FAREWELL PRESENTATION.

At the close of the meeting in the Reformed Baptist Church, Fredericton, on Wednesday evening, May 5th, Miss Dorothy Trafton, eldest daughter of Pastor Trafton, was presented with an ebony toilet sett in a beautiful case, a parting gift from her friends on the eve of her departure for Winstead, Conn., where she enters the hospital in training for her chosen profession of nursing.

The presentation was made by Mrs. L. A. Morrell, who said in closing, "Going out as you are from a Christian home, where you have been taught from earliest childhood to love and worship God, to love and honor his most holy word, and out from a church upon whose banner is inscribed 'Holiness unto the Lord,' you are fitted by a rare environment to become a blessing to the sick and suffering ones to whom you may minister, and may it often be your privilege to point their sin sick souls to the great physician, the 'Lamb of God who taketh away the sins of the world'."

The friends then formed a circle, and with joined hands sang "Blessed be the Tie," a verse of "God be with you till we meet again," was softly sung, and benedictory prayer offered by Rev. M. S. Trafton.

Our Dorothy having been active in all lines of church work being organized in Sunday School and Bible Study class, Secretary of the "Lend a Hand Bible Class," also a faithful member of the choir, will be greatly missed by a people whose hearts she had won during her short stay in Fredericton and will be accompanied by their prayers and best wishes.
