The brethren are all very busy preparing for Alliance and Camp Meeting.

Bring "Songs of the Kingdom to Beulah Camp Meeting." Save buying new ones.

Rev. W. B. and Mrs. Wiggins remained at Fredericton a few days after the close of the quarterly meeting at Marysville. The quarterly meeting was good.

Rev. L. T. Sabine expects to have baptism at Sandford, N. S., on the 19th inst.

Rev. H. S. Dow baptized two persons at Fort Fairfield on May 29th and expects to receive several into the church soon.

New seating is being installed in the Seal Cove Church.

The Wood Island Church is installing the seating formerly in the Seal Cove Church. This Church will be dedicated this month.

The roof of the Moncton Church has been given a coating of roof paint, which improves its appearance, as well as preserving it.

The brethren preached with much of the presence of the Holy Spirit at the quarterly meeting of District No. 4 and the people were much blessed in the services and several were at the altar for prayer.

Rev. I. F. and Mrs. Keirstead have put in a busy year on the Royalton circuit.

Rev. P. J. Trafton says: We had a good day yesterday (May 29th). Three were at the altar last night. Brother Howe had two at the altar last Sunday night (May 22nd); some others are manifesting their heart hunger and I am hoping they will give the Lord a chance to help them.

A good interest is manifested in the meetings being held at St. John West. Thursday night (May 26th) the dear Lord blessed our souls and we were more than paid for going over.—Mrs. G. S. Cosman.

Rev. H. C. and Mrs. Archer expect to go to their cottage at Beulah Camp Ground about the 20th.

Pastor S. A. and Mrs. Baker expect to go to their cottage at Beulah Camp Ground on June 15th. Please address their mail, and all correspondence for "The King's Highway," to **Brown's Flat, Kings Co., N. B.**, until further notice.

Rev. Dr. Harrison, Methodist, will preach morning and evening every Sunday at Moncton, during the pastor's absence. Our people love the grand old gospel of "the double cure" for sin as taught by Rev. John Wesley, the founder of Methodism, and Dr. Harrison will find a company of appreciative hearers.

Rev. Robert Crisp visited the Reformed Baptist Church Sunday evening, the 5th inst., and by the invitation of the pastor preached from 2 Cor. 7-1, which was much enjoyed by all present.

MEMORIAL SERVICE.

The Woodstock W. C. T. U. held a memorial service in memory of the late Mrs. John Shea, at the home of Mrs. G. W. Slipp on Thursday afternoon.

Mrs. Shea had been a member of the Union for over 40 years and although of late laid aside from active work was always interested and contributed to our work.

Suitable hymns were sung, scripture lesson and prayer. Addresses were given by Mrs. Wiggins and Mrs. Slipp, expressing the great loss sustained by our Union: how helpful and inspiring her presence had been and the hope expressed by many of the members present that the influence of her Christian spirit might move us all to higher purposes and larger faithfulness in our work for God and Home, in every land.

Miss Griffith sang very acceptably a solo.

A letter received by the President was read from one of our oldest members at present living in California, Mrs. Simon McLeod, who for many years was associated very closely with our sister Shea in all good work for humanity.

The service closed by all singing "In the Sweet By and By."

The W. C. T. U. purpose placing a wardrobe in their room at the Fisher Memorial Hospital in memory of Mrs. Shea.—Woodstock Press.

A letter from Farmer Evangelist F. W. Foster states that he is hauling a good quality of potatoes to the starch factory at 15 cents per barrel. Brother Foster has planted 50 acres of potatoes again this year. He is eager to get into the evangelistic work.

Everything is coming on so rapidly that the prospect looks like that potato digging will be very early this year in Aroostook County.

Look for very interesting missionary letters in June 30 number—The Beulah number of The Highway.

The Five W's of the Young Men's Class means—"We Will Work Won't We."
