

## OBITUARY

At her home at Four Falls, Victoria Co., Saturday morning, May 15th, at 1 o'clock, Edith Florence, beloved wife of Thomas Wolverton, passed from this life, aged 47 years and six months. Sister Wolverton was only sick a few hours. She had made due preparation for this event while she had her strength. She was baptised by the writer several years ago, and the testimony of those that knew her best was that she lived a devoted Christian. She leaves to mourn their loss, besides her husband, two daughters, Pearl Frances and Hope Beulah; Three sons, Harry Ernest, Eugene Thomas and Donald Nevers; an aged mother, three brothers, one sister and a large circle of relatives and friends. She was highly esteemed by all who knew her.

The funeral was held at the home on Monday at one o'clock p. m., and was largely attended, the writer officiating; text John 14-2. Interment was made at the Baptist Cemetery at Andover. Much sympathy is felt for Brother Wolverton and his family in their affliction.

P. J. TRAFTON.

Died, suddenly, at West Side, St. John, May 19, at residence of her granddaughter, Mrs. H. W. Ketchum, George Street, Mrs. Caroline A. Reed, aged 84 years, widow of the late J. R. Reed, who for many years was postmaster in Carleton. Sister Reed was one of the charter members of the Reformed Baptist church in St. John, and always had a deep interest and took an active part in the welfare of the church. Sister Reed was among those who came through the fires of persecution, and the sifting process in the beginning of the holiness movement in this province. Our deceased sister went through on the death route of the crucifixion of the "old man," and had a sky blue "second blessing," properly so called. While Sister Reed could get to the meetings, her presence and testimonies were always an inspiration to pastor and people, and I am quite sure I am voicing the sentiment of the pastors that have preceded me in this church in saying, she was one of our most faithful and loyal and courageous women. We shall miss her in our work here and at our camp meetings, but thank God, we expect to meet those faithful ones that have crossed over "at the meeting in the air."

The funeral services were conducted by the writer with burial at Cedar Hill cemetery.

G. B. TRAFTON.

Suddenly, at Wood Island, Grand Manan, on May 10th, Brother E. Preble Green, in the seventy-first year of his age. We understand that he had been poorly for some time, but was only laid up from work a few days. Brother Green was converted when quite a young man, a revival wave having passed over the Island at that time. Soon after there was a falling away in religious interest, and for quite a while Brother Green was the only one to stand by the cause. A Sunday school was organized and maintained by him at that time; also a Band of Hope, nine young men joining, who pledged themselves to abstain from the use of strong drink and tobacco, also from profanity. Thus Brother Green manifested a strength of character and purity of life at that time not common among men.

When Holiness was first preached at Seal Cove, our brother found it in his heart to line up to the truth and became a charter member of the Reformed Baptist Church. He has ever since stood for truth and righteousness, always

By some mistake we have numbered the Highway to close its twenty-sixth year with the 30th of June, when in reality it should close its 26th year in December. ## NOTICE.

I am sending out the blanks to the clerks of the churches. Any clerk not receiving the same please notify me at once. As the denominational year ends the 15th June, kindly fill out blanks and return by the 20th.
