RIVERSIDE CAMP MEETING WILL BE HELD AUGUST 3-12.

BIVOUAC AND RIVERSIDE CAMP MEETINGS.

(By the Editor.)

We anticipate a grand season in our camp meetings. The financial conditions brought about by the war, the high cost of living will cause us to economize in the expense of conducting the camp meetings again this year, so we will not employ paid evangelists, but depend upon our own ministers and laymen and the local brethren who come in among us to conduct the services. So, beloved, let us get away from the idea of attending the camp meetings to be entertained by a stranger; but let us gather to put our hearts into the work of God unitedly, in prayer and testimonies, and songs of gratitude and praise. Last year was a grand success and the meetings were enjoyed by all who came, possibly with a very few exceptions, and even they might have served the same end as "Paul's thorn in the flesh," to exercise the grace of patience and endurance.

So let us pray "Lord bring those who will help and get help, and keep those away who will hinder."

There is no possibility of failure if all come in the "power of the Spirit" with the purpose of being helpful in all ways that present themselves to us. Come to serve, not to be served. Jesus Christ himself came to serve.

Settle all troubles in our closets at home; don't load up with real or imaginary troubles to bring them to either the Alliance or Camp Meetings. Leave even cares behind, give "the Lord a chance to help you, and make you a help and blessing to others.

"Even those who guard their bank accounts with exceeding great care," can stand a fair chance of enjoying the services. As we have no large sums of money to make up this year, and we will give notice when an offering is to be taken, and they can take a walk down on the shore for meditation and prayer, for a special offering is very painful to some who are quite conspicuous at all other times. But a camp meeting would be a failure to the "hilarious givers," if they did not have the privilege of joyful giving. So we will have several offerings just for these dear people to exercise the gift which gives them great joy and gladness.

The camp meetings will be run on the grand old line of the "double cure" for sin without "side-tracks," and only one "turn-table," where people turn into God and get

saved, and the turn-table will be run by divine power.

The Hotel Committee may be compelled to increase the price of board a little on account of the greatly increased price of food-stuff, unless some of the hilarious giving farmer brethren and sisters make contributions of potatoes, turnips and other vegetables, and a number of hams to help. It would be a grand thing to have a picnic camp meeting when the people would bring sufficient food, and have a regular pentecostal time, when they fed the multitude free of charges.

THE HIGHWAY.

We wish to report that the subscriptions have come in sufficiently so far to keep our reserve fund in tact, and we look for many more renewals between now and the meeting of the Alliance. Our readers will please take notice that all subscribers should now be paid up to the early months of 1917. Should pay to 1918. Quite a number who have paid their renewals have added small contributions to the Highway fund voluntarily. This has helped us. Let us not only carry the Highway through to the Alliance, but let us raise the working fund up to its usual amount.

Bring ye the whole tithe into the storehouse, that there may be food in my house, and prove me now herewith, saith Jehovah of hosts, if I will not open you the windows of heaven, and pour you out a blessing, that there shall not be room enough to receive it.—Mal. 3:10.

"All attempts to 'improve' the saloon are like efforts to develop a benign form of tuberculosis and cancer, and a harmless brand of opium. Evil in its character and its consequences, the only logical way to deal with the saloon is to abolish it."
