President David Starr Jordan says: "Boys who have formed the cigarette habit are like wormy apples—they drop long before harvest time. They rarely make failures in after life, because they do not have any after life. The boy who begins cigarette smoking before his fifteenth year, never enters the life of the world. When other boys are taking hold of the world's work, he is concerned with the sexton and the undertaker."

CERTAINTY.

An old negro once said in a prayer meeting:

"I hab hern folks say, 'hope I has religion, but I doan know;' but I neber hern a man say, 'I hope I has money, but I doan know.' Dat sort of 'ligion dat yer hopes ye's got but doan know, ain' tgwine to do no more good dan de money what yer hopes ye's got but doan know."

The Lord will command his loving kindness in the daytime, and in the night his song shall be with me, and my prayer unto the God of my life.—Ps. 42:8.

A Christian who drops down in his conduct below the standard he once held places himself in a very unenviable position, and causes deep sorrow to those he has been associated with.
