About thirty members of our congregation met at our home and spent a very pleasant evening, Mr. and Mrs. Buchanan furnishing the music on the organ and violin. The ladies furnished refreshments of which all enjoyed. After which Mr. Burke on behalf of those present presented their pastor and wife with goods and cash to the amount of \$62.00. CORRESPONDENCE.

Dear Highway:

We know that you are all interested in the spiritual welfare of this part of our Saviour's vineyard. This field was like the valley of dry bones in the prophesy of Ezekiel, and the question that comes to me, can these bones live? The only thing to do is to pour the breath of the Bible upon the slain. We believe that God is working among them, although the bones are very dry. We are trusting God to work out his plan. The Holy Spirit is in our services and we let him lead.

Pray for us,

T. W. MOSES.

West Pembroke, Me.
