

## MINISTERS AND CHURCHES.

Word received from Brother Hilyard written the 23rd, stated that he has been moved from the hospital to the home of his sister, Mrs. S. G. Williams, 14 Taylor street, Portland, Me. Sister Hilyard is with him and will remain until he is able to return home.

The latest word from Brother Colin B. Harvey, of Seal Cove, Grand Manan, that he was able to get out some.

Sister Slipp calls our attention to the fact that no provision was made for the Sterritt Sisters to visit her church at Jonesport in their tour of the churches. The committee probably expected them to devote some of the time assigned to Beals Church.

Rev. P. J. Trafton reports that Rev. Mr. Burtt preached in his pulpit at the morning service and the Sterritt Sisters took the evening service on the 26th inst, which gave him much needed help as overwork has left him in a nervous condition.

The quarterly meeting of District No. 3 was held at Calais, Maine, on the 24th to 26th. Brothers T. W. Moses, L. J. Alley and Miss M. Ella Slipp and Rev. S. H. Clark were all present. A report of the meeting will probably come later.

Sister I. F. Keirstead expects to accompany our missionary sisters to Nova Scotia Friday, Oct. 1st.

Dr. and Sister Sanders and Brother Paul Saunders attended the missionary conference at Durban, S. A., recently.

## THE HIGHWAY.

Beloved, hundreds and hundreds of people are the truest friends and lovers of the Highway, but they are so busy with life's work that they keep neglecting to send in their renewals. We should receive enough money during October, November and December to pay all the expense of publishing the Highway for a year. Shall we?

Rev. A. H. Trafton attended the quarterly meeting at Westchester, N. S., and remained and continued the meeting after the close of the quarterly meeting. A good interest was awakened and several were at the altar for prayer.

Rev. C. S. Hilyard is quite seriously ill at the Portland, Maine. Remember him in prayer.

Rev. W. B. Wiggins has been in St. John this week sending out the Alliance Minutes for 1920.

## CORRESPONDENCE.

Dear Brother Baker:

I am at school again. We have started our studies. We have nice meetings here. We have a nice crowd of boys and girls this year, there are six Reformed Baptist boys here this year, all studying for the ministry.

They are Hartley and Stillman Mullen, Ray Hagerman, Howard Robinson, George Rogers and myself.

My testimony is that I am saved and sanctified. Jesus sweetly abides within. I am gaining new victories every day. Praise the Lord for full salvation.

Your brother in Christ and for holiness.

CLARK FOSTER.

E. N. College, Wollaston, Mass.

Rev. H. C. Mullen says: Enclosed you will find \$109.50. The visit of the Sterritt Sisters was a blessing to every church on this circuit. I am sure it was a most profitable thing for them to make this tour.

They endeared themselves to all they met. I think the offerings from this field make a pretty good showing.

I closed my special meetings at Lower Brighton on the 15th. The meetings were good in spirit but were held against odds. Brother Lee was called away on account of the illness of his wife. Brother H. S. Mullen came and remained to the close. It rained all the time and attendance was small. The church was encouraged and helped and backsliders were renewed. We expect to begin special meetings Oct. 6th at Victoria, W. E. Smith as evangelist.

The little church at Gordonsville was dedicated on the 19th. We had a splendid meeting here (Hartland) last night, Sept. 19th.
