A TEACHER'S WORRIES

Frequently result in a breakdown of health.

HEADACHES, BACKACHE, DIZZINESS, POOR APPETITE AND INSOMNIA THE OUTCOME—HOW TO AVERT THESE TROUBLES.

From the Review, Windsor, Ont.

Only those engaged in the teaching profession realize how much care, worry and perplexity is met with daily. It is therefore little wonder that there are so many health breakdowns, especially among young ladies who follow this calling. Miss Christine Pare, of Ojibway, Ont., is one who has suffered much in this respect. To a reporter of the Windsor Review, Miss Pare said: "For several years, while teaching school, I was continually troubled with headaches, dizziness and a weak back. I tried several doctors and medicines, but got no relief. I became so badly run down that I thought possibly a change of employment would give me relief. I gave up my school and tried other duties, but the result was disappointing as the trouble seemed to have taken a firm hold upon me. The headaches grew more and more severe, my appetite failed me and I was frequently compelled to take a rest in order to overcome dizziness. A friend advised me to try Dr. Williams' Pink Pills. I decided to try a box, and before they were all used I found much relief. I continued taking the pills for some time longer, every day gaining new health and strength, and now I feel as well as ever I did in my life, and am never bothered with the old troubles. You may say therefore that there is nothing I can recommend so highly as Dr. Williams' Pink Pills."

Young girls who are pale and weak, who suffer from backaches, headaches, loss of appetite, palpitation of the heart, and other symptoms that overcome so many in early womanhood, will find a certain and speedy cure in Dr. Williams' Pink Pills. These pills make rich, red blood, strengthen the nerves, and give new life and vigor to the whole body. The genuine bear the full name, Dr. Williams' Pink Pills for Pale People on the wrapper around every box. Sold by all dealers or by mail post paid at 50 cents a box or six boxes for $2 50 by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

HOW ONE MILLION IS SPENT Not less than one million dollars is annually spent by people seeking an absolute cure for Catarrh, Bronchitis and Consumption. Numerous are the remedies but the one standing pre-eminently above all others is Catarrhozone. It cures these diseases because it is sure to reach them. Catarrhozone is inhaled into the lungs, throat, and nasal passages, and bathes every part of the diseased membrane with its germ-killing, healing vapour. You simply breathe Catarrhozone and it cures. Price 25c and $1 at druggists, or Polson & Co., Kingston, Ont.

—For the first time there is a prospect that a translation of the Bible into the language of Little Russia will be published. The Russian scholar Kulesch, who died some years ago, left a translation on which he had spent years of labor. It was revised by the learned J. Leiviski, enlarged and improved, and the widow of Kulesch then sought to have this first translation of a Little Russian Bible printed. The Russian religious press censor, however, refused this permission. Mrs. Kulesch then applied to the British and Foreign Bible society which paid her 5,000 rubles for the manuscript and will shortly issue it from their presses.

DEATHS.

COOK—At the residence of her son, Judson Cook, East Coldstream, Oct. 15th, Mary, aged 84 years and 9 months, widow of the late William Cook, leaving two sons, one daughter, two step-sons, one step-daughter, eleven grandchildren and a large circle of friends to mourn their loss. Deceased was born on the Peniac, York Co., being one of fifteen children—five boys and ten girls—by the late Samuel Bubar, of which she was the last to pass over the river. By her good christian life she won the esteem of all who knew her. "Blessed are the dead who die in the Lord."

A. H. HAYWARD.

PETERSON—At Royalton, Car. Co., N. B. on Oct. 4th, of cancer in the stomach, Elizabeth, beloved wife of Mr. Joseph Peterson, in the 69th year of her age. Sister Peterson was a daughter of Mr. Robert Fisher, of Nova Scotia. Her early christian training was in the Presbyterian church, but since her moving to Royalton, some 40 years ago, her church connection has been with the Free Baptist church. Her christian deportment, both in the community and in the church, has been very exemplary, and her death has been keenly felt by all the community. Her sickness, lasting over a year, was of a very painful kind, she suffered much at times. It was the writer's privilege to visit her a number of times during the last two months of her illness, and she appreciated very much his calls. She loved to hear the Word read, the songs of Zion sung, and in prayer she whispered her quiet approval. She was well saved, and confidently expressed to us her readiness to depart, as she said she was only waiting to be taken home. Her funeral took place on Sunday morning, the 6th inst. at the Free Baptist church at Tracey Mills, a large and sympathetic congregation attending the service. An appropriate sermon was preached by the writer from Isa. 25:8. Our sister has left a sorrowing husband, three sons and one daughter, to mourn their loss. May the God of all comfort grant to their bereaved hearts the balm of His consoling grace.

Scott's
Emulsion
of Cod Liver Oil is the means of life, and enjoyment of life to thousands: men women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food, when you hate it, and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

If you have not tried it, send for free sample, its agreeable taste will surprise you.

CHALLENGE CUPS.—Says the Chatham World;—Five silver challenge cups have been offered in the United States as prizes in international yacht race—namely, the America Cup, which was won by the schooner yacht America in England and presented by the winner to the New York Yacht Club as a challenge trophy, the Brenton's Reef Cup, which was captured by a British yacht and recovered by Navahoe; the Cape May Cup, which Genesta won after her defeat in the America Cup race, and is still in England; the Seawanhaka Cup, which the Montrealers captured in New York six years ago and have successfully defended every year since; and the Canada Cup, which was won by the yacht Canada at Chicago, regained by the Americans last year, and brought back to Canada this year by the Invader of Toronto. England holds one of the five cups, Canada holds two of them, and the United States holds the other two. The honors are, therefore, not all in one hand.
