

SABBATH OBSERVANCE.

Your committee on Sabbath observance beg leave to report that we re-affirm our position as a denomination as regards the sanctity of the Lord's Day. And we regret that there is a growing tendency among the professed churches of God to do their own pleasure on his day. And we believe those using automobiles should be very careful as to what purpose they use them on the Sabbath. And we believe that the teaching of God's Word is against any nation or people who disregard His commandments to remember the Sabbath Day to keep it holy; and also may state that we are in sympathy with the work of the "Lord's Day Alliance" in their efforts to enforce the law regarding the observance of the Sabbath.

Dear Highway:

A few lines to let your readers know about the special meetings at Gordonsville, Car. Co. Rev. H. S. Dow was the preacher. The battle began on May 27th, and closed June 21st. The devil did all he could, in about all the ways he could, to hinder the work; there were some fierce encounters, but our God did not fail us. and we have the victory. Praise His name. A number were converted, reclaimed and sanctified. On June 10th five were baptized, three others followed their Lord in this blessed ordinance the evening of the 21st; others will follow later. Seven united with the church. To God be all the glory. Keep on praying.

P. J. TRAFTON.
