

THE CORRESPONDING SECRETARY'S  
REPORT OF THE GENERAL  
MISSIONARY SOCIETY.

Dear Brohers and Sisters:

In the kind Providence of God we are permitted to meet at Beulah again in our General Missionary Meeting.

We are truly grateful to our Heavenly Father for his blessing upon this branch of our work and we can see many evidences that God is moving upon the hearts of our people and that the interest in our missionary work is deepening. I am sure we are all cheered and encouraged by the letters we receive from our dear missionaries in South Africa and note how the work is progressing in that dark land. We look forward with hope for the future and trust that in the coming year in all our churches we may have the real missionary spirit that will enable us to do more for the salvation of those who are now in heathen darkness. The following is the report of our various societies:

**Fort Fairfield, Maine.**

We re-organized our society last August with about twenty members and we now have a list of forty-one names all paid up for the year. The people of our church are responding to the call in a pleasing way and we have been able to raise more money than this society ever has before, and are trusting God to lead us on to greater victory next year.

Raised \$400.00.

Sincerely,  
HAZEL K. ANDREWS.

**Hartland, N. B.**

Our Society is getting along nicely with splendid meetings held monthly. This year we are supporting a native worker and we are all enthusiastic with the idea.

\$151.50 raised.

**Jonesport, Maine.**

No. of members, twenty-six.

Our missionary society has not done as well this year as usual, perhaps because we have not been holding the public missionary meetings. We trust that next year we may take them up again and show a better record both in interest and in the amount of money raised.

\$30.00 raised.

M. ELLA SLIPP,  
Secretary.

**Woodstock, N. B.**

In looking over the past year we feel to thank God for his tender love and many blessings bestowed upon us as a society. The work has been going steadily forward.

Besides our regular monthly dues and collections we have taken special thank-offerings every quarter.

In the Sunday School we have a Faith Fund and the collections of the first Sunday in each month are given to missions.

We also have a mission band in connection with the society which helps in the programmes.

The meetings during the year have been both interesting and helpful. We are trusting God to help us do better work the coming year.

Amount raised \$1,115.01.

MRS. VIVA L. WATSON,  
Scerteary.

**Maple Ridge, N. B.**

We have had no society here for a number of years, but our pastor, feeling that we should have one, urged us to re-organize, which we did on June 12th last. We have done well here raising more money this year than ever before, but expect to do more another year.

\$110 was raised for foreign missions.

**Lower Brighton, N. B.**

No. of members 28. Monthly meetings were held.

We have only been able to hold one public missionary meeting on account of sickness, but the interest is good in missions, I think better than ever before. We have nearly doubled our funds this year, both in the S. S. mission and society. Our membership has also increased and we hope to do better during the next year.

\$105 was the amount raised for missions.

Yours truly,  
MRS. EDGAR BRYANT,  
President.

**Fredericton, N. B.**

We are pleased to report that there has been a steadily increasing interest in this society during the year. We have in our Sunday School a missionary Sunday each month, each class has a mite box. We also have a birthday box in the school, which greatly contributes to our missionary fund.

Although through sickness we have been unable to hold our meetings each month, we have succeeded in raising more than treble any previous year.

We had a missionary day Sunday, June 13th, with special music and sermons on the subject, which was owned of God. We are looking for greater things the coming year.

Amount raised \$212.64.

MRS. E. S. HORNCastle,  
Scerteary.

**Millville, N. B.**

This society has done well during the past year. It has been a very hard year to sustain the services, yet we have tried to keep the monthly services up, but in some cases we have been unable to do so. The interest is good and we are expecting to do more in the future.

\$80.84 was contributed for foreign missions.

**St. John, N. B.**

Our meetings during the year have been especially good. Not only interesting, but times of blessing and refreshing to our own souls. Attendance and interest increasing with the young folks taking hold and pressing forward. We are hoping for still greater things in the coming year. Our watchword is "Forward."

Amount raised \$81.00.

E. M. McCARTHY.

**Grey's Mills.**

Grey's Mills Missionary Society was organized March 9th, 1909. Present membership 28.

The interest is good. Eleven public

A mission circle has been organized during the year which meets once a fortnight to help prepare the outfit of our new missionaries. Something over \$27 has been raised and we are going forward in the name of the Lord.

Amount raised \$81.0.

L. A. BRADLEY,  
Secretary.

**Royalton, N. B.**

Organized October, 1919. No. of members twenty. Monthly meetings are held.

We have only been organized eight months, yet the Lord has blessed our efforts. Our meetings are made interesting by addresses from our President, Mrs. Keirstead, and we have learned much of the conditions and work in heathen lands. All of which we praise the Lord. We have raised almost \$100 for missions this year, more than double of any previous year.

\$94.00 amount raised.

MRS. BOARDMAN BURKE.
