

MINISTERS AND CHURCHES.

The revival services at Fort Fairfield, Maine, being held by Rev. H. S. Dow, assisted by Rev. W. E. Smith, were closed down because of the prevalence of influenza on the 13th inst. There was some victory in the services held. Some were reclaimed, a few professed to be sanctified wholly; two professed conversion.

Rev. P. W. Briggs and family, of Havelock, N. S., have moved into the new parsonage which has been partially finished.

Licentiate Hartley E. Mullen is reported as getting along well in his studies, and is preaching as he has opportunities, with good results, and is enjoying uttermost salvation.

Rev. W. W. Howe reports good attendance, and good interest in the services at St. John. Two professed conversion on Sunday evening, the 15th inst., and Brother Howe is expecting greater results in the near future.

Rev. G. B. Trafton reports family quite recovered from recent sickness.

Dr. Sanders says that the Dutchman who occupied the extra house on Balmoral Farm has left, and an Irishman is now the tenant, but we can have it for our new missionaries by fitting it up. This will save building for the present.

The Moncton church is showing commendable courage and faithfulness, in manfully meeting their financial responsibilities, incurred by remodelling their church. The zeal of "Class Mizpath" is particularly commendable; although not a large class, will contribute \$100 to the building fund within the year.

The young people of the Moncton church have formed themselves into an excellent choir, and are adding much interest in the services.

On account of the prevalence of influenza and other sickness the quarterly meeting of district No. 2 will not be held in March.

Rev. C. S. Hilyard says: "The special services held at North Head by him, assisted by Brother F. W. Foster, were largely attended and that there was some victory at the first, but the people seemed to harden up at the last and no move could be made upon them. But the church received a great uplift, for which we thank God. The meetings are good at Seal Cove, two were at the altar Sunday night, 15th inst. The young people are taking the Tuesday evening service. The church has ordered new seats, and they are planning to renovate the building inside."

Brother J. Grovenor Cook says of Seal Cove: We are getting along pretty good in church work. We had a good time this winter. Brother F. W. Foster preached the truth which was very helpful to many.

Rev. S. H. Clark is planning to hold a series of special services in March at Calais, Me., beginning Sunday, 14th.

Evangelist F. W. Foster returned home from Grand Manan, N. B., on the 11th inst.

Rev. I. F. Keirstead visited and preached at Fielding and Gordonsville on the 8th inst. Although the roads were very bad he reports good congregations, and good meetings. We appreciate Brother Keirstead's visits to Riverside Camp Ground to see that the snow is not getting too heavy on the buildings.

No man or woman of the humblest sort can really be strong, gentle, pure and good without the world being better for it, without somebody being helped and comforted by the very existence of that goodness.—Phillips Brooks.

Give us men!  
Strong and stalwart ones;  
Men whom highest hope inspires,  
Men whom purest honor fires,  
Men who trample self beneath them.  
As her noble sons,  
Worthy of their sires!  
Men who never shame their mothers,  
Men who never fail their brothers,  
True, however false are others;  
Give us men—I say again,  
Give us men!  
—Bishop of Exeter.

A man must hear the words of Christ in order to believe them; and he must believe in order to keep them; and he must keep them in order to his salvation.—Dr. Adam Clarke.
