QUARTERLY MEETING OF DISTRICT NO. 1.

The Quarterly Meeting of this district met with the church in Woodstock, beginning Thursday evening, March 18th, and lasting over the Sabbath. The President being absent, Pastor Wiggins took charge and led a social service where many prayed for the success of the Quarterly Meeting, followed by songs and testimonies. One brother requested prayer for himself.

Friday at 2.30 the pastor again had charge, it being also a social service. In the evening Rev. E. W. Lester preached from Acts 1:8 a real effective service. Three young men at the altar and were sanctified. It was a grand service.

Saturday morning at 10.30 Rev. H. S. Dow led a blessed service of prayer. Afternoon at 2.30 the business meeting was held. Rev. W. B. Wiggins was elected President, Brother Bertram M. Colpitts Secy., Rev. P. J. Trafton, Highway Agent, and A. J. Marsten, Treasurer.

Roll Call the following ministers were found present: Revs. B. Colpitts, J. H. Coy, W. B. Wiggins, I. F. Keirstead, P. J. Trafton, E. W. Lester, H. S. Dow and Hallet S. Mullin.

Delegates from the churches were:

Fort Fairfield—Brothers Frank Kimball, Wm. Andrews and H. S. Kinney and wife.
Hartland—Mrs. D. H. Nixon, Arthur Baird and Willie Rideout.

Victoria—Cora Tilley, Gordon York and Chester Culbertson and wife.

Maple Ridge—Mrs. J. H. Young.

Marysville—Brother Wm. Mitchell.

Perth—Brother Luther Hartt.

Fredericton — Mrs. Morrell, Mrs. Horncastle, Mrs. P. J. Trafton and Miss Grace Harris.

Fredericton Church reported progress although enduring trial. A good pastor "feeding our souls with the Bread of Life and Honey out of the rock." The Sabbath school coming up of late; have started a Bible study class Tuesday evenings.

Victoria—The sick are recovering. The Lord blesses us: expect to have a new church. Brother Trafton also added he had bought a piece of land in the village, pressed upon him by an aged sister. He had sold it to Brother Gordon York, who

in turn had deeded it to the Reformed Baptist Alliance on which to build the church.

Meductic Church reported by Pastor H. S. Mullin. The work is gradually coming up. Expect to have special services in Meductic soon. Middle Southampton Church was being repaired and expected to rededicate the first Sunday in June. In Lower Southampton the interest is coming up. A good place for a strong church and it seemed strange to him that it is not, but have the place in my heart.

Perth—Have lately bought a hall to worship in and nearly enough money in sight to pay for it. One brother talked a little discouraging but think he got ashamed for his lack of faith before the meeting closed.

At this stage the meeting took a new turn; had some songs, testimonies and shouts of victory thrown in.

Royalton reported by letter. Storms had somewhat hindered. Pastor Keirstead preaches good. The Praying Band held cottage meetings. Have a children's mission band. Think of holding special services soon.

Hartland reported verbally. We like our pastor, Rev. H. C. Mullin. Do not see anything to get discouraged over. The Sabbath School interest and attendance on the increase.

Marysville reported by letter. The church enjoying the blessing of the Lord. Pastor Lester is faithful in preaching and visiting the sick. Sunday School is good. Have put improvements on our church to the amount of eight hundred dollars and pretty well paid, also pastor's salary all paid.

The letters from the churches were encouraging, also the verbal reports had the sound of faith. Holiness is not dead by any means, but it is going to take prayer and a mighty determination, and a clinging to God to make it move forward.

Brother P. J. Trafton spoke feelingly of the late Brother S. Hayden Shaw and it was moved a resolution of condolence be printed in the Highway and Brothers Wiggins and Coy were appointed to attend to the matter.

The devotional committee were Sisters A. H. Trafton, O. R. Estey and W. B. Wiggins, whose report was followed out to the letter. Next quarterly meeting to be

at Middle Southampton first Sunday in June.

Saturday evening preaching by Rev. H. S. Mullin from John 21:19, who had real victory and freedom in preaching, and the truth went home with several at the altar.

Sunday morning "Love Feast," led by Brother Frank Kimball. Truly it was a Love Feast, some demonstration but every bit of it Heaven born giving God the glory. Had a hard time to stop for preaching service but believe no mistake was made in giving way to Rev. I. F. Keirstead who spoke with great earnestness from Psalm 45:2.

At 3 Brother P. J. Trafton preached from Genesis 18:14. Several at the altar who got victory and help.

At 7 Rev. H. S. Dow preached from II. Samuel 1:9, a sermon which made people think deeply.

The meeting wound up after eleven o'clock, after some getting help at the altar and had a march around the church. Some few could not respond but nearly all "fell into line."

A great many said the best quarterly meeting they ever attended. The diffidence seemed dispelled and Heaven born freedom seemed to take possession. It would take two whole pages in the Highway and then some to tell the whole story of this meeting.

Well, I say glory!

BERTRAM M. COLPITTS,
Secretary.

A POUND PARTY.

We were about congratulating ourselves that the stormy weather was over when the heaviest storm of the season struck the parsonage the evening of March 14th; not in the form of a snow-storm but in the form of a pound storm. There were pounds of beef and pork, pounds of sugar and coffee, pounds of **butter, honey, raisins, spices and canned goods**; there were pounds galore, so the storm was heavy indeed. We were delighted to meet about 50 of our membership and after spending the evening in a pleasant manner we all partook of a bountiful supper well prepared by the ladies and they left us with our hearts deeply indebted to them all for their kind consideration of our needs in these days of high prices when a dollar is worth about fifty cents.

REV. AND MRS. H. S. DOW.

Note.—This is the right way to pound the preacher—return him good for—preaching.—Edit.

"Truly sanctified" people who obtained the blessing through the crucifixion route, are not easily "carried about by every wind of doctrine," as spiritualism and Russellism.

Rejoice, because a fellowship in Christ's sufferings would in the same proportion involve a fellowship in his glory.—Canon Farrar.

Love is indefatigable; it never tires. Love is inexhaustible; it lives and is born again of itself, and the more it pours itself forth, the more it abounds.—De Lammennais.
