

DENOMINATIONAL NEWS

WOODSTOCK, N. B.—I administered baptism to five more candidates on Sunday evening 13th inst.

F. ALLISON CURRIER

FROM REV. J. J. BARNES.—The special meeting at Southampton have been closed. While they did not result in reviving the church as much as we had hoped they would, much good was done in the congregation. The attendance was large during the meetings, notwithstanding the bad roads. Five converts came out, who will be baptized later.

I am now working in special meetings with the Hainesville church. It is too soon to express an opinion about the probable results. The meetings are well attended, and the interest is apparently good. We are hoping and praying for a revival. Pray for us.

BEECHWOOD, C. Co.—I have been holding special meetings at Beechwood about three weeks. Many of the young people are deeply interested and are making some start. We are praying that everything which may be a hindrance to the work may be removed. Bro. Wilson has been with me this week and has been a great strength. Pray for us in the work.

FROM REV. G. W. FOSTER.—I have not written anything for the INTELLIGENCER very lately. I now write a little. I am trying to work for the Lord in my field as best I can. While there are some discouragements, there are also some encouragements; there are some things that make us sad, and many that make us glad. For the most part, the regular services are well attended, and there is reason to believe that the preaching of the Word is not in vain. We have just closed some special meetings with the Rockland Church. While we did not see all we hoped for, we feel grateful to God for the blessing received. The spiritual life of the brethren and sisters has been quickened, backsliders have been reclaimed and sinners converted. Five were baptized, four of whom have united with the church. We thank the Lord for these mercy drops, but "for showers of blessing we plead," and we have the feeling and faith that by constant, faithful, prayerful work on the part of the pastor and church our desires and hopes shall be realized in a greater degree. What we hope for Rockland church, we desire for all the churches of the parishes. We will at once begin special meetings at Mount Pleasant, and our hope and prayer is that God will greatly bless the people and build up His Kingdom in their midst. Brethren pray for us.

DOVER, W. Co.—A young woman whom I baptized in Moncton a few weeks ago united with the church in Dover Sunday the 13th, her home being in Dover. Our work is moving along encouragingly.

THE LARGEST COINS.—The largest gold coin in circulation is the gold ingot or 'loaf' of Anam. It is a flat round gold piece, and on it is written in Indian ink its value, which is about \$65. The next sized coin to this valuable but extremely awkward one is the 'obang' of Japan, which is worth £10; and next comes the 'benda' of Ashantee, which represents a value of about £9. The California fifty dollar gold piece is worth about the same as the 'benda.' The heaviest silver coin in the world also belongs to Anam, where the silver ingot is worth about £3; then comes the Chinese 'tael,' equal to about seven shillings, and then the Austrian double thaler.

GOT LAME BACK OR LUMBAGO?

No need of that now. That sort of pain can be knocked out in short order, for Polson's Nervine, which is five times stronger than any other, penetrates at once through the tissues, reaches the source of suffering, drives it out and thus gives relief instantly. Not magic, but strength that gives Polson's Nervine this power. You will think it magic however if you try it, pain goes so quickly. Sold by dealers everywhere in large 25c. bottles.

SUNDRIES.—Bees visit 3,000,000 blossoms to gather a pound of honey. Great Britain loses on an average 180 people a day by emigration. There are 28,894 juvenile temperance societies in the British Islands, with a membership of 2,536,000. It is estimated that England still has 82,000,000 tons of coal unused and available. The Russian army is to be increased by 380,000 men.

HEART TROUBLE

The Symptoms Often Misunderstood by the Sufferer.

THE TROUBLE AT ALL TIMES AN EXTREMELY DANGEROUS ONE—HOW TO PROMPTLY RELIEVE IT.

There are many forms of heart disease, some of which manifest themselves by symptoms which are misunderstood by the sufferer and ascribed to indigestion or some similar cause. When the heart is really affected, the slightest derangement of this important organ is extremely dangerous. If at times the action of the pulse is rapid and the heart beats violently, resulting in a suffocating feeling, or, if the heart seems inclined to stop beating, the pulse becomes slow, and you feel a faint, dizzy sensation, you should take the best course in the world, and that is to take Dr. Williams' Pink Pills for Pale People. You will find that this distressing symptom promptly disappears and that the heart at all times acts normally. Mr. Adelard Lavoie, St. Fac. Me. Que., bears strong testimony to the value of these pills in cases of heart trouble. He says: "For nearly three years I was greatly troubled with a weak heart and in constant fear that my end would come at any time. I placed myself under a good doctor but did not get the desired relief. In fact I grew worse; the least exertion would overcome me, and finally I had to discontinue work. While in this condition a neighbor advised me to try Dr. Williams' Pink Pills and I procured a supply. They simply worked wonders in my case and when I had used six boxes I was again enjoying good health. I have had no sign of the trouble since and I can cheerfully recommend the pills to similar sufferers."

Blood troubles of all kinds are also cured by these famous pills. If you suffer from headaches, dizziness, languor, boils or skin diseases of any kind your blood is in an impure condition, and Dr. Williams' Pink Pills are what you need. These pills are not a purgative and therefore do not weaken like medicines of that class. They are tonic in their nature and make new, rich blood with every dose, thus restoring health and strength to hopeless and despondent sufferers. But you must get the genuine, which always has the full name "Dr. Williams' Pink Pills for Pale People," on every box. Sold by all dealers or sent post paid at 50 cents a box or six boxes for \$2.50, by addressing the Dr. Williams' Medicine Co., Brockville, Ont.
