

MINISTERS AND CHURCHES.

Rev. A. H. Trafton has spent four weeks at Salem, Kings Co., N. B. The meetings have been good. Brother Trafton reports a full house and a grand meeting Sunday evening, Sept. 29th. He left for St. John the 1st of October.

The quarterly meeting of District No. 4 held at New Tuskett, N. S., is reported as a good meeting, although Brother L. T. Sabine was unable to attend on account of sickness in his family, and Brother H. S. Mullen, who expected to assist in the quarterly meeting, was also sick, so he was unable to attend the services, leaving Brother Briggs to do all the preaching.

Rev. H. S. Dow is pressing the work on the Meductic Church, being unable to get sufficient help, he took off his coat and did the work the gentleman of the masons tender, and says he has experienced the fact that a man can work the ends of his fingers off, in handling cement blocks, which he carried to the top of the building, "and the mason done the work."

Now, beloved, we must do our part in funds to help finish this church. Let us have a quick and liberal response. Send your gifts to Rev. H. S. Dow, Meductic, N. B.

The work on the Meductic circuit is very encouraging.

Rev. H. C. Archer attended the Provincial Sunday School Convention held at Moncton, N. B., last week. He left for home on the 11th. The convention was ended one day sooner than it was intended to close by order of the Provincial Board of Health because of the wide-spread epidemic of influenza.

Rev. W. B. and Mrs. Wiggins came to attend the Provincial Sunday School Convention and are spending some time visiting old friends at Moncton, as their services at Woodstock have been suspended by the general order as has all services and other gatherings in the province of N. B.

Rev. P. J. Trafton reports good meetings at Hartland with considerable interest manifested.

Rev. W. W. Howe reports a good interest in the services at St. John, N. B.

The special services that were planned for Lower Brighton, Carleton County, in which Brother F. W. Foster was to assist the pastor, have been postponed on account of the influenza.

It is real refreshing to get such a stirring report from the revival meeting at Grey's Mills which our readers can read in this issue.

Brother and Sister Mullen went to Lutz Mountain to hold special services but were hindered by sickness in the community.

Rev. I. F. and Mrs. Keirstead were called to Kings County by the serious illness of his brother, but he recovered and Brother Keirstead returned home. Sister Keirstead tarried to hold a missionary meeting at St. John, and to assist Rev. G. B. Trafton at Grey's Mills on Sunday, the 13th inst.

Work has been begun on the repairing of the church at Middle Southampton.

The work on the Meductic Church is progressing well.

Rev. W. B. Wiggins is in St. John to-

day (15th), sending out the minutes of the Alliance to the clerks of the churches and pastors for distribution.

In these days when the church services are closed, don't forget the needs of the ministers, who are dependant on the Sunday offerings for their living.

PERSONALS.

A largely attended reception and a generous gift of money was presented to Rev. H. H. Cosman and wife, on the occasion of their removal from the church at Littleton, Maine.

The following is from the Houlton Times of Oct. 2nd:

Rev. H. H. Cosman who will leave Littleton in a few weeks to take up the work in another place, came to the Littleton F. B. Church 4 years ago last June. During his stay the church has prospered, a debt on the parsonage has been paid, a new vestry built and all branches of church work have been improved, 65 new members have been added to the church. Both Mr. and Mrs. Cosman have made many friends during their residence here who will sincerely regret their departure but the best wishes of their many friends will go with them to their new field of labor.

The account did not state where they were to make their future residence.

Sister Gideon Dow, of Malden, Mass., says: I thank the dear Lord for his goodness to me and mine. There has been sickness and death all around us, but the dear Lord has spared us. We have not had meetings for two Sundays on account of the widespread epidemic. I am trusting the Lord for life, or in death.

Sister Mrs. L. J. Alley sent in a new subscriber for the Highway, and says: There is a good interest in the churches here, and we are looking forward to evangelistic services soon. We are looking for victory and are determined to keep in the will of God.

Miss Luella Colpitts, of Woodstock, was a delegate at the N. B. and P. E. I. Provincial Sunday School Convention held at Moncton last week.

Brother O. R. Esty spent Sunday, Sept. 29th, at Moncton. We are always glad to have Brother Estey at the services and Sunday Schools.

Mrs. Ralph Seeley and Miss Abbie Seeley, who have been visiting relatives at Fort Fairfield, were calling on Hartland friends this week, enroute to their home in Oklahoma City.

I love to read the Highway and I also love the truths and principles for which it stands. My testimony is: No other life but that surrendered to the will of my Father is satisfying. I find it surprising many times, the beautiful things Jesus brings to my life, both temporal and spiritual when I just let Him have His way with me. He grows more precious every day. Bless His Holy name for salvation. May God bless every reader of the Highway.

Yours in Christ,

VIOLET J. B. BAGLEY.

Brother Stanley Hallett says: I will say of the Lord this morning that he indeed is our refuge, and want to praise him for his great salvation. I have peace in my heart this morning that the world cannot give.

Sister Mrs. Henry Smith and her son, Phillip, have been visiting relatives in Carleton County. They returned to Halifax this week. Sister Smith was a blessing in the Sunday services.

If you want union with a holiness church, accept and obtain the blessing of "entire sanctification," the "second blessing," "properly so-called," and the union will be spontaneous, simultaneous and instantaneous.
