

MINISTERS AND CHURCHES.

Rev. F. T. Wright has been detained at St. Stephen on account of the illness of Sister Wright at the Chipman Hospital. Rev. H. S. Dow and Rev. H. C. Mullen have been conducting the special revival services at Seal Cove, Grand Manan, during his absence.

After the services close there Brother Dow will assist Pastor H. C. Mullen at the North Head Church.

We are glad to receive a good letter from Licentiate Vinton Beal, who is a student at the P. C. Institute at North Scituate, R. I. Brother Beal is nobly striving for an education in preparation for the ministry. If any have no sons to help through school, perhaps they would enjoy giving Brother Beal a lift on the way.

The Editor made a business trip to Fredericton on the 15th, returning on the 17th. While there we had the privilege of calling on Pastor H. C. and Mrs. Archer, Deacons D. F. Knight and R. Barr, and several others. Reports of the work at Fredericton are encouraging. Brother Archer is doing good work.

Rev. E. W. Lester, of the Marysville circuit, is enjoying a continuous revival interest, especially at Marysville.

Sister I. F. Keirstead was able to be moved from the hospital to Brother Robert Barr's home on the 16th, where she will remain until sufficiently recovered to go to her home at Millville.

The revival spirit and interest and conviction, and unity, and joy, and soul labor are still with us in the Moncton church. Many of the R. R. Christian Brotherhood were much helped in their Christian experience in our special services, and in the R. R. shops under the preaching by Brother Foster, and now as they have opportunity, they come to our prayer meetings and help us much. The attendance was unusually large on the evening of the 23rd.

A very helpful meeting of the Sunday School workers of the City of Moncton was held in the Reformed Baptist Church on Monday evening, 19th inst. Mr. W. C. Knight presided. Excellent addresses were made by Mr. W. C. Knight, Rev. Mr. Ross, Mrs. Dr. Keith, Miss Addie, Mr. Kingston, Principal Oulton, Mr. Lather and others.

Evangelist H. S. Mullin will go to Brazil Lake, N. S., to assist Pastor L. T. Sabine in special services, beginning March 4th.

The services at New Tuskett are good with good interest.

We were delighted with a letter from Licentiate Leon J. Alley. It is full of courage for the work as a Foreign Missionary, and an ambition to be fully fitted for his work. Half fitted men are at a disadvantage at home or abroad, so we are very glad that our young brother has an ambition to be "a workman approved of God, that needeth not to be ashamed, and able to rightly divide the word of truth."

A note from Sister Keirstead says: I wish to express my appreciation to our many friends for their letters of enquiry, and their prayers in my behalf. I am gaining nicely and hope to be strong enough to go home before long. I am able to walk about the house a little.

Evangelist F. W. Foster will not be able to assist Brother and Sister Keirstead at Millville until the first of April.

Bad roads and the cold rough weather have hindered the pastors on their circuits considerably during the past two months.

The first district quarterly meeting will be held at Victoria, beginning March 8th. The people wish a large attendance. Teams will meet the trains at Hartland. A grand meeting is anticipated. Ministers expected to be present are: Revs. A. H. Trafton, J. H. Goy, B. Colpitts, W. B. Wiggins, C. S. Hilyard, H. C. Archer, E. W. Lester, I. F. Keirstead, P. J. Trafton, H. Smith, and Licentiate Perley Briggs.

Rev. Percy J. Trafton, formerly pastor of the Reformed Baptist Church in Fort Fairfield, now pastor of that church in Hartland, N. B., was a guest of Rev. S. Hilyard, of this village, on Friday.—Fort Fairfield Review.

Rev. C. S. Hilyard in a note says: "I am glad to say I never felt better, nor in more rugged health in my life, for which I thank the Lord. Some new ones have given themselves to God lately. Two were at the altar Sunday afternoon at Robie, and we have some new voices in the services in Fort Fairfield and others are taking on strength. We have organized a Bible study class at Robie which is very interesting."

Brother Dow reports victory at Seal Cove, Grand Manan, with considerable numbers of seekers at the altar.

Brother F. T. Wright went to St. Stephen and accompanied Sister Wright home from the hospital on the 23rd inst.

SHORT MEASURE.

Those who feel little or none of the work of God in their own hearts are not willing to allow that he works in others. Many deny the influences of God's Spirit, merely because they never felt them. This is to make any man's experience the rule by which the whole word of God is interpreted, and consequently to leave no more divinity in the Bible than is found in the heart of him who professes to explain it.

DR. A. CLARKE.

When the great bridge in St. Louis was nearly completed, it was found that the two halves of the structure would not quite meet in the center. An engineer was sent to New York to consult authorities in the emergency. While he was trying to ascertain where the error lay, he received a telegram telling him that the warmth of the sun had expanded the iron so that the two ends had come together. As quickly as the telegraph could carry the message he sent back word: "Clamp them." And it was done. When the Holy Spirit works in the church, then is the time to take advantage. Now is the time. Now is the time to get into the kingdom those for whom you have been working so long, as also many others in the community.—Selected.

The Highway has readers, a good number of them, who are financially able to pay the whole expense of publishing it weekly, and sending it forth on its mission, as a personal work if they were so minded. Brethren, we are not lacking the ability—only the will to do it.

PERSONALS.

Sisters Mrs. S. Hayden Shaw and Mrs. P. J. Trafton are among the many who are sick at Hartland and vicinity.

Dr. J. E. Jewett spent a day in Fredericton last week. His dental work for the 65th Battalion keeps him very busy in his office at Woodstock.

Evangelist F. W. Foster had a very successful meeting at Oxford, N. S., according to a report by Pastor G. W. Henderson.

We received a cheery letter of brotherly greeting from Evangelist George J. Kunz, of Syracuse, N. Y., last week. There is refreshing even in a brief note from Brother Kunz. Some call him the editor's double, but we don't anticipate any trouble to either through mistaken identity, as we both preach full salvation and fellowship with the excellent of the earth.

Rev. R. O. Norris is now pastor of the M. E. Church at Park City, Utah.

Brother George T. Harrop is spending a few days in Moncton and Sunny Brae with friends.

Brother G. W. Richardson, of Fort Fairfield, has taken the Highway from the first issue—over 28 years.

Brother Donald Tedlie, who is undergoing instruction at Halifax, N. S., in the Signal Corps, made a very pleasant call on the Editor and Mrs. Baker while passing through Moncton on the 27th inst.

Brother David P. Tompkins says: Enclosed find my renewal for the Highway. We cannot get along without such an interesting paper. I am saved this morning and am enjoying the fullness of the blessing by the way of the baptism of the Holy Ghost and fire. This great blessing is something we all need. I know that I have got the blessing and it never gets stale. Praise God for the joy that is unspeakable and full of glory.

I remain yours saved and sanctified,
DAVID P. TOMPKINS.

The first district meeting will convene with the Church at Victoria, Carleton Co., Thursday, March 8th.

MARRIED.

Tranquill-Brawn.

A quiet wedding took place on Feb. 14th, at 3 p. m., at the home of Mr. and Mrs. Thomas Brawn, Millville, N. The bride was presented with a gold wrist watch by the groom and also other nice presents by her friends. They will reside in Millville. The ceremony was performed by Rev. I. F. Keirstead.

At the Reformed Baptist parsonage, Seal Cove, Grand Manan, on Feb. 10th, 1917, at eight o'clock in the evening, Mr. Howard Zwicker and Mrs. Alma Ingersoll, of the above place, were united in marriage by Rev. F. T. Wright.
