

MINISTERS AND CHURCHES.

Rev. W. B. Wiggins, B.A., has tendered his resignation as pastor of the Woodstock church to take effect after the third Sunday in June.

Rev. P. J. Trafton has received a unanimous call to remain pastor for another year at Fredericton.

Rev. S. A. and Mrs. Baker celebrated their 39th wedding day on the 26th inst.

The St. John church, we have heard indirectly, has taken their old church back again and are holding their services there. We congratulate them that they will not have to pay the prevailing prices for labour and materials to build this year.

The Wood Island Church is partly finished on the outside. The membership is small, and it is a considerable of an undertaking for them to build unaided. They are very generous givers in the missionary and other departments of our general work. It would be a brotherly act to give them a boost in finishing and furnishing their church.

At a well attended business meeting of the Moncton church on the 22nd inst., Pastor S. A. Baker was given a very hearty and unanimous invitation to continue pastor another year.

Rev. P. J. Trafton in a recent letter says: I am beginning special meetings this week, they really began Sunday (18th). We had a good crowd in the evening, and the Lord certainly gave me a message for them. There were six or eight at the altar; three young men and a boy were among the number. How I would like to see a real old-fashioned breaking up time."

IN MEMORIAM.

In loving memory of little Roy, who died April 23rd, 1919, aged 3 years and 10 months, beloved son of Mr. and Mrs. Bruce Mitchell.

"One year has passed, since thou hast left us,

And thy loss, we deeply feel,
But 'tis God that hath bereft us,
He can all our sorrows heal.

But again we hope to meet thee,
When the day of life is fled,
And in Heaven again to greet thee,
Where no farewell tear is shed.

CORRESPONDENCE.

Dear Brother Baker:

Enclosed please find my renewal for the Highway. I look forward to its coming. I love to read its clean pages, which encourage and strengthen us, and make us more determined than ever to trust God, for he is more than all that can be against us. I pray God these days that he may save me from being a hinderance to any one else. I feel like shouting these days for what God has done for me, and if we are willing to let God do the filling, then we can do the jumping and go over the top and gain the battle and come out more than conquerors. Glory to his name,

Your brother in Christ,

D. H. BERRY.
