, expressing the esteem of the people, there regret that he was about to leave the pastorate, and their best wishes for his success wherever his lot should be cast. Bro. Gregg thanked his friends very heartily for all their kindness and good wishes. The ladies of the mission society furnished refreshments; there was music (Miss A. Lovely presiding at the organ) and speeches and a very pleasant evening was spent.
KEMPTVILLE, N. S.—On Sunday, October 13th, one was baptized and became a member of the Kemptville church. On last Temperance Sunday a White Ribbon Army of 94 members was organized in the Sunday School at Kemptville. This we believe is a step in the right direction. In this the N. S. Sunday School Association is endeavoring to enlist, as an aggressive force against the liquor traffic interest the Sunday Schools of the Province. As Free Baptists, we have in this a channel through which to work out one part of our church covenant by using the Sunday School as one of the best instruments for the furtherance of the temperance cause. With our Sunday School, our Young Peoples' Societies, and our Church relationships in general, we cannot say we are weak-handed. Let us look upon these not as mere burdens imposed on us by the Master, nor even as only ends to be arrived at but as instruments of precious value and effective force, by which God will give us the victory through Christ.
DAVID PATTERSON.

MINISTERS.—Rev. W. H. Perry has moved to Salisbury, W. Co. His correspondents are asked to note the change of P. O. address.
Rev. M. L. Gregg was in the city last week. He preached at Tracey Mills Sunday 13th inst and at Woodstock last Sunday.
Rev. E. S. Parker preached in St. John west last Sunday—not the Sunday before. Rev. F. A. Carrier preached there on the 13th inst.
We see it stated that Rev. J. W. Freeman has been compelled to resign the pastorate of the church at Tusket N. S., owing to an affection of the throat. Bro. Freeman's many friends will hope that his disability is only temporary.
Rev. S. J. Perry passed through the city Wednesday. He had spent the previous Sunday at Westfield and Brown's Flat.
Rev. J. N. Barnes was at Rusagomis last Saturday and Sunday. He had just returned from a visit to Stanley and Bloomfield. His health is better.
BABY'S ILLS.
EVERY MOTHER SHOULD BE IN A POSITION TO PROMPTLY RELIEVE THE MINOR AILMENTS OF HER LITTLE ONES.
The baby who is always plump always has a good appetite, always has a clear eye and a rosy cheek, and is always active and playful, is the choicest treasure this life affords. The medicine which keeps babies in such a condition or which restores them to it when they are ill is certainly a priceless boon to humanity. There are many medicines which produce sleep, but their action upon the child is similar to that which whiskey or opium has upon a full grown man. They deaden and stupefy and are the most injurious things which can be given to children.
The only safe course is to use nature's remedies. Nature has provided a vegetable cure for every ill, and her remedies for children's disorders are scientifically compounded in Baby's Own Tablets. For diarrhoea, constipation, colic, simple fever, croup, irritation when teething, indigestion and all the disorders of children so familiar to mothers, this remedy is conceded by the medical profession to be without an equal. Its effect is gentle, soothing, promptly curative and never failing. It will save pain, anxiety, doctor bills and perhaps a life. All mothers who have used Baby's Own Tablets for their little ones speak of them in terms of warmest praise. Mrs. Ben. Seward, Forfar, Ont., says: "I have used Baby's Own Tablets and can highly recommend them to all mothers. My baby was cutting his teeth, and was very cross when I first gave them to him. They acted like magic; he cut his teeth almost without my knowing it, and gave him such ease that they proved a blessing both to the child and myself. He has not been sick since I gave them to him, and I would not be without them in the house." Baby's Own Tablets can be procured at any druggist's, or will be sent post paid on receipt of 25 cents by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

LITERARY NOTES.
Superstition Trail, illustrated, is the opening story in the Hallowe'en Number (October 26) of The Saturday Evening Post of Philadelphia. There are other attractive features.
In the October St. Nicholas the concluding paper of the series on "Careers of Danger and Daring," describes the excitement and perils attendant upon the life of the "Locomotive Engineer." Two other railroading articles follow—one the story of "A Runaway Locomotive" and the other a bit of verse entitled "The Night Express." A bright story "Tom, Jr., Tomboy," will be appreciated by the older readers. Three serials occupy many pages of the number. There is a balloon-story. The Departments are up to date.
"Savage Kings I Have Known" is the title of an article in two installments which Sir Henry M. Stanley, the famous explorer of Africa, contributes to October issues of The Youth's Companion.
The November Century—in many respects an unusually striking number—will begin the magazine's thirty-second year. A group of humorous stories, poems, etc., by Mark Twain and other humorists will be a feature of the volume.
A French scientist has made a discovery. It is that there is a bacillus of fatigue. It is this germ that makes us tired and makes us old. It is contagious. We have often noticed that some people make others tired, and now we have the explanation. It is the deadly germ of ennui.—Baptist Argus.
NOT IN THE RECORD.
The funeral sermon over your body will not enter into your record at the judgement.—Free Baptist.
