

MINISTERS AND CHURCHES.

The latest word from Dr. H. C. Sanders, of Hartland, South Africa, dated Aug. 22, was that Sister Sanders had fully recovered from her attack of malaria, but he was confined to his room with a rheumatic hip. Mrs. Sanders has an educated native girl from Durban for "Mother's help," and Dr. Sanders has a Dutch-man as a "Father's help." He says, "two crying needs," but we should judge, "two working needs" would be more appropriate. Aug. 26th was their communion Sunday at Balmoral, one young man asking for baptism.

Rev. W. B. Wiggins was in Moncton on business a few days last week. He was present and took part in our monthly missionary meeting on the 9th inst.

Rev. E. W. Lester baptized four persons on Sept. 23rd. On the 29th he took a party with him and visited Geary and held a service Saturday night, and two services on Sunday, the 30th inst., returning to Marysville for the evening service. Brother Lester reports good meetings at Geary, and on the Marysville-Penniac circuit.

Dr. Sanders and Sister Sanders organized the third Reformed Baptist Church in South Africa recently. See his letter in this issue.

Rev. P. J. Trafton baptized eight persons at Lower Brighton on September 30th as a result of the special revival services he has held there assisted by Evangelists H. S. and Mrs. Mullen.

The Jonesport Church has begun the foundation for their new church building. They sold the old one. They are beginning a work of faith. We hope they will decide to build larger than the size they have stated to us. It is very small for the size of the town.

Rev. H. C. Archer has been working in Kings County in connection with the Dominion Temperance Alliance during the past week at Hampton, Sussex, Hatfield's Point and Kingston, returning home on the 11th inst.

Mr. F. W. Foster began a series of special services with Rev. H. C. Archer at Fredericton, N. B., on the 11th inst.

Evangelist A. P. Gouthey, wife and daughter are visiting Rev. E. W. and Mrs. Lester at Marysville, N. B. Brother Lester will hold a series of special services in the near future, assisted by Evangelist Gouthey.

Rev. H. S. Dow says: The meetings in St. John were good; a number professed to be much helped.

Brother Dow preached at Green Bush, Southampton and Meductic on Oct. 7th, and enjoyed a good day. He left for Nova Scotia on the 11th to begin service with Rev. L. T. Sabine at Sandford, N. S.

Rev. S. H. Clark has settled down to his regular work at Calais after being away during the summer months. His address is 188 North Street, Calais, Maine.

"We must, therefore, state plainly that when no more than ordinary power of usefulness appears, where no marked religious effects are realized, there is strong reason to doubt whether entire sanctification exists." "We, therefore, put it down as a fact inevitable, that if holiness is enjoyed and lived, it will be diffused."—Central Idea.

OBITUARY.

John Ward.

The many friends of Mr. John Ward will regret to hear of his death which occurred in the Moncton City Hospital on Thursday night last, after a serious illness of four weeks.

The deceased was 72 years of age, and leaves to mourn his wife, four daughters and one son.

The daughters are Mrs. Bertha Dowling, and son, Charles, all of Campbellton, and Mrs. Geo. A. Mann, Mrs. W. Harry Foster, Mrs. Geo. W. Sherwood, of Moncton, who was with her father until the last.

The remains were taken to his home in Campbellton, where the funeral took place Sunday afternoon at 2 o'clock. The services were conducted at the house and grave by the Rev. W. Champ, B. D., pastor of the Baptist Church, and was largely attended.

Brother Ward was one of those converted in the revival services in the Reformed Baptist Church at Moncton last winter and was baptized by Pastor S. A. Baker and united with the church, and ever after lived with victory in his soul, and was faithful unto death. It is quite exceptional for a man of 72 years of age to be converted.
