

MINISTERS AND CHURCHES.

Brother Thomas Mitchell reports the Marysville Church as enjoying much blessing, and that they are expecting to begin special services in March. Rev. H. S. and Mrs. Mullen and Rev. H. S. Dow, assisting Pastor E. W. Lester. Marysville circuit, has enjoyed almost a continuous revival during Brother Lester's pastorate.

This has been a hard winter for work on the circuits in country places on account of the heavy storms.

Some of our pastors have found much difficulty in keeping up their services. At times they were unable to do it. The people lost some of their spiritual privileges, but we hope they considered the pastors, and sent their blessings for their temporal needs. Many pastors' supply is frequently cut off when he cannot reach his appointments.

Rev. C. S. Hilyard says: Our meetings are good. We had a great prayer meeting on the 12th. One brother came out since the special services closed and is getting along fine. Another brother has been sanctified wholly. We had a cottage meeting tonight. We took up an offering of \$240 on Sunday night. Things are going well considering all things.

Good reports come from the special services being held at Hartland by Rev. P. J. Trafton, assisted by Rev. W. E. Smith; attendance and interest good, and Brother Smith is presenting the double cure for sin in the power of the Holy Spirit.

The special services at Lower Southampton being held by Rev. H. S. Dow and Rev. H. S. and Mrs. Mullen, are increasing in interest. Several have risen for prayer.

The First District Quarterly Meeting at Woodstock will begin March 7th, continuing over Sunday, the 10th inst. Special services will follow, Rev. W. E. Smith assisting Pastor Rev. W. B. Wiggins for two or three weeks.

The cottage meetings being held by our people at South Devon (Gibson) are seasons of blessings and are increasing in interest.

A good day was enjoyed in the Moncton Church on the 24th. The attendance at all services and Sunday School is encouraging.

A GOOD WAY TO INCREASE THE READERS OF THE HIGHWAY.

Brother S. T. L. Wiggins sets a good example by taking two copies, one for himself and sends one to a minister. Have you a friend you would like to send the Highway to?

Dear Brother Baker:

You will find enclosed my renewal for the Highway. I enjoy reading it very much and look forward to its coming.

Yours in Him,  
MRS. ALBERT FAWCETT.

PERSONALS.

Brother and Sister A. S. Parlee have passed through a very testing experience. Their two sons are in the army, one in France and the other wounded in England, and they passed through the Halifax disaster, after which they moved to St. John. Brother Parlee is on the C. G. R. between Halifax and Montreal.

Brother and Sister S. B. Charlton's only son enlisted with the 236th and is now overseas. Sister Charlton is at Centreville visiting her parents.

Sister I. F. Keirstead spent a week at St. John West with her sister-in-law, Mrs. J. W. Keirstead. She expects to attend the quarterly meeting at Woodstock.

Mrs. M. L. Stephenson in sending her renewal for the Highway says: I enjoy the Highway very much, and feel that I cannot do without it.

Sister Currie, who had been a subscriber for years, but changing her residence, discontinued it for a time says: Please send me the Highway again. I am lonesome without it. I thank the dear Lord for preserving me under the precious blood. I am looking to him for strength daily. Praise his name.

Edward Higgins, our well known blacksmith, who has been in quite poor health the past week or two, started Thursday morning for Boston, accompanied as far as Bangor by Mrs. Higgins, who has since returned. Dr. W. P. Hutchins accompanied Mr. Higgins. It is thought that Mr. Higgins recently underwent a kind of slight shock. He will receive medical treatment for a time in or near Boston.

Mrs. Fred W. Foster recently went to Boston to join her husband, who had been holding meetings in Everett, Mass. They then went to Upland, Ind., for a few days' visit with their son, Fenton, who is attending Taylor University there. They returned home Monday.

Mrs. William Savage is in quite poor health at the home of her daughter, Mrs. Lizzie Kimball. Mr. Savage, who has been ill in bed most of the time since Christmas, is now considerably worse than for some time. He also is at Mrs. Kimball's.

Brother and Sister B. H. Kimball and daughter, Miss Kathleen Kimball, are enjoying a pleasant time calling upon acquaintances who are living in and about Los Angeles, Calif. They make their home in Pasadena while in California.

The revival interest at the Reformed Baptist Church is still on, the regular service Sunday evening being unable to close until 10 o'clock, an altar service following a very strong sermon by the pastor on "Peter's Deliverance from Prison" A number have offered themselves for baptism as a result of the special services. A table offering of \$250 was taken in a few moments Sunday to meet a payment on the parsonage.

OBITUARY.

Roxanna Shaw.

We regret to report the death of another of the saints, which took place at the home of her son, Harry D. Shaw, Nashua, N. H., Monday morning, Jan. 28, at 10 o'clock. Sister Shaw has been in failing health for about two years. She was born at St. Andrews, N.B., April 16th, 1843. She lived at Victoria the greater part of her married life, her husband, Sandford W. Shaw, having predeceased her some twelve years. She went to live with her son in August, 1917. She was taken suddenly ill on January 20th. Everything was done that physicians, nurse and loved ones could do but to no avail. Her body was entombed at Nashua, Thursday, Jan. 31st, service being held by the Rev. Mr. Durham at the home. The body will be brought to Victoria later to be buried beside that of her husband. Sister Shaw sought and obtained the blessing of entire sanctification in December, 1910, and enjoyed the richness of that experience to the close of her life. We have missed her so much, as she was devoted to the cause in every way. Her home was a Bethel. She leaves to mourn their loss beside her son, two brothers, Augustus Dow, of Perham, Me., and Stillman Dow, of Washington; five grandchildren and five great-grandchildren.

SPIT IN DR. SANDERS' FACE.

Dr. H. C. Sanders, our missionary in South Africa, recently shot a spitting snake, which crawled into his office and spit in the doctor's face. If Dr. Sanders would shoot a snake for doing an innocent little thing like that, I don't know what he would do if he had to put up with some fellow smoking in his face about every time he went out on the public street.

IN EVERYTHING GIVING THANKS.

Recently 160 pounds of humanity landed suddenly and heavily on his back, and struck his head hard on an icy sidewalk, and as soon as his mind became active again he said: Thank the Lord I'm not killed; and he moved his limbs and said, thank the Lord my limbs are not broken. He slowly rose to his feet and said, thank the Lord I am able to get up; and he walked away, saying, thank the Lord I can walk, and after going to the post office and calling into a store, he went to his home, a mile away, and upon entering he said, thank the Lord I was able to get home, and the next morning he was able to get up and attend his Sunday services. It is no use to tell him that a preacher of the gospel never goes down suddenly.

PRESENTATION TO PASTOR.

Dear Highway:  
We wish to acknowledge the kindness of the friends in the St. John Church. On the evening of the 20th inst. about fifty of the members of the church and congregation gathered at our home and after spending a very pleasant evening, Brother A. E. Whelpley on behalf of the friends, presented us with \$37.50 for which we are very thankful to them and to God.
