DOCTORS BAFFLED

By the Case of Mrs. Harrison, of Orangeville.

SHE WAS COMPLETELY RUN DOWN—RACKED WITH PAINS IN THE BACK, HEAD AND LIMBS—AGAIN REJOICING IN GOOD HEALTH.

From the Sun, Orangeville, Ont.

Many cases are constantly being brought to light of persons being cured by that wonderful remedy—Dr. Williams' Pink Pills—after doctors have failed to be of benefit. Among them may be noted the case of Mrs. Benjamin Harrison, a well know lady who resides in the near vicinity of Orangeville, Ont. A reporter of the Sun hearing of Mrs. Harrison's wonderful cure called at her home to inquire into the facts of the case. Mrs. Harrison said she was pleased to be able to testify to the great curative powers of these pills. She said: "For some years I have been a constant sufferer. Just what to call my disease I do not now; even the doctors were unable to diagnose it. I was completely run down, I had racking pains in my head, back and limbs. I was unable to secure sound sleep, and on arising in the morning would feel as tired as before going to bed. My stomach was in a bad condition and the least movement caused my heart to palpitate violently. Doctors treatment failed to be of benefit to me and I was in a very discouraged state when a friend advised me to try Dr. William's Pink Pills. Thinking that they might relieve me a little I procured a supply and began taking them according to directions. From the first I could see that they were helping me, and by the time I had taken half a dozen boxes I was free from the ailments that had made my life miserable. It is now several years since I took the pills and not the least sign of my old trouble has since shown itself. I would strongly urge the use of Dr. Williams' Pink Pills for any person who has a weak or run down system and I am sure they will not fail to be beneficial."

To those who are weak, easily tired, nervous, or whose blood is out of condition, Dr. Williams' Pink Pill come as a blessing, curing when all other medicines fail and restoring those who give them a fair trial to a full measure of health and strength. Sold by all dealers in medicine or sent by mail, post paid, at 50 cents a box, or six boxes for $2.50, by addressing the Dr. Williams' Medicine Co., Brockville Ont.
