Dear Editor,—

A few words from this part of the field may be of interest to your readers.

We are still trusting in Jesus and looking to Him for victory, and He gives it to us. Praise His name! Brother Henderson has been with us holding special services for some weeks. The meetings have been good, although hindered by very bad weather. One professed conversion, and all were strengthened and refreshed. Brother Henderson has laboured faithfully and his efforts have been appreciated in this place and all over the circuit. He has accepted a call from this circuit for another year, and we hope that God will send showers of blessing upon his work. We need a church building very badly, and hope God will provide a way for us to have one in the near future.

Yours in Jesus,

Percy H. Green.

The best way we know of to get a church is to have faith in God and build one.—Editor.

Dear Highway,—

Our pastor, Brother Howe, held two weeks special services beginning March 3rd. As we have no church building, the services were held in a private house, God was with us; His presence and power were felt in every meeting; many were convicted and some yielded; God's children were blessed and strengthened. We praise the Lord for sending Brother Howe to work among us; his labors have been blessed, and we are looking for greater victory in the future. I praise God for victory in my soul; I am having a good time serving the Lord, and I find the way growing brighter.

Your Sister in Christ,

Long Reach, N. B.

To the Highway,—

In compliance with the rule of our denomination for the ministers to resign each year, our pastor resigned a few weeks ago. At the close of the evening prayer meeting on April 1st, a business meeting was held to see about a pastor for the coming year. Brother Henderson was supported by a good majority and has been asked to remain next year. He has accepted the call. We feel confident that Brother Henderson will not lower the standard of right living nor bring reproach on the Lord's cause.
