

## MINISTERS AND CHURCHES.

Rev. L. J. Alley, Beals, Maine, reports large attendance at his services, and packed house during the quarterly meeting held there April 1-4. All the pastors on the district were present, which includes Revs. C. S. Hilyard, Grand Manan; S. H. Clarke, Calais, Maine; T. W. Moses, West Pembroke, Maine; M. Ella Slipp, Jonesport, Maine, and Pastor L. J. Alley, and a considerable number of delegates from the churches were present.

Rev. H. C. Mullen, pastor of the Hartland circuit, has returned from Nova Scotia to his pastoral duties. The loss of two spans from the bridge over the St. John river at Hartland not only seriously affects the business, but also the church and Sunday school attendance.

Rev. E. W. Lester has tendered his resignation at Marysville, which most of our pastors do about three months preceding the expiration of their engagement.

It would help both pastors and churches if intended changes were reported through the Highway as early as possible.

The Meductic pastor and people have again shown their courage and generosity by putting up their money and buying a parsonage for their pastor. Acts like this should make a good impression on some people "which only look upon things which are seen, and not upon things which are not seen." Brother Mullen says the people gave their money, then gave him butter for good measure.

Rev. H. S. and Mrs. Mullen are planning special services at Meductic in May, and at Middle Southampton in June, assisted by Rev. H. Higbee Lee, of Seymour, Indiana.

Rev. G. B. Trafton began special services at Norton Station on the 9th inst., assisted by Rev. W. E. Smith, of Somerville, Mass. Meetings to continue to 25th.

Rev. L. J. Alley expects to hold a series of special services the latter part of this month, assisted by Rev. Wm. Nease.

Rev. S. Harleigh Clark reports one of the best quarterly meetings at Beals, Maine, April 1-4, that he ever attended.

Rev. C. S. Hilyard reports most encouraging work at Seal Cove and Wood Island. At the latter place 14 persons were at the altar for prayer, and some professed conversion and two new members were received into the membership of the Seal Cove Church.

Also a kindly visit of the people at the parsonage on the occasion of Sister Hilyard's birthday and presented her with a birthday quilt and supplied the pastor and family with a good lot of groceries. The evening was enjoyably spent socially and with singing.

North Head Church is undergoing repairs and repainting inside. Good meetings are reported, are being held in the homes of the people. The Church is enjoying a good healthy spiritual condition, having received much help in the recent meetings held there by Rev. C. S. Hilyard and Brother F. W. Foster.

Pastor S. A. Baker gave the hand of fellowship to two new members on Easter Sunday evening. All of our services are good. The young people are manifesting a live interest.

Mrs. I. F. Keirstead spoke at a missionary meeting at Fort Fairfield on the evening of the 9th inst, and an offering of \$50

was taken for missions. She went to Perth on the 10th and conducted three services on Sunday, the 11th. The people want her to remain and hold meetings through the week and over Sunday, the 18th.

An excellent monthly missionary meeting was held at Moncton on the 13th. Mrs. W. D. Blakney presided. Sister Mabel Good pianist. Well rendered exercises were given by the young people and children. Duet by Brother A. G. Good and Miss Nellie Good. Instrumental selection by Miss Grace Good and Ray Blakney. Readings by Mrs. H. N. Loomer, Brothers Hazen Steeves, A. K. MacCallum and Ray Blakney.

## RESOLUTION.

Resolution passed at the Quarterly Meeting of District No. 1 held in Woodstock, March 18th, 1920, in reference to our late Brother S. Hayden Shaw.

Whereas our late Brother Samuel Hayden Shaw was a charter member of this Quarterly Meeting, a faithful attendant, counsellor and helper both by earnest prayer and glad testimony, even up to a few months of his death, therefore Resolved that we express our deep sorrow for our loss, and heartfelt sympathy with his faithful companion and helper, Sister Shaw, in her loss, as also our joy to know that he was a good and faithful servant of God in life, and has gone to be with Jesus.

## CAMP MEETING FOLDERS.

We are sending out our camp meeting folders to our churches and friends, and we hope every person will try and help us in advertising the meetings, and encourage the people to attend the camp meetings, not for our benefit alone, but for their benefit, and the spread of this glorious gospel of full salvation.

So please don't throw these little messengers away, nor give them to the children to tear up, but put them on your table where your friends will see them. When you write a letter enclose one in it.

Tack two of them up in the vestibule of your church so both sides can be read. They will be useful up to the time of Riverside Camp Meetings. They cost high, so don't waste them, but make everyone fulfil its mission to as many as possible. Every lover of holiness should have a live interest in its propagation.

Talk camp meeting, pray camp meeting, write camp meeting, preach camp meeting, sing camp meeting and dream camp meeting. Then go to camp meeting and take all your friends, and your whole family, and stay from start to finish, and then go home and shout camp meeting until the next season comes around, then repeat.

## BERWICK CAMP MEETING.

Thomas, lecturer, subject, "The Teachings of Jesus;" Rev. Hammond Johnson will give a series of addresses on Life Service and Personal Work; Rev. Frank Boothroyd, who was at camp last year, will lead the singing; Revs. G. F. Dawson, A. M., and H. S. B. Strothard will be other members of the team, with Mrs. Dawson as pianist, who is one of the most capable in the maritime provinces, will complete the company.—Moncton Times.
