

CORRESPONDENCE

Dear Brother Baker:

Just a few lines tonight to renew my Highway. I am feeling pretty well myself, physically and spiritually. The spiritual life is the most important. Praise God for full salvation.

Your brother in Christ,
CHESTER CULBERSON.
Woodstock, N. B.

Dear Brother Baker:

You will please find enclosed postal note in payment for renewal for the Highway, the balance please use for foreign missions. We enjoy the Highway very much, and look forward to its coming each time. We are still trusting in the merits of the precious blood of Jesus day by day.

Your brother and sister,
STANLEY AND MRS. HALLETT.

Dear Brother Baker:

We have just closed a very successful campaign with Evangelist W. O. Nease. Our whole church was awakened as never before. There was about twenty who sought forgiveness, and about the same number that sought the blessing of heart holiness. There were some bright cases of both works. Among them was my father. God graciously saved him as well as some others who had gone away from God. I don't look for many new members. Our church is in the best condition it has been for a good many years. Sunday night the meeting run until two o'clock in the morning.

Dear Editor:

Please find enclosed my renewal for the Highway, which we would miss very much from the home. Our meetings are small at present owing to the great number having influenza, but no one serious at present.

Our pastor and wife are very busy visiting the sick and helping in various ways, which are greatly appreciated by all.

We have seen God's hand working we believe in Royalton in Brother Frank Wade's son, Charles, who was so seriously ill, but faith through the prayers of God's people he is up about the house, and we believe will gain his health. Praise His name today, he is able to do such wonderful things if we only trust.

Yours in Him,

MRS. WM. T. BURTT,
Royalton, N. B.

Dear Brother Baker:

Perhaps some of the Highway readers would like to know how we are getting along with the new church at Victoria. We have 2,000 blocks on the ground, 250 barrels gravel, 30 barrels cement, 900 bricks, 2,800 ft. rough lumber, 4,000 ft. of rough sheathing, 8 windows and 3 doors and the cellar dug for the basement. The size is 28 x 40 with a porch 8 x 14. The contractor will build the basement at once and the remainder of the building in July and August. We hope to have it ready for dedication the last of September. It has meant a lot of extra work for us farmers at this time of year, but the brethren have done well and also the young men of Victoria while the women done their best to keep us well fed. This might seem a big

undertaking to some. But remember nothing is too hard for the Lord. So then we will trust him and keep at our Master's business.

Dear Highway:

This is to give notice that the Quarterly Meeting of District No. 1 will convene with the church at Middle Southampton, York Co., on June 3rd, lasting over Sunday.

On Sunday, June 6th, the church in which the meeting will be held will be re-dedicated after having been repaired.

The delegates will please come all prayed up, ready to be a help and of course the preachers will without any notice.

We are looking for a good time and the word says: "According to your faith be it unto you."

BERTRAM M. COLPITTS,
Secretary.

Dear Brother Baker:

I am glad to report that God has graciously visited us in revival, under the labors of Brother W. E. Smith, and as the meeting at Norton has been reported, I shall endeavor to report the meeting at Mercer Settlement.

It was surely a time of great victory, and the seed sown at Norton brought forth abundantly at Mercer and some of the souls we had been praying for for years, come back to God. Glory to his precious promises that "My word shall not return unto me void, but shall accomplish that which I please." From the first it was evident that the meeting was going to be owned of God, under the God-given ability of Brother Smith, for certainly he is a faithful preacher of the double cure, and has the ability to take all the whitewash off, and present the gospel in its fulness, with his heart full of the love of God, and the Holy Ghost was upon him.

We also had Brother Fred Strickland and Brother George Atkinson from Trenton, N. S., who helped to push the battle in singing and exhortations for five days, and there was not a service that some one did not manifest a desire to come to Jesus, and the end is not yet, as the meetings are to continue over another Sabbath; when Brother Smith goes to Oxford, N. S., but we hope to have him back in this section of the vineyard, for we have learned to love him for his word's sake, and we are glad to report that Brother Trafton has so far recovered from his injury that we hope to have him with us next Sabbath.

Yours under the blood,

C. L. MURPHY.

Dear Brother Baker:

Please find renewal for Highway, which we enjoy very much. It keeps us in touch with the brothers and sisters and different branches of our church. The S. S. convention held here yesterday was well attended at all the services. It was a great benefit to us. Jesus is very precious to us these days; a personal Saviour to us both. Praise Him for all the blessings we receive. We want to be ever faithful to Him. Praise God for full salvation.

Yours in Him,

GEORGE AND MRS. SCOTT.

Dear Brother Baker:

Please find enclosed twenty-five dollars for Foreign Missions, and if the Highway becomes a weekly I will send you fifty dollars towards it. I receive the Highway regularly, and I love its clean pages, also the testimonies of God's children. My testimony today is that I love the Lord, and holiness and all the blessings that go with it. We are having some good meetings in the little church at Salem. Brothers A. H. Trafton and M. S. Trafton are conducting the special meetings and there seems to be a good interest, quite a few standing for prayers, and some at the altar. We are looking forward and trusting the Lord for a real breaking up time in Salem, and victory come to many hearts that have been bound by the powers of darkness. This place has been so dead spiritually that we could only compare it to the scene in the prophesy of Ezekiel of the valley of dry bones, but, praise God, He is able to resurrect to life from the very depths of sin. I am hoping and praying to be able to get to Beulah this summer. "Glory to God in the highest, peace on earth, and good will toward men."

CLOSE OF WATER STREET MISSION.

There are few Canadian people who have not heard of the Water Street Mission in New York City, which was founded by the celebrated Jerry McAuley as a refuge for the down-and-outs of America's greatest city. When Jerry died, Col. S. H. Hadley, himself a convert of the mission, took charge, and ran it successfully for some years. And now the mission has been closed, simply because the class which patronized it has disappeared. Last Christmas this mission, as usual, provided free dinner for all who chose to come. It expected 1,800, and made provision for that number, and only 450 came; and other missions which also had provided free dinners had not even a single caller. Prohibition did it. And now this unique mission has been closed, simply because the closing of the saloon had robbed it of its constituency. We know of few more striking illustrations of the effectiveness of prohibition than the closing of this mission. The old argument that you can't make men sober by Act of Parliament is seen to be a most inaccurate and misleading statement, for the drunks have evidently disappeared in very large measure. They are not dead; they are simply sober.

ALLIANCE COMMITTEES.

We would kindly urge the members of the various committees, who are to report at the Alliance, that they prepare their Reports and have them ready, as far as they may be able; as by so doing they can expedite the business, and thus have all our business done before the Camp Meeting begins.
