Rev. G. B. Trafton, assisted by Rev. W. E. Smith, of Monroeton, Pa., began special revival services at Norton on the 9th inst.

Six members were received into the Moncton Church by Pastor S. A. Baker Sunday evening, the 7th inst.

The second quarterly meeting of District No. 3, comprising the churches of St. John, Kings and Westmorland Counties, N. B., and Westchester, N. S., will convene with the church at Westchester Station, N. S. May 23rd, and continue over Sunday, 26th. Please note this and plan to be there.

Good meetings and much blessing is the word from our churches that we have heard from.

Rev. H. C. Archer received five new members into the church at Fredericton, N. B., recently.

The special services at Millville are beginning very encouragingly. Rev. H. S. Dow and Rev. H. S. Mullen and wife are assisting Pastor I. F. Keirstead.

Sister I. F. Keirstead went to Fredericton on the 8th inst. on account of the serious illness of Sister Knight.

The monthly missionary meeting was held in the Moncton Church on the evening of the 9th inst. Mrs. W. D. Blakney presided. A short but good programme was given by the children. A map lesson on Africa was given by Mrs. S. A. Baker, and an excellent reading by Mrs. H. N. Loomer.

The special services at Woodstock were successful in conversions, reclaimations and bringing people into "the fullness of the blessing." Brother Smith did excellent work and was highly appreciated by all who heard him. While services were in progress in other churches while he was there, there were people converted and reclaimed in his services from other congregations. The usual difficulties, including bad weather, bad roads and sickness were encountered.

Rev. P. W. Briggs reports a good continuous revival spirit on his circuit.

Rev. A. H. and Mrs. Trafton have rented their home at Woodstock, N. B., and will spend the spring and summer visiting the members of their family.

Rev. P. J. and Mrs. Trafton were presented with \$27.50 by the church at Victoria on the evening of the 8th inst.

PERSONALS.

Brother and Sister S. Hayden Shaw, of Hartland, are stopping with their daughter, Mrs. G. B. Nixon. Their health is poor at present.

The three years old son of Brother and Sister W. A. McCallum slipped away from his home on the afternoon of the 6th inst. and went to the C. G. R. station and climbed aboard of the N. T. R. train and was carried to Chipman, N. B. While his parents suffered great anxiety for his safety, the young man enjoyed a first class time, and made many friends, and was brought home on a freight train at 4 o'clock Sunday morning, loaded with peanuts and fruit and a pocket full of change. Like many boys, he was lost, and didn't know it.

We are very glad to hear that some beloved people who have been associated with us in the work for years past, have decided to unite in the bonds of membership with us. This includes Sister Morrell, of Fredericton, N. B., and several others in other churches.

Brother Thomas W. Whitten has removed to Presque Isle, Maine.

We had a pleasant call from Brother W. R. Carson, of Norton, last week, being in the city on business. We are always glad to see the brethren.

Brother Silas Burt writes: Please find enclosed my renewal, and money for a new subscriber for the Highway. I am glad to report victory in my soul, and I am today enjoying the blessing.

Don't take chances by sending money loose in letters. Get Postal, Money Order, Express Order or Register.

Sister D. F. Knight, of Fredericton, and Sister Odbur Sharp, of Woodstock, are seriously ill.

Miss Clare Wilcox, of Grand Manan, who is teaching in Sunbury County, N. B., spent Easter with Rev. H. C. and Mrs. Archer, at Fredericton.

Rev. G. B. McDonald, of Sussex, was in Moncton on the 9th inst.

Brother Elias Porter has moved to Yarmouth, N. S., for the summer. We have a number of good strong members in Yarmouth, and we think it would be a good idea for them to form themselves into a band and invite the pastor of Sandford and Port Maitland Circuit to visit them, and to have a series of revival meetings, or a tent meeting during the coming summer.

We are glad to have an article from the pen of Brother B. N. Goodspeed for this issue. Brother Goodspeed has been a member of the publishing committee of the Highway from the beginning of its publication, and has a copy of every issue.

OBITUARY.

John Philip Harding.

At Woodstock, N. B., April 4th, of whooping cough and pneumonia, John Philip, aged 9 months, only child of Mr. and Mrs. Robert Harding, of Woodstock. Little Philip was a very hearty child to all appearances, till he was stricken with whooping cough, which was quite general among the children of the town. The whooping cough soon developed into pneumonia, and notwithstanding the seriousness of the disease, the fond parents' affections and faith and hope clung to the little one almost to the very last breath.

The funeral services were held on Saturday evening previous to the departure of the Valley Railway train for Centreville, and thence to Bridgewater, Me. (by team) where he was buried near the former home of Mrs. Harding. The sincere and hearty sympathy of the church and friends was manifested towards Brother and Sister Harding in their deep sorrow. The writer officiated at the funeral services in Woodstock, assisted by Rev. W. E. Smith.

W.

The funeral of Mrs. John C. Beal took place at the Reformed Baptist Church, Beals, Maine, on Sunday p. m., March 17th. She leaves to mourn their loss a husband and seven children. The service was conducted by Rev. T. W. Moses.

He died after an illness of several months of consumption. The funeral service was held in the Southville Christian Church, the writer officiating. Interment was made in the cemetery of that place.
