"THE LORD GIVETH THE INCREASE."

Dear Brother Baker:

I am sending four dollars for Balmoral Farm Fund. I want to tell you how God answers prayer. I wanted to give more to help pay for the farm. I told the Lord, I did. He sent two hens to me with chickens that I didn't know was setting. They were so late I thought they would not be large enough to kill this winter. I could not explain to you how fast they grew, and were ready to kill. When I got them ready to sell he sent two men to buy them at the door. Well, Father is good to us all. I will trust Him and praise His name.

Mrs. Darius Downey.

Dear Highway:

Enclosed find one dollar as an offering for the Balmoral Farm Fund. I want to say praise the Lord for answered prayer. I can truly say I am saved and sanctified through the precious blood of Jesus Christ my Saviour and Redeemer. Blessed be His Holy name.

Yours in Christ,

Mrs. Casper Riedle.

Dear Brother Baker:

I came here on account of the sickness of my daughter, Mrs. Henry Bradstreet, who had been in failing health for about a year. On January 12th she passed away, and we laid her to rest in the Los Angeles Cemetery on the 14th. She had made a profession of religion before she left my home, and a little before dying told me the Saviour was very precious to her, and seemed so real that she could almost discern Him with the naked eye. So I have a good hope for her salvation. I am now staying a while with Brother Ezekiel and attending the special meeting of the Nazarine University. They have been running a week, and there has been grand work done. Some 35 or over new ones have made a start, and quite a number of them being cases of sanctification. The meetings continue every night this week except Saturday night. The attendance is large, there being about four hundred students attending school, and they are all required to attend meetings. They are a very demonstrative people. At every call to prayer about the whole congregation drop on their knees and some of them really can pray in the spirit and in the understanding also. They seem to get right hold on God. There are many at the altar every night, and some get through. There was 12 at the altar last evening, and we are hoping and praying for greater things this week. I enjoy it very much, coming, as I do, from a church where they make no distinction between the two works of Grace. I am very glad to find the "Highway" out here. It seems like a letter from home. I shall probably remain in this part a few weeks yet before returning home. I am glad to tell you of the deep love I have for God's sanctified people wherever I find them, and that I am still in the race for God. He saves, sanctifies and keeps that which I have committed unto Him. Praise His precious name.

Your Brother in Christ,

J. C. Smith.

Dear Highway:

Perhaps a note from me at this time will

not weary you, since I do not report very often. It is with pleasure I read the articles and correspondence in your pages, and you may wonder, since these are so enjoyed, why I do not supply something along this line myself. Well, my desire has always been, regarding the place of work, Lord send me where you want me, regardless of circumstances, and don't let me go where I would be a hindrance, no matter how bright the prospects. So feel there is possibly a double purpose in some of us going to "hard scrabble" districts—to be taught useful lessons and be kept from injuring a good work somewhere else—so in writing do not wish to hinder something better.

However, I rejoice in the God of my salvation, for he only is my strong tower and rock of defence. Amid the unsettled condition of nations at the present time and the perfidy of the human heart, it is good to have a sure source from which our needs are to be supplied. The Psalmist was satisfied for his "expectation" was from God.

At Mercer Settlement, from Sunday, January 9th to January 23rd inclusive, we held special meetings, assisted by Brother Lester, a former pastor, where we enjoyed some good services, made so by the presence of the Lord. We are quite disappointed in not having with us Brother H. S. Mullen and wife, as we had planned, but while results were not just as we could have desired, yet many testified to their deep conviction, and we trust the seed sown shall grow and mature, bearing fruit to the honor and glory of God. At the time of meeting I was hindered from taking a very active part through an attack of "la grippe," as well as a severe sickness of our baby. May your readers enjoy a prosperous year in the thing of God. But to do this, beloved, we have to fight valiantly "against the wiles of the devil," who, with his cradle of carnal security and deadly dope, on the one hand, and the error of fanaticism with its legion of phases, on the other, seeks to overthrow the kingdom of our Lord and Saviour Jesus Christ. Let us "contend earnestly for the faith once delivered unto the saints."

I am thankful for companionship and the privilege of introducing The Highway as I go.

And remain, still trusting,

L. T. Sabine.

Sister Margaret Golding, in a recent letter, says:

"I am pressing on the upward;
New heights I am gaining every day."

My Saviour is very precious to me. I am conscious of His love to me. He reigns in my heart.

I take great delight in reading the Highway; then I give it to my neighbors to read. It seems to me to be getting better all the time. I am very much pleased with Brother S. H. Clark's sermon. May God bless him. It is needful for us to keep our eye fixed on God all the time. So many go astray.

Dear Brother Baker:

Enclosed you will find money order for \$33.00. This is a special offering from the St. John Missionary Society for the Balmoral fund.

Our meetings are held regularly and are in-

teresting and we hope to do more for the Master in the future.

My own personal testimony is that Jesus is very precious to me. Sometimes the battle is hard, but I have peace and victory through faith in the blood.

I praise God for full Salvation and by his grace I mean to go all the way. Jesus and the precious blood cleanses.

Ella H. McCarthy,

Treasurer of St. John Missionary Society.

Dear Highway:

We wish to express our thanks to the dear people of North Head, who gave us a surprise donation on Wednesday evening, January 26th. Just before service the baskets of cooking and groceries began to come in and continued until the table was full. We are sure that Brother and Sister, H. S. Mullen, as well as ourselves, have enjoyed these extra blessings very much.

May God richly repay these precious people.

H. C. and Mrs. Mullen.

Dear Brother Baker:

My husband wants me to write you a note concerning the meetings. We have had service every evening for over three weeks. The people show much interest and many souls are seeking salvation. Some have sought sanctification also. Last night, notwithstanding the muddy roads, the church was full and nine seekers were at the altar. A young brother and his wife have been reclaimed. Another young fellow who enlisted was a seeker on Sunday evening. We had a glorious meeting that night. A large number of young girls and some few young men have been converted.

Brother and Sister H. S. Mullen have preached the truth with power, and God has blessed us all. The church too has stood by the work nobly. Brother H. S. Mullen has been sick for a few days with a severe cold, but is better now. They go away tomorrow to help Rev. S. H. Clark in N. S. We wish they could help us longer for conviction seems settled everywhere.

Dear Highway:

How quickly time passes, a few more years and the most of use will have reached our limit, and it is only the "Canaan land experience that will keep us" unspotted from the world, and bring us to the end of the way triumphantly.

We have great reason to "Praise the Lord" for such a salvation, Isa 12: 3-6.

There has been much sickness here this winter, and we have felt the effects of it in the work of as many of our people were laid aside for some time, but the Lord was always on hand to meet those who were able to get to His house and His presence has been very real to us.

Just here I want to acknowledge the kindness of friends in their annual remembrance. Brother and Sister E. Cosman gave us a very nice turkey and Brother and Sister Stanley a pair of fine chickens for Christmas, and many others did not forget us. On January 13th quite a number of our friends who could get here came and spent a pleasant evening with us, and before leaving presented us with a purse of money, as an expression of their goodwill and fellowship in the work of the Lord. May the Lord richly award them all is my prayer.

G. B. Trafton.
