

MINISTERS AND CHURCHES.

Rev. T. W. Moses was in hopes to be able to attend Riverside Camp Meeting but was evidently unable to get away. He reported Sister Moses' health as much improved, and while she is yet very weak, she was able to attend church.

Rev. L. J. Alley reports his church as on the victory side.

Rev. C. S. Hilyard reports revival interest at Seal Cove Church, Grand Manan, N. B.

Rev. W. W. Howe reports a good revival interest in his church at St. John, N. B.

The Sandford-Port Maitland, N. S., circuit has recently purchased a fine parsonage and have it free from debt.

This is as it should be, and is, whenever God's people rise to their responsibility and privilege. Surely the Lord will reward acts of like faith in his people.

All of our brethren stood in their place about the camp at Riverside, and did excellent work in every department. Rev. I. F. Keirstead proved himself an efficient leader at Riverside Camp Meeting. Brother S. H. Clark as the vice president acting in Brother Keirstead's absence, was also a good leader.

Brother P. J. Trafton not being able to attend the first of the camp meetings, Brother E. W. Lester took his place as leader in song.

Rev. F. T. and Mrs. Wright sung several times during the services and were much appreciated by the people.

The new Reformed Baptist Church at Victoria is being rapidly completed. It is built of concrete blocks. Percy Britton has the work in charge.

The churches will please note the dates on which Sisters Helen and Alice Sterritt, our missionaries, will visit them and have their communities fully informed of their visit, and be prepared to render them every help possible, and to make a record breaking offering. Fort Fairfield, Royalton and Hartland have already been visited.

Rev. Robert C. Potter is to assist several of our pastors in special services.

Rev. H. S. Mullen is holding special services at Lower Southampton assisted by Evangelist H. H. Lee.

Our ministers who preached at Riverside brought excellent messages of blessing and profit. Brother F. W. Foster preached to a very large company of people in the square at one o'clock on the last Sunday.

Several strangers who have visited Beulah since the close of the camp meeting have expressed their appreciation of sermons they heard preached by Rev. A. H. Trafton, who has preached regularly in the Tabernacle. The editor had the pleasure of attending the week night service there on the 18th. There was a good attendance and many testimonies.

All of our pastors occupied their own pulpits the 22nd.

Fort Fairfield Church set the example by giving one hundred dollars at the missionary meeting held by Sisters Helen M. and Alice F. Sterritt. The sisters, as we expected, made a grand impression on the meeting, as they will everywhere.

"SONGS OF THE KINGDOM."

We have a few "Songs of the Kingdom." Send 25 cents in stamps if you wish one.

PERSONALS.

The assistance rendered by Mr. Ross Page with his cornet accompaniment in the song service on Sunday afternoon was much enjoyed by the great audience present.

Sisters Helen and Alice Sterritt held a meeting at Knoxford on the evening of the 17th inst. and at Royalton on the 18th, and in Fort Fairfield on the 20-24th.

Mrs. M. E. Thornton, of Calgary, is visiting friends in Hartland.

Brother C. Clark Foster, of Seal Cove, Grand Manan, will re-enter the Nazarene College at Wollaston, Mass., Sept. 6th.

Sister J. H. Coy collected sufficient money to buy another cottage to be given to the Alliance at Riverside, making two thus purchased.

All will be glad to know that Brother Barr has been able to attend to business, and to do considerable work about his cottage at Beulah during the summer. Sister Barr has charge of the Riverview Dormitory this season and is doing fine.

Brother E. W. Lester's family are tenting at Beulah while he is superintending the building of the foundation under the Hotel.

We received a good letter from Dr. J. E. Jewett a short time ago. He and Mrs. Jewett attend a Methodist church and are zealously at work on spiritual lines. We are glad to have the assurance that he is still interested in the different departments of our work at home, and will plan to attend Beulah in 1921.

We were glad to see Deacon G. G. Gray, of Hartland, in the big audience at Riverside Camp Meeting; also Brother Thomas Estey, of Jacksonville. They have long since passed the three-score and ten milestone.

Brother W. N. and Sister McLean made Pastor S. A. and Mrs. Baker a pleasant visit on their way to their home at Grand Manan after three months in business on the Magdalen Islands.

Sister W. S. Brander, of Northport, N. S., spent a week visiting relatives in Moncton, returning home on the 26th.

We are glad to learn that Brother L. C. Watt, of North Head, Grand Manan, is recovering from his recent serious illness.

We were delighted to have Brother J. C. Smith with us at Riverside Camp Meeting again. The old attendants are becoming scarce.

Rev. P. J. Trafton will continue special services at Fredericton after the quarterly meeting closes, assisted by Rev. W. E. Smith.

GORDON YORK,

Upper Woodstock.

Treasurer.

Dear Highway readers:

No doubt many of you would like to know how the new church at Victoria is coming along. We feel very thankful to our heavenly Father to be able to tell you it is nearly ready for the roof. The walls are nearly completed and by the time this reaches you the outside will be finished. When we who have worked and sacrificed so much stand at a distance and look at the building we feel like saying "The toil of the road will seem nothing when we have got to the end of the way." God's word is true when it says, "Give and it shall be given unto you, good measure, pressed down, heaped up and running over." It would take too much space to tell you just what the building is like. So all who can, come to the dedication in October and see for yourselves. Beloved, remember us at the throne of grace. We are trusting him to supply our needs, and bring us off more than conquerors.

GORDON YORK.

STUDENTS' FUND.

To aid young men in preparation for the ministry.

This is a very important fund, as there are several young men who are now preparing to go to school or college, as they may be able, who would gladly accept any aid that may be given them. God is sending young men to us; will we not do what we can to enable them to get an education to fit them for the ministry? There may be some who have of their world's goods, which they cannot take with them to the other world, who could contribute to this Fund.

Leave or will your property to this Fund and when you have gone to the heavenly land some young man whom you have helped into the ministry will be preaching the blessed gospel of a full salvation, and you though dead, will be yet speaking.

Thus far we have received the following:

A. L. Baird, Hartland	\$5.00
Mrs. Cecile Ireland, Royalton	5.00
Mrs. S. Hayden Shaw, Hartland	10.00
Mr. and Mrs. Manning Mullen	10.00

GIFT OF POTATOES.

We wish to acknowledge the kindness of Brother Frank Kimball, of Fort Fairfield, in supplying us with all the potatoes which we used at Riverside Hotel this year, as a free gift. This was indeed greatly appreciated by the committee.

H. C. ARCHER,

Chairman.
