A good way to get your preacher to do what you want him to, is to go at him via heaven, and it is wonderful how you can become of one accord with him. When you pull on the cord he is pulling on—for the best welfare of the church.

The meetings are good and increasing interest in the Moncton Church.

The Moncton Sunday School had a good Rally Day and harvest festival. With an excellent program by the children. The classes have fixed up their class rooms cosily and attractive.

Our missionaries are moving about among the churches very rapidly. They are due at Grand Manan Oct. 17-23.

On Friday evening, Oct. 1st, the members of the Reformed Baptist church and congregation gave Rev. and Mrs. Clark a very pleasant surprise by gathering at their home, 192 North street, and spending the evening in music and social chat. A very dainty lunch was served at the close of the evening and the company departed, leaving their pastor and wife many tangible proofs of their good will and appreciation, for which they both feel very grateful.—Calais Advertiser.

The Millville (Union) Church has been nicely painted inside and presents a very nice appearance.

The Editor is sorry he will be unable to attend the dedicatory services of the Victoria Church on the 17th.

MEMORIUM.

In loving memory of our daughter,
Mrs. H. G. Veness,
Who departed this life Oct. 10, 1919.

Can it be a year has flown,
Since our loved one passed away?
Still our hearts with anguish breaking,
In remembrance of that day.

Words of sympathy have been spoken,
By kind friends both far and near,
But it cannot soothe the anguish,
For the one we loved so dear.
Her parents—W. E. and Mrs. Veysey.

Be suspicious of everything that savors
of the spirit of the world.
