## EDITORIAL.

### "YE MUST BE BORN AGAIN."

#### God's Method of Saving Men.

But as many as received Him, to them  
gave he power to become the Sons of God,  
even to them that believe on his name:

Which were born, not of blood, nor of  
the will of the flesh, nor of the will of man,  
but of God.

John 1:12-13.

#### PRESENT DAY EVANGELISM.

Man's method six, eight, ten or more  
decisions.

So many: Signed decision cards. Which  
were what?

Has God's method failed?

Has it become obsolete?

Has man formed a more effectual plan?

My brother, do you want to risk your  
soul on anything less than a verified super-  
natural work of divine grace changing you  
to a Son of God according to John 1-12  
and 13?

Who hath delivered us from the power  
of darkness, and hath translated us into  
the Kingdom of his dear Son:

And you, that were sometime alienated  
and enemies in your mind by wicked works,  
yet now hath he reconciled.

In the body of his flesh through death,  
to present you holy and unblameable and  
unreproveable in his sight.

If ye continue in the faith grounded and  
settled, and be not moved away from the  
hope of the gospel which ye have heard.  
Col. 1:13-21-22-23.

To as many as received Him.

Born of God.

Delivered from the power of darkness,  
and translated into the Kingdom of his  
dear Son. Reconciled with God—To pre-  
sent you holy, and unblameable, and unre-  
proveable in his sight.

This sounds like something more than a  
decision, water baptism, and the hand-of-  
fellowship into a church.

## OBJECTS FOR CONTRIBUTIONS.

The following objects of general  
interest for contributions, or **Thank  
Offerings**, now before us, viz.:

Jonesport, Maine, Church. See ap-  
peal in this issue.

Meductic Church. See proposed  
plan in this issue.

The New Tent, just purchased for  
1918 Tent Meetings.

Home and Foreign Missions.

And Highway Supplementary Fund.

Little children, let no man deceive you:  
he that doeth righteousness is righteous,  
even as he is righteous.  
1 John 3-7.

God's Word is the standard. If decision  
means a transformed life, inside and out,  
a changed nature, with old things gone,  
habits, associations, and all that belonged  
to the old life, talk, pipe, quid, cigarette,  
cigar, theatre, picture show and such like,  
and all things has become new, then we  
are ready to accept the modern term.

"If any man be in Christ Jesus he is a  
new creature."—It is a new creation.

To lower the standard, is to take an aw-  
ful responsibility.

## CORRESPONDENCE.

Dear Brother Baker:

I am sending two dollars for my renewal  
for the Highway, which is a welcome visit-  
or in my home, and one dollar for the Me-  
ductic Church.

I am still trusting in the Lord and he  
keeps me sweetly abiding in him. Praise  
his dear name. "Where Jesus is, 'tis heav-  
en."

SARA A. ALLEN,  
Hoyt Station.

Dear Brother Baker:

Enclosed you will find \$4.00 for a Na-  
tive Worker as a little thank offering to  
God for his wonderful goodness to us. He  
is giving us both spiritually and tempor-  
ally, and is unspeakably precious to us. He  
has given us a precious babe, who is now  
nearly a year old; we call her Faith, and  
our prayer daily is that she may grow up  
and be used of God in the work of salva-  
tion of souls, and that we may teach her as  
God would have us. She is only one of  
the many blessings which God has bestow-  
ed upon us, and we wish to testify to the  
brothers and sisters through the pages of  
the Highway that God is still keeping us,  
and we are determined by his grace to fol-  
low all the way.

HENRY J. AND MRS. SEELEY,  
Hartland, N. B.

I have asked God to make me so sick of  
this world, that I will be homesick to go  
to heaven.—A. W. McCallum.

Renewals are not coming in as fast as  
we should receive them at this time of the  
year. Many subscriptions expire in Octo-  
ber, November and December. Please  
look at your label.

## VIEWS ON THE ST. JOHN RIVER AND TRIBUTARIES.

By the courtesy of "The Fredericton  
Tourist Association," we have obtained  
the loan of a number of cuts, giving ex-  
cellent views along the St. John River,  
from the Oromocto to Edmundston, which  
we purpose using, one in each issue. We  
are sure this series will be interesting to  
our readers, and especially those who are  
scattered abroad, away from their old New  
Brunswick home-land. It will also reveal  
to thousands of people these beauty spots  
along our beautiful river. The use of these  
plates is very appropriate for "The King's  
Highway," being the only definite holiness  
periodical published in the Maritime Pro-  
vinces. We use no space for advertise-  
ments and we can be excused for the small  
amount of space we use for these views of  
our province of which we are justly proud.

## GLEANINGS FROM THE PROVINCIAL S. S. CONVENTION.

The Sunday School is not a separate in-  
stitution, but is a part of the church.

The Sunday School is the church at  
work.

The business of the church is to train  
people for missionary work; to hand over  
to the church trained workers.

President Wilson said, the United  
States were fighting to make the world  
safe for democracy. The Sunday School is  
in the fight to make democracy safe for  
the people.

The state has the right in time of war  
to call on any man for the safety of the  
state, so in the kingdom of God, God has a  
right to call on any man for the further-  
ance of His cause.

Any nation that fails to build character  
is courting destruction.

If we fail to make democracy religious  
we fail at the vital point.

An educational bad man is always a  
menace.

Perhaps if we exerted ourselves a little  
more to keep children from drifting away  
we would not have to do so much to win  
them back.

Our chief contribution to this world is  
to lives younger than ourselves.

To sweep the liquor business into hell  
would be a better job than to win the war.

Intelligence does not make character; it  
needs intelligence and righteousness.

The Sunday School Association helps  
the church, and the church helps the Asso-  
ciation.

The ideal for the Men's Bible Class is,  
Every man a leader somewhere and a  
booster everywhere.

There are 31,000,000 people in Sun-  
day Schools in the world.

If this army were to march past a given  
point four abreast, marching eight hours a  
day and six days in the week, it would take  
one year and eight months for them to go  
by.

H. C. MULLEN.

(Presbyterian Record.)

"The government of India has been  
obliged to send out of the country four  
hundred missionaries of German origin or  
sympathies, and to intern many more, to  
prevent their creating trouble among the  
natives."
