

## MINISTERS AND CHURCHES.

A letter from Rev. T. W. Moses states that his work has been practically brought to a standstill by the great storms.

Rev. P. J. Trafton has been confined to his bed for nearly two weeks with an attack of influenza.

The Quarterly Meeting of district No. 1 will convene with the Woodstock Church on the 18th to 21st of this month.

Rev. E. W. Lester preached at Fredericton Sunday evening, Feb. 29th.

Rev. H. C. Archer reports difficulty in attending his appointments on account of deep snow. He visited a lumber camp on January 28th and another on Feb. 10th and preached to the men.

Rev. I. F. Keirstead is sick with influenza. Many cases in Royalton but none serious.

Rev. P. J. Trafton has sufficiently recovered to be out.

Rev. W. B. Wiggins reports very good congregations at Woodstock, although many are unable to attend considerable of the time. Rev. A. H. Trafton has been in poor health, but is now improving. Rev. B. Colpitts only gets out to service on Sunday mornings this winter. Brother Hedley Colpitts, who is the leader of the choir, has been transferred to Bath, N. B. Very naturally the choir is sorry to part with their leader.

Rev. L. J. Alley says: The work is going fairly well here at Beals. We have had an awful winter, and the severe weather has hindered us considerably, but the attendance is beginning to increase now. We are to begin special meetings about April 24th.

Rev. H. S. Mullen is now holding special services at Lower Southampton, assisted by The Farmer Evangelist, F. W. Foster. The meetings are reported good. Sister Mullen is conducting the regular services at Meductic and Green Bush.

An excellent missionary meeting was held at Moncton on the 9th inst. Mrs. W. D. Blakney presided and a good programme was rendered by the young people and children. A good offering was taken. There was a good attendance.

Rev. C. S. Hilyard says:

Feb. 25th: Dear Brother—A word from us. All well. Meetings going good. 70 out to prayer meeting on Tuesday night.

## A NEW ORGAN FOR OUR MISSIONARIES

We have bought, and are shipping a new organ to our missionaries by the Elder Demster Co. liner, "Benguela" from St. John to Durham. We will need more money to pay freight and duty on it.

S. A. BAKER,  
Missionary Treas.

## OUR YOUNG MISSIONARIES.

Dr. Sanders says that Paul and Faith are home at the Mission Station, and that Judson, George, Mariam and Grace are having their holidays from school, and are helping in the necessary work of the mission, and that even little Charlie is being the doctor's office boy, and he speaks the Zulu language nicely.

Our people are surely coming up bravely for missionary work.

## PERSONALS.

Mrs. Lyla Coughlan, of Watertown, Mass., and Mrs. A. L. Bubar, of St. John, and Mr. Wm. Good, of Killams Mills, N. B., visited their brother, A. G. Good and family at Moncton this week.

Brother Lawson Brown, Petitcodiac, N. B., writes: "Please find enclosed my renewal for the Highway. I like the reading of the Highway. I am sending one dollar for foreign missions."

Brother F. H. Lock is doing good work. He says: I am glad to say the interest continues good through the cold weather. Have been able to go every Sunday so far. (D. V.) we expect to go Sunday (March 1st) about 6 miles in another direction in the afternoon and back and to the other service in the evening, if weather permits.

We stated in our last issue that Mrs. A. A. Tracy and Mrs. S. Hayden Shaw had gone to West Somerville, Mass., but the "Flu" stepped in and detained them, so they were still at Hartland this week.

Sister D. H. Nixon in a recent letter said: "I cannot imagine what I would do these days if I did not have such a support as 'The everlasting arms' of my precious Saviour. He is more and more to me as the days go by. I surely have found in him my refuge and strength."

Sister E. F. Trefry, of Winthrop, Mass., says: "We miss the Highway much when it fails to reach us. I feel lost without it. The dear Lord bless the reading of the Highway to many hearts."

Brother Robert Barr is able to get out again.

There is every prospect of having Sister Joseph Bullock with us again at Beulah and Riverside Camp Meetings. She is enjoying good health. Brother J. F. Bullock says: We are all well and the prospects are that Mother will be with us next Camp Meeting. The Highway is excellent.

Sister Mrs. M. W. Caldwell says: I have taken the Highway ever since it was printed, so do not want to stop it.

A sister writes of the last issue of the Highway, "Glad to get the Highway today it is just full of good things, getting better all the time. I like the practical lessons we get from it. The christian life is a practical life. I am glad it is not something put on on Sunday morning and left at the church until we go again. If it was left at the church I fear some folks here would forget they had any religion, for they go to church so seldom."

Brother Robert Barr was able to be taken to his home from the Hospital on Monday, March 1st, at Fredericton.

Edward Trafton has been married, and settled on a ten acre orange grove in California. This is orange blossoms plenty. This will be interesting to many of our young readers.

Sister Edmond Hillman says: Please find enclosed my renewal for the Highway. I can say: Bless the Lord, O my soul; and all that is within me, bless his holy name.

Sister Eva Doyle, Waltham, Mass., says: Enclosed you will find money order for my subscription for the Highway. I always look forward to getting it. I have been here for nearly three years and I have not missed a copy of it. I like to know how the brothers and sisters are getting along, and the Highway is my only way of knowing.

## IS IT I?

Laborers wanted, the ripening grain  
Waits to welcome the reaper's cry.  
The lord of the harvest calls again;  
Who among us will first reply?  
"Who is wanted, Lord—is it I?"  
The Master calls, but the servants wait;  
Fields gleam white 'neath a cloudless sky;  
Will none seize the sickle before too late,  
Winds of winter come sweeping by!  
"Who is delaying, Lord—is it I?"  
—Sel.

Every command of God correlates with a Promise of His, and "the promises of God are yea, "—I will—"and amen"—so be it.

God sees when he looks at us, souls redeemed by precious Blood, and other souls that may be redeemed if we stand the test, and fulfill our ministry. "Let us lay aside every weight, and the sin—"

The better the man, the higher and holier his motives, the more subtle the attacks of the devil. If he can he will first steal his reward, and then his "crown of life."
