DISTRICT MEETING.—The
District Meeting convened at
S. Co., at 10 o'clock a. m.,
Sept. 13th. The first meet-
conference led by Rev. J. N.
the pastor of the church. The
present was not up to the
measures taken, but a good meeting was en-
titled to the presence of the Lord
to the support.

At 3 p. m. the meeting adjourned
for an hour for a preaching service.
Rev. E. S. Parker preached a helpful
sermon.
At 4 p. m. business was resumed.
The following brethren were elected
members of the Executive Committee
of the District.—J. A. Hayward, T.
D. Bell and J. N. Barnes. The chair-
man and Clerk are ex-officio members.
The meeting voted hearty
thanks for the kind and hospitable
manner in which its members have
been entertained. The Executive com-
mittee was authorized to prepare a
program of meetings of the next ses-
sion, to be published at least 4 weeks
before the session in the INTELLIGEN-
CER. Bro. Wm. O. Keirstead being
present and having applied for
District License he was examined in
committee of the whole, and the Execu-
tive was authorized to issue him a
license when he has become a member
of the Upper Gagetown church.

Adjourned.
The Saturday evening meeting was
a missionary meeting, conducted by
the District W. M. Society. It will
be reported in the W. M. Society
department. It was an interesting
meeting.

Sunday was a fine day. The ser-
vices were as follows: Prayer meeting
at 9 a. m., led by lic. Wilson. Preach-
ing, at 10.30 by Rev. Dr. McLeod; at
3 p. m., by Rev. O. N. Mott, followed
by the ordinance of the Lord's Supper;
at 7 p. m., by Rev. F. S. Hartley.
The congregations were large, and a
good interest was manifest. The
Methodist church was supplied in the
afternoon by Rev. F. S. Hartley, and
lic. Wilson preached at Mouth Orom-
octo in evening.

PRESENTATION.—The congregation
of the Victoria street Free Baptist
church has given the Rev. David Long
three weeks' vacation, which he will
spend in a visit to Upper Canada,
Niagara, Buffalo and other places of
interest. That he may see all that is
to be seen and thoroughly enjoy his
outing the congregation has supplement-
ed their leave of absence with a
well filled purse. The presentation
of this was made on Tuesday evening
by Messrs. Edward Slipp and Rupert
Jordan, who waited on Rev. Mr.
Long at the parsonage and on behalf
of the co-workers in the church ex-
pressed to the pastor the hope that he
would have a delightful trip. The
gift was gratefully and feelingly
acknowledged by Rev. Mr. Long.—
Globe, Sept. 18th.

NEEDING PASTORS.—Notices in an-
other column tell that the Hampstead
and Salisbury pastorates are seeking
pastors. The Penobscot pastorate,
which includes Penobscot, Newtown
and Dutch Valley churches, also needs
a pastor. Correspondence may be
addressed to Gideon McLeod, Penob-
scot, K. Co.

MINISTERS.—Rev. S. J. Perry passed
through the city a few days ago on
his way home from Nova Scotia. He
spent two Sundays with the Canning
pastorate, and enjoyed his visit very
much.

Rev. G. Swin will remain with the
Moncton pastorate another year. The
year just closing has been a pleasant
one to both pastor and people.

Rev. A. Perry, whose health com-
pelled him to relinquish the Salisbury
pastorate, has moved to his home at
Butternut Ridge, K. Co., which is
now his P. O. address.

LETTER FROM REV. L. A. COSMAN.

I write a few more lines, which may
be interesting to some readers of the
INTELLIGENCER. I am here yet, and
do not know how long I may remain.
I am not at all in love with this coun-
try. It is a beautiful wheat country,
but that is about all that can be said
about it. The weather is wet at pres-
ent, and the farmers are having a hard
time to get their crops cared for. I
have not seen a Free Baptist since I
came here, nor heard of one. I don't
believe they grow out here. The Bap-

reports an occasional prayer meeting,
and two churches report no prayer
meetings.

8. Every church but two has had
the Lord's Supper—one monthly, and
the others less frequently.

9. There have been 4 pastors labor-
ing in the District, and Licentiate W.
O. Keirstead did home mission work
during the Summer at Upper Gage-
town and Greenfield.

10. There has been little special
revival interest yet 7 churches report
increase of spiritual life and christian
activities, and none report loss in
these respects.

The report was carefully discussed
and adopted.
On invitation of brethren Smith and
Nason of the Rusagornis church, the
District meeting voted to hold its next
annual session at that place, the second
Friday in Sept. 1902.

At 3 p. m. the meeting adjourned
for an hour for a preaching service.

Rev. E. S. Parker preached a helpful
sermon.

At 4 p. m. business was resumed.

and have had for some time. If any
of the brethren know of a small pasto-
rate in that Province that is in need of
a pastor, and would inform me, I will
be glad. My health has greatly im-
proved, and I feel like going into the
field once more to work for the ad-
vancement of the Lord's cause. My

I feel very anxious to get home in
time for Conference, but cannot say
as yet whether I will be able to do so.

NEWMAN.—At Wilson's Beach, N. B.,
Sept. 8th, Leonard Newman, Sr., in the
86th year of his age. Until recent years,
when his strength failed him, the entire
life of bro. Newman was one crowded with
days of hard labour. He began work when
facilities for work were far beneath those
of to-day. He was the father of nineteen
children, most of whom succeeded him. He
was a very enthusiastic church worker, was
a consistent living christian man, and died
in the faith, expecting when released from
here to join the ranks of the redeemed.
The widow and the large family who sur-
vive him have the sympathy of the com-
munity.

A. J. PROSSER.

FLETCHER.—At Wilson's Beach, Aug. 29,
Laura A., beloved daughter of Mr. and
Mrs. Chas. Fletcher, aged 8 yrs and 4 mos.
The circumstances connected with the
death of the child were strikingly sad.
While at play with a companion near her
home she was accidentally pushed from a
swing, causing internal trouble which
brought about her death. In a few weeks
of slight suffering, inflammation of the bow-
els set in, from which she suffered intense
pain for a week when the little one so dear
to the hearts of its parents breathed its
last and the soul passed away to bewitch
Jesus. She was a very lovable child and
her sweet face will be much missed in both
the home and school where she was a fa-
vorite. The funeral was conducted by the
pastor, assisted by the Rev. A. H. McLeod.
Text: "There is but a step between me and
death." 1 Sam. 20: 3.

De. con A. Hazen Steves, aged 51 years,
leaving a husband, one son and a large
circle of relatives and friends to mourn
their loss. Sister Steves was a faithful
christian, and will be much missed in
every department of church work.

Like most other people, our
folks formerly used lard for all
such purposes. When it dis-
agreed with any of the family
(which it often did) we said it was
"too rich." We finally tried

Cottolene

and not one of us has had an attack
of "richness" since. We further
found that, unlike lard, Cottolene
had no unpleasant odor when
cooking, and lastly Mother's fa-
vorite and conservative cooking
authority came out and gave it
a big recommendation which
clinched the matter. So that's

why we always fry
ours in Cottolene.

seem excessive, yet many of our customers have realized these unusual profits
during the year 1900 by following our intelligent plan of combination in-
vestments in mining stocks, devicing the investment, obviating loss, and by
combining first issues of stocks in promising mines and dividend payers. The
payment of the regular monthly dividends on the properties we handle as
fiscal agents, June 1st, required Three Thousand Dividend Checks.
And we have never yet made a loss for a customer in any mining stock recom-
mended by our house. We make profitable mining investment a specialty
and will not handle as financial agents any but meritorious working mines
that possess all of the requisites necessary to make valuable producing prop-
erties, with conditions favorable to possible "Bonanzas."

WE DO THE LARGEST BUSINESS IN MINING STOCKS

of any firm in the United States, because we make our customers' interests
our own, and do not advise them to invest in any property that we have not
first thoroughly investigated with our own experts and are willing to take
financial interest in, which with their own holdings will insure control and the
proper and economical management of the property for profit to its stock-
holders.

Send for prospectus of new and promising mines and dividend payers,
together with subscription blanks and reports showing present conditions of
the properties and also booklet "ABOUT OURSELVES," giving in detail
our intelligent plan of securing the large profits of legitimate mining without
