

THE KING'S HIGHWAY.

faithful forty souls who were bound together in the organization stood for. We also stand for the regenerate church membership. We feel that no one has a right to a place in the church until they are first born of God. Only for such people who have been regenerated do we teach the possibility of entire sanctification. He gave a short talk on "How we sustain the work," and said that never has a dollar been raised by church fairs or suppers. In all the work it is sustained by voluntary contribution.

The cost of the building as now completed with church above and dwelling below, which is sometimes used as a parsonage, is \$3,233. There was a debt of \$1,300 on the dedication of the church, and then it was decided to raise a sinking fund by quarterly contributions by a member of the members, which would amount to \$100 a year, such amount to be paid annually until the discharge of the mortgage. Early in January of this year the pastor began to talk to the people of raising the amount to pay the balance of the church debt, then \$600.

Accordingly on January 20, in a union holiness meeting, Joseph Bullock made a proposition to the church in their efforts that for every dollar they raised he would give one. They were given two months to raise the amount and accordingly on March 20, they had collected \$350 in cash and the subscriptions to bring the amount to \$400. Mr. Bullock paid the \$300 as agreed, and the church debt and mortgage was discharged. Some interest and other expenses were incurred to the amount of about \$100, which they expect soon to clear. The pastor asked at the meeting for \$50 to cover all needs, and a collection was taken up amounting to \$27 50.

The present outlook of the church is prosperous, and we can say with the words of the Psalmist: "The Lord has done great things for us whereof we are glad," and after short talks by Deacons John Kimball and E. Cosman, the meeting was thrown open for a general praise service for half an hour.

The meeting closed with the singing of the hymn, "When the roll is called up

your name be there," and after the benediction had been pronounced a suitable souvenir in the shape of a pamphlet with cuts of the church and pastor on it was presented to each one present.

"Ideal station found."

This means that we will need all contributions for the Macdonald Memorial building, to be erected in South Africa, for our missionaries, immediately. We are all glad to receive this message of three words, which means so much to us as a people.

FOUNTAINS AND POOLS.

Brother J. F. Bullock has continued to show his interest in Beulah Camp Ground, in a practical way during the past 10 days, in utilizing the waste water from our splendid water supply, by laying pipes to several parts of the grounds, and has put in five or six nice spraying fountains, each having a basin shaped pool, neatly to catch the falling water, also taps at convenient places to accommodate the thirsty visitor. Mr. Bullock has proved himself a mechanic of no mean ability, having done the pipe fitting and plumbing himself. This work of brother Bullock's can truly be said to be useful and ornamental, and cannot fail to be appreciated by all.

QUARTERLY MEETING.

LUBEC, Me., June 23, 1902.

The quarterly meetings of the third district met with the church at Pembroke, June 4th, at 7 p.m. A good congregation was in attendance and was productive of good. A number of visiting brethren were present. Bro. Sherwood from Beals Island, Bros. Babcock and Wilcox both of Grand Manan, N. B., Bro. Z. B. Grass from Lubec, and Bro. Fred Moses from Truro. These brethren assisted very much in all the services and they seemed to preach with such earnestness as to cause conviction to rest upon the people. So by this way they got hold of God and success was sure at the start.

The meetings throughout were well attended, morning, afternoon and evening. The power of God was present to carry the truth home to all which caused great spiritual awakening and refreshing from on high. Despite the opposition and things brought to bear upon this people, yet there are a few who are loyal to their Lord and Master and determined to maintain their integrity before God.

Saturday at 2.30 p. m., the quarterly meeting met in their business session, minutes read and approved. Ministers present, Revs. W. H. Sherwood, Z. B. Grass, Bro. Babcock, Bro. Wilcox and Fred Moses.

The delegates present were as follows: Lubec—Bro. James Tyler, Bro. James Parker Sister Louisa Ramsdell.

Grand Manan, including both churches by Bros. Babcock and Eugene Wilcox. Pembroke—Bro. Robinson and Sisters Dudley and Augusta Blackwood.

Beals Island, not represented by delegation, but represented by pastor, W. H. Sherwood.

Calais, not represented by delegation, but reported by letter from Sister Gertrude Young, clerk.

The election of officers was as follows: W. H. Sherwood, president; Z. B. Grass, secretary; Bro. Robinson, treasurer and W. H. Sherwood, Highway Agent.

Adjourn to meet with the church at North Head, Grand Manan, at the call of the pastor.

Sunday was a day of much power and great blessing. At 9 a. m., Love Feast, conducted by Bro. Fred Moses; 10.30 preaching by Bro. Babcock; 2.30 p. m., by Z. B. Grass and in the evening by W. H. Sherwood. Z. B. GRASS, Secretary.

REMARKABLE NARRATIVES.

We have received from the author a book of 352 pages written and published by Rev. A. Sims of Kingston, Ont., containing 70 brief narratives. The preface briefly states the object of the author to be.

1. To convince the unbeliever of the mighty power of God to save to the uttermost, to heal the sick, deliver the oppressed, feed the hungry and clothe the naked.

2. To warn the careless sinners of the terrible doom that awaits them, to show in as striking a manner as possible the awful havoc sin is making, and thus save some perhaps as "brands from the burning."

3. To provide solid food for those who are "hungering and thirsting after righteousness," and to stir up the indolent to holy zeal and usefulness.

4. To promote experimental piety, and to kindle revival fires all over the land.

It contains brief sketches of Henry Martyn, Gregory Lopez, Madame Guyon, George Fox, Archibald Boyle, Hester Ann Rogers, Wm. Bramwell and Charles G. Finney, with many other interesting and helpful narratives. The price is one dollar, but we will make the following offer good until July 1st.

New subscribers to the KING'S HIGHWAY sending \$1.60 will get the book and the HIGHWAY for one year. All present subscribers paying one year in advance can have the book by sending 60 cents additional to Rev. H. C. Archer, Meductic, N. B.

COTTAGES WANTED.

There is the usual demand for cottages at Beulah. Every available cottage has been rented and more wanted. It will pay you to build.

The camp meetings are a combined effort of the churches, assisted by christian workers of other denominations, to get people saved and sanctified wholly. Every church should have as large a representation of active helpers as possible also to bring under the influence of the meetings, as many who need help as possible.

Generally speaking, the camp meetings are engaged in work of the broadest christian spirit, where denominational interests are lost sight of, and the one grand object of salvation becomes the all absorbing theme and purpose, and we sincerely wish that all christians of every name would come aside and rest awhile from the strenuous denominational struggle for membership, and supremacy, and unitedly enter this grand effort for the perfecting of the saints, which will result in a great stimulus among the churches throughout the year.

It pays to attend the camp meeting in every sense of the word. Our bodies need the change and rest, our ideas of christian work are broadened by our intercourse with each other, our hearts are stirred to greater interest and effort, we return to our communities refreshed in body, soul spirit, and frequently a deepened experience, and we thank God for the blessings received through the camp meeting.

Take in both camp meetings: Beulah, July 4-12; Riverside, Aug. 1-10.
