twelve persons kneeling at the altar. Such a meeting was never known in this church before, and will never be forgotten by those present.

An engagement for a meeting at Norton hindered Brother Foster continuing the services longer, but the people are praying that he may return again to Havelock in the near future. The pastor, Rev. A. C. Bell, held a baptismal service and baptized two persons on Dec. 5th and received four into the membership of the church, and the others are expected to come on some future Sunday.—Methodist Church, Havelock, N. B.

## A CHRISTMAS GIFT.

At the close of a service held in the Springfield, York Co., Church by Rev. H. S. and Sister Mullen on Dec. 19th, Brother Mullen asked that a Christmas gift be sent to Brother George Rogers, who recently left this community to fit himself for the gospel ministry, and is now at the Nazarene College at Wollaston, Mass. Brother Mullen stated that the people in the communities from which Brother Rogers and five other young men went, were proud to have a young man go into a service like that, and he believed it would be a pleasure to send them a little Christmas present, and it would be greatly appreciated by the young man who received it, both for the financial aid and for the spirit which prompted the gift and to think that the home folks were caring for them both in their prayers and works.

The people responded to the appeal and over thirty dollars was given. Brother Mullen seemed more pleased than if it had been for himself.

I wish to add my thanks for the kindly spirit manifested, and Brother Mullen's thoughtfulness.

Your sister,  
MRS. ALEX. ROGERS.

Dear Brother Baker:

I take pleasure in sending my renewal for the Highway. I love it, so many nice things in it, I could not get along without it; it is food to my soul. I look for it as I look for a friend.—Mrs. Sarah Daves.

Dear Brother Baker:

Enclosed please find postal note which will pay my subscription up to 1922. We all enjoy reading the Highway very much, and would miss it if we should never get it. Wishing you every success in your good work.—Mrs. David O. Walker.

Dear Friend:

We wish to acknowledge through the Highway our thanks for the Christmas box we received from the church at North Head and all the good things in it, as also at the close of the Christmas concert at Seal Cove, wife and I were presented with some \$48.00 as a Christmas offering. We take the space at this time to express our thanks to all those who contributed to these gifts.

We are expecting to begin special services Jan. 2nd with Wm. O. Nease as evangelist at Seal Cove. Pray for us.

We are hoping to have sufficiently regained our strength before the winter is over to conduct a few evangelistic services elsewhere.

Yours saved and kept,  
REV. C. S. HILYARD.

## EXTRACTS FROM AN OLD BOOK.

"Permit each to follow his own preferences, but let us all, as brethren in Christ, work together for the salvation of sinners. Such statements are not unfrequently made by the veriest proselyters the earth ever sustained."

"He arose and said, I often hear you Christians say, you have a heaven to go to heaven in. However that may be, one thing I certainly know, that I have a hell to go to go to hell in."

"He attempted to pray in the language of the Lord's prayer. When he came to the words 'Forgive us our debts as we forgive our debtors,' he could go no further. He felt he was calling down the vengeance of God upon his own head."

"He became a Christian of that class whose life and property preach the power and excellence of redeeming grace."

"The faithful preacher's debt were paid, and his children did not cry for bread."

"The best logic to use with the self-righteous, is the manifestation of a life hid with Christ in God."

"Even in this life we meet some results of our lives—whether good or bad; in eternity we shall meet all. Shall they afford us bliss?"

## PARCELS FOR MISSIONARIES.

Don't forget to send all parcels to go to South Africa for our missionaries to Mrs. G. S. Cosman, 31 Queen Square, St. John, N. B. Large parcels by express pre-paid, and small ones by parcel post. Please remember that we want contributions of good second hand clothing for men, women and children.

Dear Highway:

We find it very difficult to get a suitable governess to teach our children. Then, too, we much prefer one interested in missions, and in sympathy with our work. The object in writing this note is to ask for a volunteer, from the home land, to come out with the Sterritt sisters. We would expect to pay her a good salary and trust that she may find her work here congenial.

Let such an one write to S. A. Baker, Moncton, for all information, including salary, passage money, outfit of clothing for voyage, etc., etc.

Yours sincerely,  
H. C. SANDERS.
