MISSIONARY MEETING WOODSTOCK MISSIONARY SOCIETY.

Mrs. Sunder, who as Mrs. Boyer, was formerly missionary to India, spoke to the Woodstock Reformed Baptist Missionary Society at their May meeting. She told of the career of a young Braman from the time of his birth until the present time. He had been converted under Mr. Boyer's ministry and was now a minister himself. This address, which was listened to with great attention, was very interesting and instructive.

At the June meeting was held the election of Officers as follows: Mrs. C. P. Phillips, President; Mrs. Wiggins and Mrs. O. Estey, first and second Vice respectively; Mrs. Harleigh Watson, Secretary; Luella Colpitts, Cor. Secretary; Mr. C. P. Phillips, Treasurer.

OBITUARY.

James Albion Patterson.

Died at Grey's Mills, Kings Co., James Albion, eldest and beloved son of Wesley and Ida Patterson, aged 24 years and 9 months, leaving father and mother, four brothers, Lloyd, of the C. P. R., and Fred, of the U. N. B., Gordon and Freeman at home, and two small sisters, Ida and Helen, to mourn their loss, besides a large circle of relatives and friends.

Our young brother was sick for fourteen months, following an operation, and suffered a great deal most of the time, but was never heard to murmur or complain, as he had made his peace with God before he went on the operating table and his faith never failed him.

His testimony was, "It's all right, His way is best. Thy will be done." Everything was done for the dear boy that loving hearts and tender care could bestow upon him.

This is the first break in the family and while we with many others sympathize with our dear Brother and Sister Patterson in their loss and bereavement, but we rejoice with them that their loss is his eternal gain.

He passed peacefully away on Sunday evening at 6 o'clock. The funeral services were conducted by the writes on Tuesday afternoon, assisted by Rev. W. W. Howe.

Church at L. Brighton, Rev. P. J. Trafton officiating. A large congregation assembled to pay the last tribute of respect.
