

# CORRESPONDENCE.

Dear Brother and Sister Baker:

We held a missionary meeting on Tuesday evening, Nov. 30th, and you will be pleased to know that the blessing of the Lord was upon us.

The evening was perfect. Our pastor and wife gave smiling welcome at the door of our cosy parsonage to the goodly company that assembled.

Our thoughts were lifted to the highest by our opening hymn:

"All hail the power of Jesus' name  
Let angels prostrate fall.  
Bring forth the royal diadem  
And crown him Lord of all."

After our opening exercises and an interesting program on the subject of systematic giving, we came to that important part of our meeting, "The offering." While choice selections were being sung in the parlor our secretary treasurer in the dining room received the offering. When at length the amount was announced we immediately arose and sang "Praise God from whom all blessings flow. It was then voted that after taking out the amount usually received for the foreign field that our pastor should receive the rest as a reminder that God was able and willing to care for him even if his field of labour was a barren one.

Our pastor, very much surprised and affected, with his good wife standing by his side returned grateful thanks to the brothers and sisters one and all who had thus remembered him, and then the wonderful, the unusual thing happened. Instead of refreshments being served the meeting broke out into a testimony meeting. Testimonies, praises, tears, songs, prayer and benediction closed a meeting that was surely blessed by the manifest presence of the dear Spirit of our Master.

Praise the Lord for the knowledge of loving and serving one who can bless our weak efforts. While our offering hardly reached the amount that we had asked God for, that of \$200, yet it came so near that we believe before the ball stops rolling that a much larger amount will be realized. We thank and ask God's blessing upon one and all who contributed and we are still praying for that "Wave of salvation" that will make our little church not only a strong holiness church but self supporting and able to give unto others.

Yours in the Master's service.

MRS. L. A. MORRELL.

Dear Highway:

I see it is time for me to renew my subscription. One year ago I thought perhaps it would be a weekly paper by this time, but you are very welcome in our home as a semi-monthly.

I passed my eightieth birthday Nov. 30th and between 30 and 40 friends and neighbors came in and spent the evening in singing, prayer and in testimonies. It was a meeting long to be remembered.

Well, these are perilous times. Sometimes I think I would like to preach a sermon on the times as they appear to me. I lend my Highway to my neighbors as they like to read it. Christmas Greetings.—Judson Burpee.

Dear Editor of the Highway:

Enclosed you will find our renewal for the Highway. I enjoy reading its pages and would not do without it.

I can add my testimony with the rest that Jesus who suffered on Calvary's tree, is my satisfying portion. He never has failed in all that I have been called to endure, proving that His grace was sufficient for me. Bless His precious name.

I feel very sorry for those who have no hope save in the arm of flesh.

I am glad to hear the work in N. B. is being blessed of God, and pray that those under the banner of Jesus may hold high the blood stained banner and declare the gospel in all its fulness.

Yours in Christ,

MRS. ALFRED GRANT.

My Dear Mr. Baker:

Enclosed please find the renewal for my Highway, which I enjoy very much. It is an old friend to us and it has been coming regularly for twenty years to our home.

"What a wonderful Saviour is Jesus my Lord,

What a wonderful Saviour to me!

I was getting ready to leave my home in September to pay a visit in Brighton, when I was stricken down unconscious. Physicians were called but praise the Lord he brought me back to my clear mind without a cloud upon it. Now I am improving, sitting up part of the time.

I can say,

He saves me by His grace,

And He's given me a place

To sit with Him in glory bye and bye.

Yours in the Lord,

MRS. W. H. WILLIAMSON.

Dear Friend:

I enclose two dollars to have my paper renewed. I can't afford to do without it. It is like a letter from the homeland. I enjoy the missionary letters, also the reports of the churches, and the testimonies of the saints. It is just like the dear Lord to stand by and help us over all the hard places. We will praise his dear name forever. I did not get to Beulah Camp, but I am living in Beulah and I attended two camp meetings in Louisiana with the Nazarene Evangelist and wife. Also took in two in Okla and one in Taxis. I am at home with the Nazarenes. Am having the best time of my life. To God be all the glory. When I am at home I have real revival meetings in the jail, digging diamonds out of the rough. God is good to me. "I will lift up my eyes unto the hills from which cometh my help. My help cometh from the Lord, which made heaven and earth." Bless his dear name forever.

Your sister in Christ,

Rev. S. A. Baker:

Dear Sir: -Enclosed find the renewal of our subscription to the King's Highway. I must say we enjoy reading its clean pages. After attending the camp meeting at Riverside last summer and meeting so many of our correspondents we enjoy reading it more than ever. I also must say I enjoyed the meetings at Riverside so much. We heard so many good things. Hope we will

be able to attend this coming summer. God bless you and all that help to such a clean paper with such good for both young and old.

Your sister in Christ,

MRS. C. B. PORTER.

## MISSIONARY MEETING.

The monthly missionary meeting of the Moncton Church was of more than ordinary interest, which was held on the 7th inst. Mrs. S. N. Grass presided. Mrs. Charles Cook secretary. Miss Lucy Blakney pianist. Several readings were given. Duets and solos and choir selections were sung.

Addresses were given by Misses Helen and Alice Sterritt. Sister Faith Sanders' excellent letter, which appears in this paper, was read by Mrs. Baker, which moved all hearts, and an offering was taken which brought the total amount given into the missionary funds, and given privately to our missionaries by this church and congregation within the last month of nearly \$400. This may set us guessing, but it is true.

Dear Highway:

As I enjoy very much reading items of interest from the different churches, it might be well for me to write too, as some may be interested to know how we are getting on. We thank God for his many mercies, can report victory in our souls and health of body. The church gave me a vacation the latter part of October, which was of great benefit to me physically. We are seeking by the help of God to stand for the "Faith which was once delivered unto the saints." No easy task! But God supplies the grace. We had a very delightful missionary meeting at the parsonage the evening of Nov. 30th. There was a splendid programme on the line of tithing.

Imagine our surprise when at the close of the programme we were presented by Mrs. Robert Barr, the treasurer, with the handsome sum of one hundred and forty-four dollars from friends in Fredericton and other localities. We therefore take this opportunity of thanking all who so kindly remembered us at that time. May the blessing of the Lord that maketh rich be upon every one. Our blessed heavenly Father knows when there is a need. Keep on praying.

P. J. TRAFTON.

Dear Brother Baker:

Enclosed please find my renewal for Highway. Accept my heartfelt thanks and gratitude for all of the good that has come to me through the Highway. My testimony is, I am established steadfast in the faith of Christ and from him I draw just the spiritual light and life, which I need in my ongoing. Praise God.
