

OBITUARY.**Harry Christie.**

The body of Harry Christie, a former resident of Milltown, N. B., arrived here yesterday, and the funeral was held from the undertaking rooms of the E. G. Young Co. in the afternoon, services at the grave being held by Rev. S. H. Clark. Deceased was 31 years of age, and death took place Saturday at Greenville, Me., where he has resided of late, following an attack of influenza. He leaves a widow, his mother, a resident of Milltown, N. B., four sisters and three brothers.

Mrs. Harriet Howard.

At the hospital at St. John, N. B., following an operation, Mrs. Harriet Howard, aged 45 years. She is survived by her husband and seven children.

(Mrs. Howard was a sister of Mrs. C. S. Hilyard.)

Miss Viola Mullen.

The home of brother and sister Manning Mullen, of Woodstock, Yar. Co., N. S., was made a sad one when the news of the death of their eldest daughter, Viola, was made known to them on Wednesday morning, October 30th.

They had received word previously that she was critically ill, but had cherished hopes that she would recover. She was stricken with influenza, which developed into pneumonia, causing death on October 28th.

Sister Viola had been at school two years and entering upon the third, fitting herself for the missionary work in South Africa to which she felt a call and at which she would doubtless have been successful as she possessed qualities of sterling worth as a Christian worker. She was of a kindly disposition and won many friends.

We are unable to understand why one so promising for Christian work should be taken, but submit to the hand of God, believing that He doeth all things well.

Might the passing of Sister Mullen prove a means of inspiration to some one or ones to take up the work from which she has been called.

As a daughter and sister she will be greatly missed at home, and at church where she was an esteemed member.

She was 22 years of age and leaves to mourn their loss, her parents, four brothers and four sisters, together with a large circle of relatives and friends.

The remains were forwarded from Millville, N. B., accompanied by Rev. H. S. Mullen, to her parents' home, where a short service was held on Friday morning conducted by the writer, assisted by Rev. H. S. Mullen. Interment was made at Cedar Lake.

To the sorrowing family and relatives we extend our deepest sympathy.

"Not lost but gone before."

"For we sorrow not as others which have no hope." L. F. S.

Noreen Flemming.

Many friends will hear with regret of the death of little Noreen, the only daughter of Mr. and Mrs. Clayton Flemming, of Woodstock, N. B., who passed away to the heavenly land on Sunday morning, Nov. 10th, after a short illness that ended in

spinal meningitis, at the age of 9 months. Little Noreen was a lovely child and won the affections of all who knew her, but thus early in life she was called away; "Safe in the Arms of Jesus." Much sympathy is felt for the parents as she was their first-born and only child.

The funeral service took place Monday, 11th November, Rev. W. B. Wiggins officiating. W.

Harold L. Ireland.

Death has claimed another young man of Houlton, Maine (on Nov. 5th) in the person of Harold L. Ireland, who was born in Lewiston, Maine, 25 years ago. He came to Houlton eight years ago and entered the hardware store of the Watson Co. where he remained until about three months ago, when he resigned his position and took a position with the Great Northern Paper Co., near Monticello, but fell a victim to influenza, followed by pneumonia. Mr. Ireland was a young man of ability and exemplary character. He is survived by his widow, who was Miss Cecile Burt of Royalton, N. B., and one son of two years of age, and his father, Mr. A. M. Ireland, of Lewiston, Maine, and two sister, Mrs. Albert King, of Melrose, Mass., and Mrs. Edna McCormack, of Lewiston, Maine. Interment was made at Royalton, N. B.

CORRESPONDENCE.

Beal's, Maine, Nov. 20th, 1918.

On Friday evening, Nov. 15th, at the Reformed Baptist parsonage, Beal's, Maine, a number of our church members called and left us a nice little donation of groceries and money amounting to about \$70.00, for which we are very grateful to God. We also want to report since our church has been opened that our meetings have been times of blessing for the Lord.

Yours, kept by power divine,
T. W. MOSES.

November 19th, 1918.

Dear Brother Baker: Inclosed please find renewal for Highway. I would be very sorry, indeed, to not get the Highway. I enjoy it very much, and would miss it. Hope the coming year will be a prosperous year for the paper.

My testimony is that Jesus is very precious to me and by His Grace I intend to be true and be what God wants me to be, no matter what the cost.

MRS. HENRY J. SEELEY.

Vancouver, B. C., Nov. 16, 1918.

Dear Brother Baker: Please find enclosed \$2.00 postal notes, one for renewal Highway and one for the Highway fund. We are always glad to read the Highway; it is a welcome visitor in our home. The Lord is keeping me these days while we do not have the privilege of assembling together. The churches have been closed four weeks, but hope they will soon be opened. We are all in good health. We are having some rain but not cold; this is our rainy season, it is better than snow.

Yours truly,
G. H. COLWELL,

Dear Highway:

Greetings to all the saints and faithful ones in the Lord. We owe a tribute of praise to the Lord at this time for His help in our sickness, also for His great help in our souls, giving us complete victory, and renewing our strength to joyfully take up our work again in the glorious cause of holiness. We rejoice in this good way, the only way, the high way, and praise God for leading us this way, exhorting all to be true. We remain in the Lord, ROBSON GIBBS and BLISS A. McQUARRIE.

Dear Brother Baker:

I am sending my renewal for the Highway for another year. I appreciated it very much during the weeks the church was closed; am so thankful the ban is lifted and we can have the privilege of going to church and Sunday School again, so thankful for God's care over us; we have had no sickness as yet.

I also want to say I am thankful for all the Lord has been to me during the four years of war. I have not wanted for anything; very thankful the war has closed. I expect by his grace to live near to him, for I see so much to praise him for.

MRS. DARIUS DOWNEY.

Knoxford, Nov. 23rd, 1918.

Dear Brother Baker:

Enclosed please find two dollars, one for my Highway renewal, one for mission work where most needed. My testimony tonight is that Jesus saves and keeps me just now and I find him very precious to my soul as the days go by. Praise God forever for full salvation.

MRS. AMOS MARGISON.

SAVED BY HIS TESTAMENT.

A letter from Brother Chester Culbertson dated Oct. 12th, who was then in the military hospital at Gravesend, England, says: "I was wounded on the 9th of Oct. in the forehead and neck and left hand, but not seriously. There were seven stitches in my head. Now I am getting along nicely. I saw your daughter at the Canadian General Hospital a week ago tonight (Oct. 11). I was lucky in not being killed. I am happy trusting in Jesus this morning. 'He is my all in all' and I find him the best friend in civilian or army life, and I intend to trust him until the end, and if I fall in battle, sudden death will be sudden glory.

I was the other side of Cambrai when I was struck. I was not knocked senseless, but pretty near. I was able to walk to the dressing station. I think likely I would have been killed if it hadn't been for the New Testament I had in my pocket. It stopped a piece of shrapnel which cut through my gas mask, sack and other things, and was stopped by the Testament after cutting half way through it, which might have reached my heart. You see it was the means of saving my physical life, just as it will save my soul.

Once when Henry George was calling on Cardinal Manning, the Cardinal remarked: "I love men, because Jesus loved them." Mr. George made answer: "And I love Jesus, because He loved men."
